Burdick,Maurice Kenny,2013 The Adirondacks have been written about since they were first spied by Europeans more than five hundred years ago Yet for most of the intervening centuries few of those writers lived in the region of which they wrote they were not part of the landscape That has changed in recent years as writers have moved to the Adirondacks and formed a literary community Perhaps inspired by these writers longtime residents have discovered that they too could be part of such a community From scratching out a living in the harsh landscape to the wonders of a moonlit cross country ski these writers celebrate life in the Adirondacks In this remarkable collection of essays the experiences of Adirondack natives are interwoven with the land in a part of America that is both demanding and rewarding *The Empty Nest The Second Time Around* Ejay Wyndesh,2006-11 In a series of heartwarming essays author Ejay Wyndesh shares the wisdom and perspective gleaned from her early childhood through her senior citizen years to encourage women who suffer from empty nest syndrome Follow Wyndesh through her various experiences from growing up with immigrant grandparents to the angst of adolescence and from being a mother to being a great grandmother Each stage of her life shaped her in a different way and Wyndesh artfully expresses these changes in *The Empty Nest the Second Time Around* At the heart of Wyndesh s journey is her appreciation of previous generations traditions and loyalties Decades of heartwarming family oriented experiences provide a realistic background for Wyndesh s essays Through her prose she teaches upcoming generations that loving and honoring family is fun work and that dedicating yourself and your life to obeying and serving God will strengthen your family tree s branches for the future But it s also important to recognize your progress through the years and how each new level changes your perspective If you re feeling depressed by your empty nest take a moment to ponder Wyndesh s uplifting insights They ll inspire you to cherish your family memories and pass them on to future generations Short Carries Elizabeth Folwell,2009 No bookshelf is complete without this new collection of timeless observations of Adirondack nature community and history
