CODEX Amerigo Consta,2019-12-04 In ancient Syria a wanderer named Aram receives a message from God that reveals the true origin of mankind Out of this mystery arises the Constantine Order which pledges not only to preserve the universal knowledge of old secrets contained in Aram s message but also to hide those secrets from those undeserving of their mysteries As the centuries pass other heroes from Roman emperors to the warrior Attila the Hun struggle to strengthen fortifications around Aram s secret Even they cannot defend their holy grail against the greatest mind the world has ever known Amerigo Consta s Codex is a fictional historical thriller that expands the known history of hermetism to describe the impact of a powerful ancient international military order on world history The book tells an epic tale that crosses continents and spans thousands of years But at its heart it s a story of heroic adventure and spiritual awakening **Jesus in a World of Colliding Empires, Volume One: Introduction and Mark 1:1--8:29** Mark J. Keown,2018-03-20 At the time of Christ world politics was an ebb and flow of colliding empires and forces The world knew only dynastic succession and rule by force Israel was swept up in this world Her expectations of deliverance while diverse had in common the anticipation of violent liberation by an alliance of God the expected one Theo and Israel s forces Her vision included the subjugation of the world to Yahweh Any messianic claimant would be expected to fulfill this hope Mark s story of Jesus must be read against such

expectations of military power Mark knows that Jesus plan of salvation differed radically from this Rather than liberation through revolution it involved deliverance through humble loving service and cross bearing However the disciples follow Jesus but do not understand Jesus purpose They constantly expect war So the Gospel is then read from Mark s full understanding and the disciples flawed perspective In volume two of Jesus in a World of Colliding Empires Keown continues to unpack Mark s Gospel 8 30 16 8 in which Jesus teaches the disciples what it means to be a Servant Messiah rather than a military conqueror The then draws a range of conclusions and applications from Mark for life today
