Meghan Ciana Doidge,2022-04-19 I had new cupcakes to bake a new treasure to hunt and a new dragon in town literally Who wouldn't be ecstatic filling their days with chocolate trinket collecting and martial arts training Yeah me Because no matter how much chocolate I ate I couldn't fill the dark pit in my soul A darkness born from blood alchemy A darkness that reeked of the black magic I now knew I was capable of creating Maybe it was time to walk away But what if there were important things left to do What if I was the only one who could do what needed to be done I wasn't sure I could handle the responsibility but as long as I had my chocolate stash and a good friend to back me up I was willing to give it a try *Shadows Maps and Other Ancient Magic* is the fourth book in the Dowser series which is set in the same universe as the Oracle Reconstructionist Amplifier Archivist and Misfits of the Adept Universe series While it is not necessary to read all the series in order to avoid spoilers the ideal reading order of the Adept Universe begins with Cupcakes Trinkets and Other Deadly Magic Dowser 1 **Merchants Record and Show Window** ,1928 *Thieves of Baghdad* Matthew Bogdanos,2008-12-09

Howard Behar,2016-03-29 We all love the fairy tales we grew up on creating a world in which good always wins over evil where those whose hearts are true and who do the right thing come out on top But grown up competition for success is rough even cutthroat and we've often heard that nice guys finish last Not according to Howard Behar whose career as one of the three leaders who built the Starbucks organization most definitely proves that nice guys finish first In *THE MAGIC CUP* Behar spins an engaging corporate tale to teach us exactly how we can do the same thing The story revolves around Vince Steadfast the newly named CEO of imaginary manufacturer Verity Glassworks which has fallen on difficult times Vince is hired to help the once iconic company return to its glory days and he brings with him a parting gift from his mentor and former boss a stunning crystal coffee cup from Verity's halcyon days The cup turns out to be magic truly and helps him come to understand and reinvigorate the values that Verity has misplaced along the way As Vince and his new team make their way to and through many challenges including the aptly named Worthy Way Perilous Passage and Arduous Stair the cup fills with a gold elixir and the universal truths that they learn to embrace such as Responsibility Forgiveness and Courage magically become engraved in the glass In the tradition of great parable writers throughout history Behar quickly involves us in an engrossing fantasy continually challenging us to compare each situation with our own real life experiences The story of *THE MAGIC CUP* helps each of us discover that only by acting on sound moral principles can we fill our own cups with the

midnight as he closed the leather bound journal containing his latest case notes The rain drummed steadily against the tall windows of his Baker Street flat and the fire in the hearth had dwindled to glowing embers He was about to retire for the evening when an urgent knocking echoed through his chambers Thornfield set down his brandy snifter and approached the door with measured steps Years of investigating London s most peculiar cases had taught him to expect the unexpected particularly at such ungodly hours He opened the door to find a young woman in a dark blue traveling cloak her auburn hair disheveled and her green eyes wide with terror Detective Inspector Thornfield she asked her voice trembling I am Miss Cordelia Blackwood I desperately need your assistance Something unnatural has happened at Ravenscroft Manor Thornfield had heard whispers of the Blackwood family in certain circles those who dabbled in matters beyond the realm of ordinary police work The family was rumored to possess an extensive library of arcane knowledge passed down through generations of scholars and mystics He gestured for her to enter noting the faint luminescence that seemed to emanate from a pendant around her neck Please sit by the fire he said stoking the coals back to life Tell me what has brought you to my door at this hour Miss Blackwood settled into the wingback chair pulling her cloak tighter around her shoulders My uncle Professor Edmund Blackwood has vanished under the most extraordinary circumstances He was conducting research in our family s private study when I heard him cry out When I reached the room I found it filled with an otherworldly mist and Uncle Edmund was simply gone There were no windows open no other exits and the door had been locked from the inside
