## **Edith Stein St Teresa Benedicta Of The Cross:**

*Saint Edith Stein (Saint Teresa Benedicta of the Cross, OCD)* Mary Lea Hill, 2000 A biography of the Jewish philosopher and convert to Catholicism who was put to death at Auschwitz during World War II and canonized by Pope John Paul II in 1998

**Edith Stein** Maria Ruiz Scaperlanda, 2017 In the wake of World War I when neither Jews nor women were widely accepted in academia Edith Stein rose to prominence as a leading intellectual in Germany She was a passionate and brilliant philosopher who lived and thrived in the intellectual university community of Germany She was also a young Jewish woman who shocked her intellectual community when she fell in love with Jesus Christ and became a Roman Catholic More shocking still eleven years later Edith entered the cloistered Carmelite order to follow a life of mystic and contemplative prayer in the cloister under the name Teresa Benedicta of the Cross Edith Stein's surrender to grace is all the more visible because of the dark night that enveloped the period of history in which she lived and died years when millions of men and women including Edith Stein herself were systematically murdered by the Nazi regime in the name of diligent ethnic cleansing Today as the meaning of feminism is lost in a world of relativism Edith Stein provides a model for a true feminist woman who authentically integrates faith family and work In these pages award winning journalist Maria Ruiz Scaperlanda brings new light to this complex woman her culture and the pivotal period of history in which she lived and died More than a biography these pages paint a multifaceted portrait of Edith Stein as seen by scholars friends and relatives and by Catholics and Jews alike You'll gain new insights into the complex aspects of her life and death as well as the impact of her character and personality on those who knew her But most of all you will enter into the interior life of this woman of Jewish descent who transformed her entire life because of her encounter with Jesus Christ an encounter that led her from the depths of atheism to the heights of sainthood

Edith Stein Letters to Roman Ingarden Edith Stein, Hugh Candler Hunt, 2015-02-05 Edith Stein and Roman Ingarden both students of Edmund Husserl the founder of phenomenology corresponded extensively between 1917 and 1938 These 162 letters most published here for the first time reveal a friendship that spanned the adult lives of these two important 20th century thinkers Through Stein's letters the reader can follow her through her student days her conversion from Judaism to Catholicism her professional life and her decision to become a Carmelite nun in the Carmel of Cologne where she took the name Teresa Benedicta of the Cross The letters end in 1938 when the Nazi threat escalating throughout Eastern Europe made correspondence difficult especially across national borders Four years later Edith Stein was arrested in the Netherlands by the Nazi SS transported to Auschwitz and was killed in the gas chambers Roman Ingarden survived World War II continued his academic work in Poland and died in 1970 Although Ingarden's letters to her have not been found

Stein's to him also help us understand the life of this Polish phenomenologist and aesthetician his life in Poland his intellectual development his own writings and academic career and the editorial assistance Stein provided for all of the works he published in German Translated from the newest critical German edition by Dr Hugh Candler Hunt this premiere English edition of her correspondence volume 12 of ICS Publications Collected Works of Edith Stein gives us a fascinating and intimate window into Edith Stein's rich life and personality revealing her warmth and humor deep capacity for friendship and remarkable intellectual and spiritual depth Book has 13 photos bibliography and linked index     **The Collected Works of Edith Stein, Sister Teresa Benedicta of the Cross, Discalced Carmelite** Saint Edith Stein, 1986     **Edith Stein the Life of a Philosopher and Carmelite** Teresia Renata Posselt OCD, 2012-06-29 Having been out of print for half a century the original text is here re edited and enhanced by scholarly perspectives and updated and corrected in the light of knowledge which was not available to the author at the time Book includes 9 photos More Information Enriched by a broader range of contemporary literature about the philosopher educator spiritual writer and victim of the catastrophe that engulfed her as part of her Jewish people this new presentation of the biography everyone cites so frequently brings the reader closer to the real Edith Stein The editors have avoided weighing down this engaging life story with intrusive scholarly notes and commentaries Instead they have relegated such material to a separate section of Gleanings This gives the reader the option of enjoying the biography unencumbered by supplementary matter or delving into the Gleanings when desired The three editors translators are close to the Stein family as well as to her Carmelite family which she entered in 1933 Susanne Batzdorff is Edith Stein's niece who has known her in person Josephine Koepfel and John Sullivan are both Carmelites who have occupied themselves with the life and work of the saint and have talked with several Carmelite religious who lived with Edith Stein Complementing their notes and comments that deepen the knowledge of the famous phenomenologist and Carmelite is an insightful Foreword contributed by Sr Amata Neyer OCD who knew Posselt personally She has served as prioress of the Cologne Carmel and as archivist for its Edith Stein Archive     *Edith Stein and Companions* P.
