Edge Of Death:

The Edge of Death Drac Von Stoller, 2014-02-11 It was the summer of '72 and Jason Helsing was born into a world that was supposed to embrace him but only left him alone on this big planet to figure things out on his own After his birth Jason was whisked off to foster home after foster home without knowing what it was like to be brought up in a happy home Jason had been teased all through his school years about how slow he was and couldn't keep up with the other classmates on any subject he took Jason didn't have nice clothes like the other students had All he wanted was to be accepted but all he got was heartaches As the years peeled away and Jason became more resentful towards his classmates and his foster parents the anger that was bottled up inside was about to explode and the classmates that tormented him all those years were about to have their innocence destroyed by the hands of someone that just wanted to be loved but instead got his heart crushed One night when Jason was lying in his bed trying to get a good night's sleep he started having flashbacks when one of his foster fathers was choking his wife but didn't kill her When Jason entered their room he asked what was going on and his foster father said Come in boy and watch a real man in action All Jason wanted to do was run and hide but his foster father grabbed him by the arm and told him to place his hands around her neck and squeeze Jason was scared but knew if he didn't do what his foster father told him to do he would be beaten So as her tears poured out from her sad frightened eyes Jason turned his head and squeezed and squeezed Then his foster father said Don't be scared it's only a game turn and look at her She removed Jason's hands from her neck and laughed Jason said I don't find that very funny His foster father slapped him on the back of the head and said Why don't you go play Jason ran out of the room confused at what just happened *Death's Edge* S. B. Sebrick, 2015-04-23 Everyone in my village is crazy They whisper behind my back about a brother I've never had How can they all remember a boy who I know never existed Sure my nightmares are a little too vivid The sight of blood terrifies me but lots of people can't stand the stuff There's nothing wrong with me I'm totally sane That's what I believed at least Until the night of the earthquake Until I saw that broken corpse lying in the rubble Until I met him The Edge of Death Phillip J. Swihart, 1978-01-01 *Edge of Hope: Embracing Life and Transcending Death* Pasquale De Marco, 2025-04-25 In the face of life's greatest mystery *Edge of Hope Embracing Life and Transcending Death* embarks on a profound exploration of death and the possibility of life beyond Drawing upon cutting edge scientific research personal accounts and ancient wisdom this book unveils the enigma of death and its profound implications for our lives With meticulous precision *Edge of Hope* unravels the nature of consciousness scrutinizing its relationship to the physical brain and pondering the possibility of consciousness existing beyond the confines of the body It delves into the mind boggling world of quantum physics seeking clues to the interconnectedness of all things and the potential for non local communication The book delves into the phenomenon of reincarnation examining compelling case studies and exploring the concept of the Akashic Records a universal repository of knowledge believed to contain the history of every soul It encounters mediums and channelers individuals with the

extraordinary ability to communicate with spirits and higher beings gaining insights into the other side Edge of Hope journeys through the realms of astral projection and out of body experiences discovering the transformative power of these extraordinary states of consciousness It explores deathbed visions and end of life phenomena seeking glimpses of the transition from this world to the next Ultimately Edge of Hope confronts the inevitability of death and explores its profound impact on our lives It delves into the stages of grief and the complexities of loss seeking solace and wisdom in the face of adversity It embraces the beauty of life and the inherent interconnectedness of all beings realizing that death is merely a passage to a new chapter in the grand tapestry of existence This book is an invitation to transcend the fear of death to embrace life fully and to find meaning and purpose in the face of our mortality It is a beacon of hope guiding us towards a deeper understanding of death and the eternal journey of the soul If you like this book write a review on google books
