Educational Values In The Shulchan Aruch:

Educational Values in the Shulchan Aruch Abraham A. Glicksberg, 1984 The standard code of Jewish law is discussed by the author as a source of educational values both in a historical and a contemporary perspective By doing so the author enhances the value of the Shulchan Aruch not only as a source book for Jewish observance but also as an excellent educational tool both for the general reader and for the classroom A Bibliography of Jewish Education in the United States Norman Drachler, 2017-12-01 Entries from thousands of publications whether in English Hebrew Yiddish and German on all aspects of Jewish education from pre school through secondary education This book contains entries from thousands of publications whether in English Hebrew Yiddish and German books research reports educational and general periodicals synagogue histories conference proceedings bibliographies and encyclopedias on all aspects of Jewish education from pre school through secondary education *Children's Rights and Traditional Values* Gillian Douglas, Leslie Sebba, 2016-12-05 This book of essays by legal scholars from the United Kingdom Eire Israel and Palestine explores the extent to which the recognition of the concept of children s rights is affected by adherence to religious cultural and ethnic traditions The aim is twofold first to illuminate the interface between internationally agreed norms of conduct regarding children and national and cultural determination to preserve traditional approaches and secondly to reflect upon the conflicts within societies between different cultural and religious groups in their attempts to determine whether liberal secular or conservative religious norms predominate in attitudes to children s upbringing This is the first collection of papers covering and comparing the UK and Israeli Palestinian jurisdictions The particular blends of social religious and cultural diversity in both regions mingled with the political factors operating as well render these jurisdictions of special interest as case studies in the reception of western liberal norms and values Moreover Israel and Palestine despite their manifestly different cultures as compared with Britain have been influenced by the colonial legacy of the common law rendering this particular east west comparison of special interest *The Educational Teachings of Rabbi Menachem M. Schneerson* Aryeh Solomon, 2000-02 Rabbi Schneerson s educational contribution has been largely unexamined and remains undisclosed to both the Jewish world beyond Habad and to contemporary students of religious and moral education Through the analysis in this book it will be argued that Rabbi Schneerson s teachings hold import not only for the Habad fraternity but for communities and individuals in the wider world

Sacred Encounter Lisa L. Grushcow,2014-03-01 This wide ranging anthology takes a close look at the breadth of human sexuality from a Jewish perspective The essays begin with a look at biblical and rabbinic views on sexuality and then proceed to explorations of sexuality at different moments in the life cycle sexuality and the marital model diverse expressions of sexuality examples of sexuality education the nexus of sexuality and theology and the challenges of contemporary sexual ethics The Sacred Encounter is a thought provoking and important Jewish resource Perfect for personal study or for high school or adult classes Published by CCAR Press a division of the Central Conference of American Rabbis *Between the Laws of God and Man* Reuven Travis,2024-09-30 How does one navigate living religiously in a secular world Where life is governed not just by the laws of faith but by the laws of the state as well what does doing the right thing actually mean When

people think about the interplay between religious and secular law certain meta issues arise such as how does one weigh what is legal which secular law demands versus what is right that is the moral code which religion expects its followers to adhere to Such questions inevitably lead one to ponder the purpose of law as well as its underlying expectations This book tackles such questions from the perspective of a Jewish educator who has lived his life according to two distinct and sometimes conflicting legal systems halakha Jewish law and the United States Code U S legal code With this as a starting point Between the Laws of God and Man explores key core elements of Jewish and secular law to determine commonalities divergences and implications for each **Journal of Halacha and Contemporary Society**,2006 *Jewish Mad Men* Kerri P. Steinberg,2015-02-16 It is easy to dismiss advertising as simply the background chatter of modern life often annoying sometimes hilarious and ultimately meaningless But Kerri P Steinberg argues that a careful study of the history of advertising can reveal a wealth of insight into a culture In Jewish Mad Men Steinberg looks specifically at how advertising helped shape the evolution of American Jewish life and culture over the past one hundred years Drawing on case studies of famous advertising campaigns from Levy s Rye Bread You don t have to be Jewish to love Levy s to Hebrew National hot dogs We answer to a higher authority Steinberg examines advertisements from the late nineteenth century in New York the center of advertising in the United States to trace changes in Jewish life there and across the entire country She looks at ads aimed at the immigrant population at suburbanites in midcentury and at hipster and post denominational Jews today In addition to discussing campaigns for everything from Manischewitz wine to matzoh Jewish Mad Men also portrays the legendary Jewish figures in advertising like Albert Lasker and Bill Bernbach and lesser known Mad Men like Joseph Jacobs whose pioneering agency created the brilliantly successful Maxwell House Coffee Haggadah Throughout Steinberg uses the lens of advertising to illuminate the Jewish trajectory from outsider to insider and the related arc of immigration acculturation upward mobility and suburbanization Anchored in the illustrations photographs jingles and taglines of advertising Jewish Mad Men features a dozen color advertisements and many black and white images Lively and insightful this book offers a unique look at both advertising and Jewish life in the United States **Immigrant Institutions** George E. Pozzetta,1991 **Hearings** United States. Congress. House. Committee on the Judiciary,1984 **Congressional Record** United States.
