Edvard Munch Naerbilde Av Et Geni:

The Private Journals of Edvard Munch Edvard Munch, 2005-08-18 Scandinavia's most famous painter the Norwegian Edvard Munch 1863-1944 is probably best known for his painting *The Scream* a universally recognized icon of terror and despair A version was stolen from the Munch Museum in Oslo Norway in August 2004 and has not yet been recovered But Munch considered himself a writer as well as a painter Munch began painting as a teenager and in his young adulthood studied and worked in Paris and Berlin where he evolved a highly personal style in paintings and works on paper And in diaries that he kept for decades he also experimented with reminiscence fiction prose portraits philosophical speculations and surrealism Known as an artist who captured both the ecstasies and the hellish depths of the human condition Munch conveys these emotions in his diaries but also reveals other facets of his personality in remarks and stories that are alternately droll compassionate romantic and cerebral This English translation of Edvard Munch's private diaries the most extensive edition to appear in any language captures the eloquent lyricism of the original Norwegian text The journal entries in this volume span the period from the 1880s when Munch was in his twenties until the 1930s reflecting the changes in his life and his work The book is illustrated with fifteen of Munch's drawings many of them rarely seen before While these diaries have been excerpted before no translation has captured the real passion and poetry of Munch's voice This is a translation that lets Munch speak for himself and evokes the primal passion of his diaries J Gill Holland's exceptional work adds a whole new level to our understanding of the artist and the depth of his scream *Edvard Munch* Torstein Velsand, 2012-06-16 EDVARD MUNCH 1863-1944 Norwegian painter and graphic artist Best known for works like *Scream* and *Madonna* The only Norwegian visual artist to have attained undisputed world fame NORWEGIAN HERITAGE is a series of books about our most important and best known national icons The respective titles introduce major personalities from the worlds of art and literature science and sports but also the many natural wonders of the country as well as significant historical periods and cultural expressions Each book offers an updated introduction to readers who wish to familiarize themselves with a given subject *The Story of Edvard Munch* Ketil Bjornstad, 2013-06-10 A fascinating literary construction of the life of one of the world's most popular 19th century painters which is based on Munch's own diaries notes and letters His troubled relationships particularly with the opposite sex are well documented as is his nervous disposition which complicated his entire existence and these aspects of his life are admirably brought alive by the author Illustrated

Psychoanalytic Perspectives on Art, V.2 Mary M. Gedo, 2013-05-13 This new hardcover annual offers a unique scholarly format an interdisciplinary dialogue that it is hoped will foster the development of a sound useful methodology for applying psychoanalytic insight to art and artists The series provides a medium for those who study art those who interpret it and occasionally those who create it formally to explore the meaning of an artistic work as the direct reflection of the inner world of its creator Within each volume individual topics are addressed by either an art historian or a psychoanalyst with a

response frequently tendered by an expert from the other field Reviews of important books of cross disciplinary interest are treated in a similar manner and include rebuttals by the authors themselves It is precisely this exchange of ideas among scholars with difference perspectives on the meaning of a work of art that sets PPA apart from the standard art history publication Its depth of scholarship coupled with its innovative format make it a fascinating addition to the burgeoning field of psychoanalytic studies of art history **After The Scream** Prelinger Elizabeth, Elizabeth Prelinger, Edvard Munch, High Museum of Art, 2001-01-01 This compelling book focusing on more than 60 of Edvard Munch's later paintings reveals the surprising vibrant work of a fascinating man who never ceased to grow as an artist 140 illustrations 130 in full color
