 Services International The Norwegian artist Edward Munch has had the misfortune of being labeled a woman hater
 Tempering that myth is the mission of this catalogue and the accompanying exhibition The book provides extensive evidence
 of Munch s varied relationships with women who were members of his family friends lovers patrons and subjects of his work
 Some of these alliances were loving some were social and at least one passion ended in bitter tragedy Munch and Women

 Prosaic Conditions Rokem treats prose as a signifying practice that is a practice that creates meaning During the nineteenth
 and twentieth centuries prose emerges in competition with other existing practices specifically the practice of performance
 Using Zionist literature as a test case Rokem examines the ways in which Zionist authors put prose to use both as a concept
 and as a literary mode Writing prose enables these authors to grapple with historical political and spatial transformations
