# Empowering Your Library A Guide To Improving Service Productivity Participation

**Tobias Bleicker**

## **Empowering Your Library A Guide To Improving Service Productivity Participation:**

**Empowering Your Library** Connie Christopher, 2003-07-28 Whether working to empower individuals teams or the whole library these guidelines make possible effective management of scarce resources time people and money They also help enhance your team s morale innovation continuous improvement and customer service the building blocks for funding libraries vital and ongoing role in their communities

**High Tech, High Touch** Lynn Hawkins, Todd Cutler, 2003-07-28 High Tech High Touch illustrates technical solutions that really work inspired by effective customer service strategies used by businesses These are unique technology solutions based on digital libraries portals e mail notifications and database interfaces to the web to solve everyday public library problems

**Design, Development, and Management of**

**Resources for Digital Library Services** Ashraf, Tariq, Gulati, Puja Anand, 2012-11-30 This book offers a global perspective on the development and design of a digital library and highlights its benefits over a traditional library Provided by publisher

**Fundamentals of Technical Services Management** Sheila S. Intner, Peggy Johnson, 2008 The processes for acquiring cataloging and preserving resources have undergone dramatic changes in the past decade and library technical services departments have had to evolve quickly in response Often librarians asked to take on technical services management roles find themselves both underprepared and without guidance from their institutions P 4 of cover

**Outstanding Library Service to Children** Rosanne Cerny, Penny Markey, Amanda Williams, 2006-07-17 This book is a companion to Competencies for librarians serving children in public libraries 1999 Introd

**Workplace Culture in Academic Libraries** Kelly Blessinger, Paul Hrycaj, 2013-02-11 Workplace culture refers to conditions that collectively influence the work atmosphere These can include policies norms and unwritten standards for behavior This book focuses on various aspects of workplace culture in academic libraries from the practitioners viewpoint as opposed to that of the theoretician The book asks the following questions What conditions contribute to an excellent academic library work environment What helps to make a particular academic library a great place to work Articles focus on actual programs while placing the discussion in a scholarly context The book is structured into 14 chapters covering various aspects of workplace culture in academic libraries including overview of workplace culture assessment recruitment acclimation for new librarians workforce diversity physical environment staff morale interaction between departments tenure track academic culture mentoring coaching generational differences motivation incentives complaints conflict management and organizational transparency Includes the most current best practices and models in academic libraries Represents the viewpoints of both the employee and manager Focuses on the academic library as workplace rather than as a service provider

**Library and Information Science** Michael

Bemis, 2014-03-03 This unique annotated bibliography is a complete up to date guide to sources of information on library science covering recent books monographs periodicals and websites and selected works of historical importance

**Adult and Continuing Education: Concepts, Methodologies, Tools, and Applications** Management Association, Information

Resources,2014-03-31 Beyond the undergraduate and graduate levels education has traditionally ceased when students enter the workforce as professionals in their respective fields However recent trends in education have found that adult students beyond the traditional university age often benefit greatly from returning to further their education Adult and Continuing Education Concepts Methodologies Tools and Applications investigates some of the most promising trends in furthering education and professional development in a variety of settings and industries With an extensive array of chapters on topics ranging from non traditional students to online and distance education for adult learners this multi volume reference book will provide students educators and industry professionals with the tools necessary to make the most of their return to the classroom Revolutionizing the Development of Library and Information Professionals: Planning for the Future Hines,

Samantha Schmehl,2013-10-31 As more associations struggle with limited professional development funding the opportunities for library and information experts to advance their skills are being examined in a more effective and cost efficient manner Revolutionizing the Development of Library and Information Professionals Planning for the Future examines the future of library professional development by investigating the aspects that make these development events worthwhile This book is essential for library association personnel educational institutions and management personnel in large library systems to aid in determining future trends in professional development opportunities for their staff Digital Dilemmas and Solutions Peter Limb,2004-02-28 Today all librarians face daunting challenges posed by trends in technology publishing and education as the impact of a globalising information economy forces a rethink of both library strategic directions and everyday library operations This book brings together the main issues and dilemmas facing libraries the book clearly shows how to deal with them and provides a best practice guide to the solutions Provides analysis of recent trends and relevant and viable solutions to problems facing all librarians Written by a highly knowledgeable and well respected practitioner in the field Draws on the author s international and practical experience in libraries and experience of leading edge developments in the field Motivation ,2001-02 American Reference Books Annual Bohdan S. Wynar,2005 1970 issued in 2 vols v 1
