John Breuilly

Empire And Aftermath Yoshida Shigeru And The Japanese Experience 1878 1954:

Empire and Aftermath J.W. Dower, 2020-03-31 This is a detailed biography of Japan's Postwar prime minister John Dower is one of the preminent historians of modern Japan *Empire and Aftermath* John W. Dower, 1988 This detailed biography of Japan's Postwar prime minister has had a favorable reception in the United States and has sold widely in translation in Japan

The Korean Diaspora in Post War Japan Myung Ja Kim, 2017-05-30 The indistinct status of the Zainichi has meant that since the late 1940s two ethnic Korean associations the Chongryun pro North and the Mindan pro South have been vying for political loyalty from the Zainichi with both groups initially opposing their assimilation in Japan Unlike the Korean diasporas living in Russia China or the US the Zainichi have become sharply divided along political lines as a result Myung Ja Kim examines Japan's changing national policies towards the Zainichi in order to understand why this group has not been fully integrated into Japan Through the prism of this ethnically Korean community the book reveals the dynamics of alliances and alignments in East Asia including the rise of China as an economic superpower the security threat posed by North Korea and the diminishing alliance between Japan and the US Taking a post war historical perspective the research reveals why the Zainichi are vital to Japan's state policy revisionist aims to increase its power internationally and how they were used to increase the country's geopolitical leverage With a focus on International Relations this book provides an important analysis of the mechanisms that lie behind nation building policy showing the conditions controlling a host state's treatment of diasporic groups

The Prime Ministers of Postwar Japan, 1945-1995 Akio Watanabe, 2016-04-29 This book examines the lives and times of Japan's postwar prime ministers covering the period from 1945 to 1995 Written by Japan's leading scholars it is the first English language biographical portrait of these twenty three individuals who helped lead Japan on its road to recovery its return to the community of nations and its subsequent prosperity Each chapter brings out to varying degrees the larger political and historical environment party dynamics and personality traits of the prime ministers In addition the book discusses not only the policy choices the prime ministers made but how those decisions were made and what the consequences were for the country ruling party and the individual who made them *The Prime Ministers of Postwar Japan 1945 1995* fills a large void in the literature on postwar Japan by introducing the actual people who made the decisions during these important years rather than simply discussing the theories and institutions in which those decisions were made

The History of Anglo-Japanese Relations, 1600-2000 I. Nish, Y. Kibata, 2000-09-28 Volume II in this series of five volumes deals with relations between Japan and Britain in the poetical diplomatic sphere from 1931 to the present day From the political diplomatic standpoint it discusses the deteriorating relationship of the 1930s and leads on to the development of increasingly healthy postwar relations The book consists of parallel essays from Japanese and British academic specialists

The Rise of Modern Japan Linda K. Menton, 2003-01-01 Graphs charts photographs maps and timelines enhance a history of modern Japan

Japan's Defense Policy and Bureaucratic Politics, 1976-2007 Takao

Sebata,2010-06-05 It is a well known fact that Japan spends only a small percentage of her gross national product on defense What is not well known however is the fact that Japan s defense budget ranks among the top in the world and that her self defense forces are considered to be amongst the best conventional armed forces in the world Since empirical studies concerning Japan s military expansion are rare both in Japanese and English the book takes up this neglected area It examines Japan s military expansion and the decision making of her defense policy between 1976 and 2007 focusing on the National Defense Program outline and the guidelines for United States Japan Defense Cooperation This book deals with how the bureaucratic politics model applies to the case of Japan s defense policy and demonstrates some similarities and differences between Japanese and United States decision making **Japanese Diplomacy in the 1950s** Makoto Iokibe,Caroline Rose,Junko Tomaru,John Weste,2008-02-19 This book provides a detailed examination of Japan s diplomatic relations in the 1950s an important decade in international affairs when new structures and systems emerged and when Japan established patterns in its international relationships which continue today It examines the process of Japan s attempts to rehabilitate itself and reintegrate into a changing world and the degree of success to which Japan achieved its goals in the political economic and security spheres The book is divided into three parts each containing three chapters Part I looks at Japan in the eyes of the Anglo American powers Part II at Japanese efforts to gain membership of newly forming regional and international organizations and Part III considers the role of domestic factors in Japanese foreign policy making Important issues are considered including Japanese rearmament and the struggle to gain entry into the United Nations In contrast to much of the academic literature on post war Japanese diplomacy generally presenting Japan as a passive actor of little relevance or importance this book shows that Japan did not simply sit passively by but formed and attempted to instigate its own visions into the evolving regional and global structures It also shows that whilst Japan did not always figure as highly as its politicians and policy makers may have liked in the foreign policy considerations of other nation states many countries and organizations did attach a great deal of importance to re building relations with Japan throughout this period of re adjustment and transformation **The War Against Japan, 1941-1945** John J. Sbrega,2015-06-12 With over 5 200 entries this volume remains one of the most extensive annotated bibliographies on the USA s fight against Japan in the Second World War Including books articles and de classified documents up to the end of 1987 the book is organized into six categories Part 1 presents reference works including encyclopedias pictorial accounts military histories East Asian histories hisotoriographies Part 2 covers diplomatic political aspects of the war against Japan Part 3 contains sources on the economic and legal aspects of the war against Japan Part 4 presents sources on the military apsects of the war embracing land air and sea forces Religious aspects of the war are covered in Part 5 and Part 6 deals with the social and cultural aspects including substantial sections on the treatment of Japanese minorities in the USA Hawaii Canada and Peru **Modern Japan** Elise K. Tipton,2002 Ranging from the Tokugwa period to the present day this text provides a concise and fascinating introduction to

the social cultural and political history of modern Japan Tipton covers political and economic developments and shows how they relate to social themes and developments Her survey covers traditional political history as well as areas growing in interest gender issues labor conditions and ethnic minorities

Governing Japan J. A. A. Stockwin, 2008-04-07 This fourth edition provides an in depth up to date chronological analysis of Japan s current political system and the contributions of its leaders It emphasizes why Japan and its politics matters in a global society Ideal for college courses on Japanese or comparative politics as well as for those interested in Japanese war memory constitutional revision and Japan s relationship with the US China and North and South Korea Investigates the divided aspects existing below the veneer of consensus in Japanese politics Explores conflicts between power hungry political groups as well as fundamental differences regarding Japan s constitution the interpretation of Japanese actions in the Asia Pacific War and Japan s place in today s world Advocates a system that readily permits changes of party in power for the present system dominated by the Liberal Democratic Party Examines the extreme statements of high profile politicians to determine whether a nationalist resurgence in Japan is real or not Sheds light on the official incompetence and the spectacular rise of civil society following the Kobe earthquake Features numerous Japanese sources

The United States and Japan in the Postwar World Akira Iriye, Warren I. Cohen, 2021-05-11 A major phenomenon in the post World War II world is the rise of Japan as a leading international economic and industrial power This advance began with American aid in rebuilding the nation after the war but it has now seen Japan rival and even outstrip the United States on several fronts The relations between the two powers and the impact that they have on economic and political factors during the postwar years are the focus of this important book The editors Akira Iriye and Warren I Cohen themselves noted authorities on Asian affairs have gathered here contributions from a distinguished group of American and Japanese scholars The resulting collection represents a unique blend of viewpoints from each side of the American Japanese relationship

Crossing Empire's Edge Erik Esselstrom, 2020-02-29 For more than half a century the Japanese Ministry of Foreign Affairs Gaimusho possessed an independent police force that operated within the space of Japan s informal empire on the Asian continent Charged with protecting and controlling local Japanese communities first in Korea and later in China these consular police played a critical role in facilitating Japanese imperial expansion during the late nineteenth and twentieth centuries Remarkably however this police force remains largely unknown Crossing Empire s Edge is the first book in English to reveal its complex history Based on extensive analysis of both archival and recently published Japanese sources Erik Esselstrom describes how the Gaimusho police became deeply involved in the surveillance and suppression of the Korean independence movement in exile throughout Chinese treaty ports and the Manchurian frontier during the 1920s and 1930s It had in fact evolved over the years from a relatively benign public security organization into a full fledged political intelligence apparatus devoted to apprehending purveyors of dangerous thought throughout the empire Furthermore the history of consular police operations indicates that ideological crime was a borderless security problem

Gaimusho police worked closely with colonial and metropolitan Japanese police forces to target Chinese Korean and Japanese suspects alike from Shanghai to Seoul to Tokyo Esselstrom thus offers a nuanced interpretation of Japanese expansionism by highlighting the transnational links between consular colonial and metropolitan policing of subversive political movements during the prewar and wartime eras In addition by illuminating the fervor with which consular police often pressed for unilateral solutions to Japan s political security crises on the continent he challenges orthodox understandings of the relationship between civil and military institutions within the imperial Japanese state While historians often still depict the Gaimusho as an inhibitor of unilateral military expansionism during the first half of the twentieth century Esselstrom s expos on the activities and ideology of the consular police dramatically challenges this narrative Revealing a far greater complexity of motivation behind the Japanese colonial mission Crossing Empire s Edge boldly illustrates how the imperial Japanese state viewed political security at home as inextricably connected to political security abroad from as early as 1919 nearly a decade before overt military aggression began and approaches northeast Asia as a region of intricate and dynamic social economic and political forces In doing so Crossing Empire s Edge inspires new ways of thinking about both modern Japanese history and the modern history of Japan in East Asia

Curse on This Country Danny Orbach, 2017-02-14 Imperial Japanese soldiers were notorious for blindly following orders and their enemies in the Pacific War derided them as cattle to the slaughter But in fact the Japanese Army had a long history as one of the most disobedient armies in the world Officers repeatedly staged coups d tats violent insurrections and political assassinations their associates defied orders given by both the government and the general staff launched independent military operations against other countries and in two notorious cases conspired to assassinate foreign leaders despite direct orders to the contrary In Curse on This Country Danny Orbach explains the culture of rebellion in the Japanese armed forces It was a culture created by a series of seemingly innocent decisions each reasonable in its own right which led to a gradual weakening of Japanese government control over its army and navy The consequences were dire as the armed forces dragged the government into more and more of China across the 1930s a culture of rebellion that made the Pacific War possible Orbach argues that brazen defiance rather than blind obedience was the motive force of modern Japanese history Curse on This Country follows a series of dramatic events assassinations in the dark corners of Tokyo the famous rebellion of Saig Takamori the accidental invasion of Taiwan the Japanese ambassador s plot to murder the queen of Korea and the military political crisis in which the Japanese prime minister changed colors Finally through the sinister plots of the clandestine Cherry Blossom Society we follow the deterioration of Japan into chaos fascism and world war

The Cambridge History of Japan John Whitney Hall, 1988 This comprehensive work surveys the historical events and developments in Japan s polity economy society and culture

The Oxford Handbook of the History of Nationalism John Breuilly, 2013-03-07 The Oxford Handbook of the History of Nationalism comprises thirty six essays by an international team of leading scholars providing a global coverage of the

history of nationalism in its different aspects ideas sentiments and politics Every chapter takes the form of an interpretative essay which by a combination of thematic focus comparison and regional perspective enables the reader to understand nationalism as a distinct and global historical subject The book covers the emergence of nationalist ideas sentiments and cultural movements before the formation of a world of nation states as well as nationalist politics before and after the era of the nation state with chapters covering Europe the Middle East North East Asia South Asia Southeast Asia sub Saharan Africa and the Americas Essays on everyday national sentiment and race ideas in fascism are accompanied by chapters on nationalist movements opposed to existing nation states nationalism and international relations and the role of external intervention into nationalist disputes within states In addition the book looks at the major challenges to nationalism international socialism religion pan nationalism and globalization before a final section considering how historians have approached the subject of nationalism Taken separately the chapters in this Handbook will deepen understanding of nationalism in particular times and places taken together they will enable the reader to see nationalism as a distinct subject in modern world history

Democracy in Occupied Japan Mark E. Caprio, Yoneyuki Sugita, 2007-03-06 With expert contributions from both the US and Japan this book examines the legacies of the US Occupation on Japanese politics and society and discusses the long term impact of the Occupation on contemporary Japan Focusing on two central themes democracy and the interplay of US initiated reforms and Japan's endogenous drive for democratization and social justice the contributors address key questions How did the US authorities and the Japanese people define democracy To what extent did America impose their notions of democracy on Japan How far did the Japanese pursue impulses toward reform rooted in their own history and values Which reforms were readily accepted and internalized and which were ultimately subverted by the Japanese as impositions from outside These questions are tackled by exploring the dynamics of the reform process from the three perspectives of innovation continuity and compromise specifically determining the effect that this period made to Japanese social economic and political understanding Critically examines previously unexplored issues that influenced postwar Japan such as the effect of labour and healthcare legislation textbook revision and minority policy Illuminating contemporary Japan its achievements its potential and its quandaries this book will appeal to students and scholars of Japanese US relations Japanese history and Japanese politics

Creating Japan's Ground Self-Defense Force, 1945-2015 David Hunter-Chester, 2016-11-30 Creating Japan's Ground Self Defense Force 1945 2015 is a timely contribution to postwar Japan security studies It is the first comprehensive account of Japan's post 1945 army including a comprehensive institutional history together with the evolution of roles and missions and the adoption of successive professional identities The organizational history is embedded within a thorough examination of Japan's own defense policy as well as of America's policy of alliance with Japan The book examines and challenges assumptions about the drafting and adoption of the War Renunciation clause of Japan's postwar Peace Constitution Article 9 which uniquely not only renounces

war but the arms to wage war Thus Japan s army is not called an army but the Ground Self Defense Force GSDF The work also examines the place of an army and soldiers in the formation of Japan s national identity after its last devastating war and explores the impact of constitutional legal and policy restrictions as well as the power of the legacy of the still largely vilified Imperial Japanese Army on GSDF members who seek to serve because there are people we want to protect The study is rounded by an examination of the place of soldiers in Japan s popular culture focused on movies manga and anime assessing the impact on the GSDF of a public imagination that most often ignores or villainizes soldiers though ending with a note that some positive images of soldiers and of the GSDF members themselves have started to appear in the last few years The book s author a retired U S Army soldier who spent more than twenty years working studying and training with the GSDF offers a broad ranging exploration of a unique organization This work is extensively researched using English and Japanese sources and will appeal to anyone interested in Japanese security studies alliance studies and military imagery in Japanese pop culture as well as to students of military history international security international relations and cultural identity **China and Japan** Ezra F. Vogel, 2019-07-30 A Financial Times Summer Books Selection Will become required reading Times Literary Supplement Elegantly written with a confidence that comes from decades of deep research on the topic illustrating how influence and power have waxed and waned between the two countries Rana Mitter Financial Times China and Japan have cultural and political connections that stretch back fifteen hundred years but today their relationship is strained China s military buildup deeply worries Japan while Japan s brutal occupation of China in World War II remains an open wound In recent years both countries have insisted that the other side must openly address the flashpoints of the past before relations can improve Boldly tackling the most contentious chapters in this long and tangled relationship Ezra Vogel uses the tools of a master historian to examine key turning points in Sino Japanese history Gracefully pivoting from past to present he argues that for the sake of a stable world order these two Asian giants must reset their relationship A sweeping often fascinating account Impressively researched and smoothly written Japan Times Vogel uses the powerful lens of the past to frame contemporary Chinese Japanese relations He suggests that over the centuries across both the imperial and the modern eras friction has always dominated their relations Sheila A Smith Foreign Affairs *Embracing Defeat* John W. Dower, 2012-05-28 Winner of the Pulitzer Prize and the National Book Award for Nonfiction Finalist for the Lionel Gelber Prize and the Kiriya Pacific Rim Book Prize *Embracing Defeat* is John W Dower s brilliant examination of Japan in the immediate shattering aftermath of World War II Drawing on a vast range of Japanese sources and illustrated with dozens of astonishing documentary photographs *Embracing Defeat* is the fullest and most important history of the more than six years of American occupation which affected every level of Japanese society often in ways neither side could anticipate Dower whom Stephen E Ambrose has called America s foremost historian of the Second World War in the Pacific gives us the rich and turbulent interplay between West and East the victor and the vanquished in a way never before attempted from top level manipulations

concerning the fate of Emperor Hirohito to the hopes and fears of men and women in every walk of life Already regarded as the benchmark in its field Embracing Defeat is a work of colossal scholarship and history of the very first order

Empire And Aftermath Yoshida Shigeru And The Japanese Experience 1878 1954 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Empire And Aftermath Yoshida Shigeru And The Japanese Experience 1878 1954 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Empire And Aftermath Yoshida Shigeru And The Japanese Experience 1878 1954 has opened up a world of possibilities. Downloading Empire And Aftermath Yoshida Shigeru And The Japanese Experience 1878 1954 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Empire And Aftermath Yoshida Shigeru And The Japanese Experience 1878 1954 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Empire And Aftermath Yoshida Shigeru And The Japanese Experience 1878 1954. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Empire And Aftermath Yoshida Shigeru And The Japanese Experience 1878 1954. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Empire And Aftermath Yoshida Shigeru And The Japanese

Experience 1878 1954, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Empire And Aftermath Yoshida Shigeru And The Japanese Experience 1878 1954 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Empire And Aftermath Yoshida Shigeru And The Japanese Experience 1878 1954 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
