Inmigración y el futuro de Estados Unidos de América Archbishop José H. Gomez, 2013-08-16 En este libro el Arzobispo Jos Gomez ofrece algunas ideas prácticas personales y llenas de entusiasmo al debate nacional sobre inmigración señalando el camino a la recuperación de los grandes ideales de Estados Unidos de América La inmigración es uno de los grandes retos de los derechos humanos en nuestra generación Es también un momento histórico decisivo para Estados Unidos en el cual necesitamos renovar a nuestro país según sus promesas fundacionales sobre los derechos universales enraizados en Dios La inmigración no se trata solamente de inmigración Se trata de renovar el alma de Estados Unidos Monseñor Jos H Gomez

La confusión nacional Ignacio Sánchez Cuenca, 2018-03-15 Este libro tiene un mensaje que puede resultar incómodo la democracia española no ha estado a la altura de las circunstancias en la cuestión catalana Los errores que haya cometido el independentismo catalán que a mi entender son muchos y graves no pueden nublar el juicio con respecto a nuestro propio sistema democrático que ha mostrado serias deficiencias Ignacio Sánchez Cuenca argumenta en estas páginas que la crisis catalana ha activado un nacionalismo español con un discurso claro frente a la política identitaria de los independentistas se erige una sociedad española abierta y democrática un Estado español con siglos de antigüedad que cuenta con instituciones que garantizan las libertades los derechos fundamentales y la igualdad política Pero la crisis constitucional catalana ha supuesto un descalabro colectivo desde un punto de vista democrático el Gobierno de España prefirió no abrir una negociación que desactivara el conflicto lo que aprovecharon los líderes del independentismo catalán para justificar una estrategia
