Educational Legacy Of Romanticism:

The Educational Legacy of Romanticism John Willinsky, 2006-01-01 This international collection of essays by leading authorities in literature and education presents the first comprehensive view of the impact of Romanticism on education over the course of the last two centuries Romanticism's reconception of self nature writing and the imagination forms a chapter of intellectual history that has led to a number of innovative programs in the schools The book returns to the educational thinking of key figures from the time Rousseau Wordsworth Mary Shelley and Coleridge before charting their influence on such historical and contemporary developments as Montessori schools art education free schools and current writing programs The contributors tend to challenge common assumptions concerning Romanticism and do not shy away from its darker side their work encompasses both theoretical considerations of Romantic and post modern conceptions of the self and practical concerns with Romanticism's potential for the school curriculum The Educational Legacy of Romanticism represents a multi disciplinary inquiry into the continuing influence which cultural endeavours can have on the social practices of society

Changing the Educational Landscape Jane Roland Martin, 2017-09-29 Changing the Educational Landscape is a collection of the best known and best loved essays by the renowned feminist philosopher of education Jane Roland Martin Trained as an analytic philosopher at a time before women or feminist ideas were welcome in the field Martin brought a philosopher's detachment to her earliest efforts at revolutionizing the curriculum Her later essays on women and gender further showcase the tremendous intellectual energy she brought to the field of feminist educational theory Martin explores the challenges and contradictions posed by the very concept of women's education and also recognizes how the presence of women necessitates the rearticulation of not only the curriculum but also the standard ideologies in education

The Educational Legacy of Woodrow Wilson James Axtell, 2012 In The Educational Legacy of Woodrow Wilson James Axtell brings together essays by eight leading historians and one historically minded political scientist to examine the long formative academic phase of Wilson's career and its connection to his relatively brief tenure in politics Together the essays provide a greatly revised picture of Wilson's whole career and a deeply nuanced understanding of the evolution of his educational political and social philosophy and policies the ordering of his values and priorities and the seamless link between his academic and political lives The contributors shed light on Wilson's unexpected rise to the governorship of New Jersey and the presidency and how he prepared for elective office through his long study of government and the practice of academic politics which he deemed no less fierce than that of Washington In both spheres he was enormously successful propelling a string of progressive reforms through faculty and legislative forums Only after he was beset by health problems and events beyond his control did he fail to push his academic and postwar agendas to their logical idealistic conclusions Contributors James Axtell College of William and Mary Victoria Bissell Brown Grinnell College John Milton Cooper Jr University of Wisconsin Stanley N Katz Princeton University W Bruce Leslie SUNY Brockport Adam R Nelson University of

Wisconsin Mark R Nemec Forrester Research John R Thelin University of Kentucky Trygve Throntveit Harvard University

Romanticism and Education David Halpin, 2007-08-07 Argues that an understanding of romantic thought has major implications for educational thought and practice especially in relation to themes such as imagination creativity and personal growth practices in particular curriculum pedagogy and the structure of schooling This book provides a reinterpretation of romanticism JCT, 1991* **Literature Criticism from 1400 to 1800**, 2006 Romanticism and Parenting Carolyn A. Weber, Carolyn Weber, 2007 If the child is the father of the man as William Wordsworth so famously declared then what of the father that child grows to become How does a daughter born of her mother TM's death as in the case of Mary Shelley navigate the politics of production and reproduction within a loaded language of mythological allusion between generational authorships How do the visual arts perpetuate or challenge cultural agendas such as portraying patriarchal anxieties about the oeffeminization of homeland by the foreign oether or attempting iconically to oesave the soul of a nation How do parents both encode and decode our world With the rise of the cult of the child in the later 18th and 19th centuries Romantic writers of Britain and Europe and eventually of North America were perfectly positioned to explore by extension what it meant to oeparent whether it be in within the domestic or the political sphere The essays in *Romanticism and Parenting* Image Instruction and Ideology offer a fresh timely and cutting edge contribution to the field of Romantic studies The collection has its roots in conference proceedings from the 2005 Romanticism and Parenting Conference held at Seattle University in Seattle Washington Essays acknowledge traditional discussions of such quintessentially oeRomantic themes as the child education and familial politics while building upon contemporary innovative arguments within the contexts of Romanticism As a result chapters in the collection range from examining didactic children TM's literature to complicating constructions of the family politic at personal communal and nationalistic levels While challenging and deepening an understanding of Romantic studies the collection also points to current dynamic issues such as the burgeoning discussion of the experience that actual parents face in academia Consequently the collection reveals how the Romantic period has come to profoundly influence our own current constructions of the politics of parenting *Inexcusable Omissions* Karen Graves, Timothy Richard Glander, Christine Mary Shea, 2001 *Inexcusable Omissions* explores the work of Clarence Karier and his impact on critical scholarship in the history of U S education Twenty authors contribute essays that examine Karier's influence on the study of a wide range of issues central to the field articulate the theoretical approaches that have guided Karier's inquiry and engage the reader in biographical reflection The essays converge on the complexities of new liberal social and educational theory and the impact that these ideas have had on the development of the American public school system This is the landscape of the humanity and legacy of Clarence Karier as a historian of democracy's conscience and one of its most committed educators **Canadiana**, 1991 Environmental Education for Sustainability Mauri Åhlberg, Walter Leal Filho, 1998 The book deals with the matter of environmental education applied to education for sustainability taking into

account formal and non formal education contexts and bearing in mind the relationship between environmental quality and quality of life The ideas experiences and perspectives presented by the various specialists contributing to the book from various geographical regions provide an overview of the diversity of approaches used internationally in the field of environmental education and supply background information on the different problems inherent to this field as well as a bird s eye perspective on the initiatives projects and concrete action on the ground **Canadian Journal of Environmental Education** ,1996 *The Journal of Aesthetic Education* ,1991 Includes special issues **Short Story Criticism** Lawrence J. Trudeau,2006 Presents literary criticism on the works of short story writers of all nations cultures and time periods Critical essays are selected from leading sources including published journals magazines books reviews diaries newspapers pamphlets and scholarly papers **Boletin Internacional de Bibliografia Sobre Educacion** ,1992 Canadian Books in Print 2002 Marian Butler,2002-02 **International Books in Print** ,1997 **Auto/biography Studies** ,2000 Mary Shelley Graham Allen,2008-08-20 Graham Allen provides both an introduction to and review of the critical responses to Mary Shelley s major fictions from the Romantic period to the present day while also pushing debates forward The book moves beyond Frankenstein presenting new readings of other texts such as Matilda Valperga The Last Man and Lodore **Mary Shelley** Johanna M. Smith,1996 This study focuses on the entirety of Mary Shelley s work rather than simply discussing Frankenstein It opens with a biographical chapter then covers Shelley s work in poetry and drama Frankenstein and The Last Man as protoscience fiction historical fiction and tales non fiction and literary criticism domestic sentimental fiction and travel writing It sets these works within the cultural context of the politics sexual politics and transformation of genres in nineteenth century Britain and establishes Mary Shelley as a major literary figure who excelled in a variety of genres

Books in Print Supplement ,1994
