Feldman,2009-08-03 In *The Liar in Your Life* psychology professor Robert Feldman one of the world s leading authorities on deception draws on his immense body of knowledge to give fresh insights into how and why we lie how our culture has become increasingly tolerant of deception the cost it exacts on us and what to do about it His work is at once surprising and sobering full of corrections for common myths and explanations of pervasive oversimplifications Feldman examines marital infidelity little white lies career driven resum lies and how we teach children to lie Along the way he reveals despite our beliefs to the contrary how it is nearly impossible to spot a liar studies have shown no relationship between nervousness lack of eye contact or a trembling voice and acts of deception He also provides startling evidence of just how integral lying is to our culture indeed his research shows that two people meeting for the first time will lie to each other an average of three times in the first ten minutes of a conversation Feldman uses this discussion of deception to explore ways we can cope with infidelity betrayal and mistrust in our friends and family He also describes the lies we tell ourselves Sometimes the liar in

your life is the person you see in the mirror With incisive clarity and wry wit Feldman has written a truthful book for anyone who whose life has been touched by deception American Book Publishing Record ,2002 **Love and Freedom** Jorge N. Ferrer,2021-06-24 In Love and Freedom Jorge Ferrer proposes a paradigm shift in how romantic relationships are conceptualized a step forward in the evolution of modern relationships In the same way that the transgender movement surmounted the gender binary Ferrer defines how a parallel step can and should be taken with the relational style binary This book offers the first systematic discussion of relationship modes beyond monogamy and polyamory as well as introduces the notion of relational freedom as the capability to choose one s relational style free from biological psychological and sociocultural conditionings To achieve these goals Ferrer first discusses a number of critical categories specifically monoprude polyphobia and polypride monophobia that mediate the contemporary mono poly wars that is the predicament of mutual competition among monogamists and polyamorists The ideological nature of these mono poly wars is demonstrated through a review of available empirical literature on the psychological health and relationship quality of monogamous and polyamorous individuals and couples Then after showing how monogamy and polyamory ultimately reinforce each other Ferrer articulates three relational pathways to living in between through and beyond the mono poly binary fluidity hybridity and transcendence Moving beyond that binary opens a fuzzy liminal and multivocal relational space that Ferrer calls novogamy In this groundbreaking book readers will learn practical tools to not only transform jealousy but also enhance their relational freedom while being aware of key issues of diversity and social justice They will also learn novel criteria to evaluate the success of their intimate relationships and be introduced to a transformed vision of romantic love beyond both monocentrism and emerging polynormativities **Emotional Infidelity in the Church** Ibidun B. Daramola,2021-01-30 What are the signs that your relationship with a disciple or a counselee has crossed boundaries and you are now living in sin What can be done to avoid or overcome a difficult relationship How can you safeguard your marriage and home from the problems of emotional infidelity This book which is meant for ministers and leaders of the Church attempts to address these questions The primary aim of the book is to create awareness and address the problem of emotional infidelity in the Church It is a result of years of counselling and working with families in African and Western communities While the book focusses on common practices within the African setting the issues discussed cut across communities for emotional infidelity is a common problem of communities in general The principles and practices of the Church should guard against relationships outside the marriage Unfortunately emotional infidelity has found its way into the Church community This form of sin is easy to hide It may also appear safe because it is not physical But it is a sin that can destroy marriages and cause friction between couples Therefore there is a need to put in place safeguarding measures and policies that would protect Christian homes This is what the book explores in a structured manner using anecdotes examples and data **In Good Times and Bad** M. Gary Neuman,Melisa Neuman,2009-09-17 How to maintain a strong marriage no matter what comes your way Now more than

ever couples are facing tough times that can impact on even the strongest of marriages In *In Good Times and Bad* family counselor and relationships expert M Gary Neuman and his wife Melisa take a look at one of the biggest issues couples face money management and give you the tools you need to deal with whatever financial challenges come your way The Neumans explain why it is so important to talk about money in your marriage and offer strategies on how to discuss this often avoided topic No matter what your age or how long you've been together *In Good Times and Bad* will teach you how to come together when it matters most Learn what money means to you and how to strengthen your marriage even during challenging times Includes strategies for dealing with other tough times such as grieving or serious illness From the author of the New York Times bestseller *The Truth about Cheating* *In Good Times and Bad* is the tool you need to ensure your relationship remains strong through all of life's ups and downs

The Truth about Cheating M. Gary Neuman, 2008-07-28 The New York Times bestselling look at the real reasons for male marital infidelity and what might prevent it Few events cause as much turmoil in a marriage as infidelity It can shatter trust and breed insecurity and resentment from which some relationships never recover People who think it won't happen to them are hit that much harder when it does Why are men unfaithful Can infidelity be prevented What do men say they're getting from their mistresses that they're missing at home Do a man's friends have anything to do with his willingness to cheat In this New York Times bestselling book experienced family counselor M Gary Neuman shares the revealing and surprising findings of a cutting edge research study in which he interviewed men across the country who have physically cheated on their wives Neuman shares many shocking discoveries including the prominent role of emotional dissatisfaction in motivating husbands who stray and how small a role sexual dissatisfaction plays Based on a groundbreaking study of both cheating men and men who have

remained faithful Reveals surprising findings on the contribution of sexual and emotional dissatisfaction to male infidelity Written by experienced family counselor M Gary Neuman coauthor of In Good Times and Bad and author of Emotional Infidelity Neuman and The Truth about Cheating were featured twice on The Oprah Winfrey Show Drawing on dramatic case stories of the author s own work with clients The Truth about Cheating includes proactive strategies and action steps for married women to help them prevent infidelity and create a faithful and rewarding marriage **Connect to Love** M. Gary Neuman,2010-12-03 In their own voices women show how to strengthen your relationship with surprising revelations from New York Times bestselling author Gary Neuman This breakthrough book based on the voices of real women from all walks of life and groundbreaking new research shows couples how to grow stronger by understanding what women need from a romantic relationship In Connect to Love family counselor and relationships expert M Gary Neuman explores the problems that women face in their marriages or relationships that might make them dissatisfied with their partners or willing to stray Neuman reveals the startling discoveries he made through his in depth new research of more than five hundred women When it comes to sexual intimacy for instance wives who are satisfied with their marriages have sex more than twice as frequently than those who are dissatisfied Includes a step by step two week plan to improve your relationship Filled with dramatic personal stories and surprising findings on sex emotional issues intimacy communication and more From the author of the New York Times bestseller The Truth about Cheating Neuman has been a frequent guest on Oprah Today and other major TV shows Written for couples while addressing both female and male issues Written with a compassionate and down to earth tone Connect to Love will open your eyes to see relationships in a new way while empowering yourself and your partner for change *Understanding Non-Monogamies* Meg Barker,Darren Langdridge,2010-02-02 This volume gathers contributions from academics activists and practitioners to explore the intricacies of non monogamous relationships Featuring both empirical and theoretical pieces contributors examine the history and cultural basis of non monogamy psychological understandings of relationship patterns language and emotion mono normativity and issues of race class disability sexuality and gender **The Publishers Weekly** ,2006 [Riding the Wave of the Sting of Infidelity in a Marriage](#) Dr Anniekie Ravhudzulo,2012-01-23 Marriage is under tremendous assault as never before Will marriage survive Can it survive Infi delity is exploding but why In most cultures infi delity has become a major part of entertainment We all see it in popular television programs and movies Infi delity to some is enjoyment and pleasure Some men think if they are not slipping and cheating they are not being real men Some individuals grew up in environments where cheating is a way of life Some women think life is boring without the excitement of an outside affair In spite of the reasons God to His creation says No to infi delity Become the good husband or wife you would like your spouse to be Life has taught me that men and women get involved in an extramarital affair for many different reasons Sometimes when you are unsatisfi ed with your relationship you start to think What is available out there In a way it is an escape people feel like they want to be out from the burden in

their marriages Grass is greener on the other side and so it seems I have seen many starting to flirt with others innocently at first They start to THINK of what ifs situations such as what if Im married to this friend of mine Many people forget that slowly they bring themselves into an extramarital affair and become trapped to another crisis Let me remind you that trust is like a balloon One pricks it is gone The fear of broken promises cheating or betrayal can reduce the quality of your marriage Marriage is a challenging an enterprise that requires hard work determination and discipline Creating a strong and satisfying marriage is possible and it is definitely worth the effort Recovery after infidelity is not an easy path but if others could pull through so can you

The Secret Life of Secrets Michael Slepian, 2022-06-07 If you've ever wondered why we keep secrets and what motivates us to spill them look no further Michael Slepian has spent the past decade studying the psychology of secrets and is ready to reveal his findings to the world Adam Grant 1 New York Times bestselling author of Think Again The Secret Life of Secrets gracefully blends engaging stories with compelling science Sonja Lyubomirsky University of California professor and author of The How of Happiness Think of a secret that you're keeping from others It shouldn't take long behavioral scientist Michael Slepian finds that on average we are keeping as many as thirteen secrets at any given time His research involving more than 50 000 participants from around the world shows that the most common secrets include lies we've told ambitions addictions mental health challenges hidden relationships and financial struggles Our secrets can weigh heavily upon us Yet the burden of secrecy Slepian argues rarely stems from the work it takes to keep a secret hidden Rather the weight of our secrets comes from carrying them alone without the support of others Whether we are motivated to protect our reputation a relationship a loved one's feelings or some personal or professional goal one thing is clear Holding back some part of our inner world is often lonely and isolating But The Secret Life of Secrets shows you that it doesn't have to be Filled with fresh insight into one of the most universal yet least understood aspects of human behavior The Secret Life of Secrets sheds a fascinating new light on questions like At what age do children develop the cognitive capacity for secrecy Do all secrets come with the same mental load How can we reconcile our secrets with our human desires to relate connect and be known When should we confess our secrets Who makes for the ideal confidant And can keeping certain types of secrets actually enhance our well being Drawing on over a decade of original research The Secret Life of Secrets reveals the surprising ways that secrets pervade our lives and offers science based strategies that make them easier to live with The result is a rare window into the inner workings of our minds our relationships and our sense of who we are
