Change and School Reform Kathryn Riley,Karen Seashore Louis,2013-01-11 School reform is a top priority for governments today This timely and challenging book edited by leading international researchers Kathryn Riley and Karen Seashore Louis offers a rich comparative perspective on leadership for change and school reform Contributors form North

America Europe and Australia demonstrate how school leadership is influenced by global pressures differing national and state contexts and local concerns They illustrate the limitations of reform initiatives which focus on school leaders to the exclusion of the many other organisations which affect school such as national and local governments professional associations and school communities This book raises some important questions such as How can school leaders create intelligent thinking schools How can leadership and learning be linked together What are the characteristics of effective local education authorities and school districts What is the role of teacher organisations in educational reform and change What happens if businesses teachers parents and local communities have different views of what makes a good school The text illustrates the ways in which leadership is rooted in learning and identifies new directions for school leadership It challenges conventional notions of leadership offering an expanded view which sees leadership just as an individual role based function but as a network of relationships among people structures and cultures This lively and provocative book should be read by all those interested in education reform

Educational Leadership Clive Dimmock, Allan Walker, 2005-06-03 A highly recommendable and powerful work I have found this book to be both a revelatory mirror on past events and an inviting window to future prospects I am certain that it will be of equal or greater value to all those involved and interested in the tangled complexities and inherent rewards of educational leadership particularly within international or cross cultural contexts Daniel H Jarvis International Review of Education Clive Dimmock and Allan Walker's book is a valuable addition to the overcrowded literature on leadership This is a useful and important book because citizenship globalization and the tensions with nationality should be the concern of all who lead any school even monofaith monoethnic and monolingual schools Tim Brighouse TES Friday The authors offer a rigorous and systematic analysis based on careful definition illustration and discussion which demonstrates the importance of understanding culture leadership and their interaction in different contexts in doing so they provide a powerful antidote to the simplistic export of ideas and lay foundations for a more sophisticated conceptual framework for the study of educational leadership John West Burnham International Leadership Centre University of Hull This key text in educational leadership focuses on the significance of the context and culture of schools The book addresses the growing recognition of cultural differences between societies and the resultant differences in schooling It also deals with vital issues relating to multicultural education and the leadership of multicultural schools Drawing on their first hand experience the authors explore the differences evident in classroom teaching and learning as well as organizational leadership and management aspects of schools They show how such differences can make over reliance on Anglo American approaches misleading ineffective and restrictive Key features of the book include a methodology to support the emerging field of international and comparative educational leadership and management in depth comparative analysis of Anglo American and Asian schooling and educational management the leadership of multi cultural schools This book is essential reading for professionals and students of educational leadership and management as well as administrators

Leadership - International Perspectives Stephan Huber,2009-12-24 Recent research into school effectiveness has corroborated the theory that the school leader plays a pivotal role making their school a successful institution and is most often cited as the key factor in a school's development Reflecting the importance it is given in the today's education landscape this book explores the latest trends in school leadership from both theoretical and practical perspectives Each chapter provides insight into an aspect of current research with detailed case studies coming from as far afield as Hong Kong and Canada In the context of the ever increasing burden of responsibility placed on education management to safeguard and enhance the quality of education they provide school leadership is now a core concern of policy makers In addition most countries are undertaking fundamental education reforms that will have a major influence on the nature of school leadership Offering the most up to date research on this central issue this book will both inform and shape the debate *Second International Handbook of Educational Leadership and Administration* Kenneth A. Leithwood,P. Hallinger,2012-12-06 The first International Handbook of Educational Leadership and Administration Leithwood et al was published in 1996 and quickly became something of a best seller for reference works within education Such success we suggest was at least partly due to the unprecedented global waves of concern for improving schools launched in the mid 1980's combined with a widespread belief in leadership as the single most powerful contribution to such improvement The roots of this belief can be found in evidence produced by the early effective schools research although there is a romance with leadership as an explanation for success in many non school enterprises as well During the two year period during which this current handbook was being written activity in the realms of school leadership school improvement and leadership development gained further momentum The English government created its new National College of School Leadership and several Asian nations announced new initiatives in leadership selection preparation and development **School Leadership and Administration** Allan Walker,Clive Dimmock,2012-11-12 This text calls for a broader approach to comparative educational administration one which uses culture as the principle means of analysis The articles collected by Allan Walker and Clive Dimmock detail the educational practices and outcomes of other systems while taking into account the mediating influence of culture In this way these essays stress the specific aspects of the cultures studied and map out common ground for the study of administrators values beliefs and actions **Reshaping the Landscape of School Leadership Development** Philip Hallinger,2003-01-01 Reshaping the Landscape of School Leadership Development A Global Perspective traces developments in this arena as they evolved since 1980 The book is comprised of chapters authored by the leading scholars in the fields of educational leadership and school leadership development from the United States Canada Europe Asia and Australia The vol **Educational Leadership** Margaret Preedy,Nigel Bennett,Christine Wise,2011-11-01 Drawing together current thinking and research by leading writers in the field this Reader will help you to understand and critically analyse key strategic aspects of educational leadership including leadership perspectives and values external and internal contexts autonomy and

accountability partnership and collaboration leading strategy and change The book explores major challenges for educational leaders in managing the increasingly permeable boundary between educational organisations and their external contexts and reconciling environmental expectations and internal priorities The Reader will encourage you to positively problematize the field and reflect on current debates and issues This book will be an essential resource for providers and students of postgraduate level courses in educational leadership and management as well as those involved in undertaking professional development programmes It will also serve the reflective practitioner as personal reference when occupying or aspiring towards leadership roles in schools colleges and other educational organisations Dr Maggie Preedy Professor Nigel Bennett and Dr Christine Wise have taught researched and published widely in the field of educational leadership and management Maggie Preedy and Christine Wise are Senior Lecturers in the Faculty of Education and Language Studies at The Open University UK Nigel Bennett is Emeritus Professor of Leadership and Management in Education at The Open University
