Edgar Cayce An American Prophet:

Edgar Cayce Sidney D. Kirkpatrick,2001-11-01 With unprecedented access to Edgar Cayce s private letters and trance readings Sidney Kirkpatrick delivers the definitive biography of the renowned psychic religious seeker and father of alternative medicine Born in rural Kentucky in 1877 Edgar Cayce became known as the sleeping prophet and went on to lead an extraordinary life helping and healing thousands This is Cayce s fascinating story as it s never been told before *True Tales from the Edgar Cayce Archives* Sidney D. Kirkpatrick,Nancy Kirkpatrick,2015-06-01 There is perhaps no modern psychic more fascinating than Edgar Cayce and no better authors to explore the intricate details and eye opening stories of the people who received his readings than Sidney and Nancy Kirkpatrick The Kirkpatricks with decades of experience and research take us on a journey into the archives and history of these psychic passages finding the most interesting case studies and exploring the most astounding results of the Cayce work in so many people s lives Their findings are presented in a way that reads like a whodunit that you can t put down **Edgar Cayce on Auras & Colors** Kevin J. Todeschi,Carol Ann Liaros,2012 Including the well known Auras booklet written by Edgar Cayce T p **The Haunting of Twentieth-Century America** William J. Birnes,Joel Martin,2011-09-13 In this sequel to *The Haunting of America* national bestselling authors Joel Martin and William J Birnes bring up to the present the story of how paranormal events influenced and sometimes even drove political events In unearthing the roots of America s fascination with the ghosts goblins and demons that possess our imaginations and nightmares Martin and Birnes show how the paranormal has driven America s political public and military policies The authors examine the social history of the United States through the lens of the paranormal and investigate the spiritual events that inspired momentous national decisions UFOs that frightened the nation s military into launching nuclear bomber squadrons toward the Soviet Union out of body experiences used to gather sensitive intelligence on other countries and even spirits summoned to communicate with living politicians *The Haunting of Twentieth Century America* is a thrilling evidencebased exploration of the often unexpected influences of the paranormal on science medicine law the government the military psychology theology death and dying spirituality and pop culture At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Handbook of the Theosophical Current** ,2013-01-08 Few religious currents have been as influential as the Theosophical Yet few currents have been so under researched and the Brill Handbook of the Theosophical Current thus represents pioneering research A first section surveys the main people and events involved in the Theosophical Society from its inception to today and outlines the Theosophical worldview A second substantial section covers most significant religions to emerge in the wake of the Theosophical Society Anthroposophy the Point Loma community the I AM religious activity the Summit Lighthouse Movement the New Age theosophical UFO religions and numerous others Finally the interaction of the Theosophical current with contemporary culture including gender relations art popular fiction historiography and science are discussed at length

Occult America Mitch Horowitz, 2010-10-05 From its earliest days America served as an arena for the revolutions in alternative spirituality that eventually swept the globe Esoteric philosophies and personas from Freemasonry to Spiritualism from Madame H P Blavatsky to Edgar Cayce dramatically altered the nation s culture politics and religion Yet the mystical roots of our identity are often ignored or overlooked Opening a new window on the past Occult America presents a dramatic pioneering study of the esoteric undercurrents of our history and their profound impact across modern life **American Religious Leaders** Timothy L. Hall, 2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life **Christianity: the One, the Many** John F. Nash, 2008-02-29 What is Christianity Who was Jesus Christ What relevance does Christianity have in a post Christian age Why are there so many Christian sects and what are the prospects for bringing them together Does Christianity have a future Am I a Christian Are you Christianity the One the Many offers encouraging answers and options for modern spiritual seekers This second volume focuses on western Christianity from 1000 CE onward Decline of the medieval church led to the Reformation and emergence of the Lutheran Calvinist and Anglican Churches Baptists and Methodists soon followed and in due course the charismatic movement The scientific revolution and the Enlightenment challenged Christianitys very foundations and produced innovative religious forms like Deism and Transcendentalism Meanwhile esoteric Christianity has established itself as a further option A bold new vision is offered that honors the diversity within Christianity as well as a transcendent unifying reality the Body of Christ Seven spiritual paths are identified which offer all sincere Christians opportunities to express personal and collective aspirations Archetypal in nature and cutting across denominational boundaries they are Devotion Ceremony Knowledge Service Healing Activism and Renunciation The unifying reality is a larger archetype the Ekklesia visualized as a great Cathedral into which all are invited to open themselves to the Divine love their neighbor humbly seek truth and work to make the world a better place A masterpiece of research insight and faith A must read for believers and nonbelievers alike Now I know theres a place in Christianity for me Front cover shows the Church of Our Savior on the Spilled Blood in St Petersburg Russia Photograph courtesy of Helen C Nash
