## **Reclaiming Our Prodigal Sons and Daughters Scott Larson, Larry K.**

Brendtro, 2000 Reclaiming our prodigal sons and daughters offers a penetrating portrayal of the rootlessness of many of today's youth and a powerful four step plan for reaching them The unique feature of this book is its accent on the spiritual dimension of contemporary youth problems and on the role that members of faith communities can play in reclaiming youth in conflict

**Marketing 101** Susan Rovezzi Carroll, David J. Carroll, 2011-05-16 Marketing 101 How Smart Schools Get and Keep Community Support is a compact practical handbook created to guide educators in the application of marketing

strategies that get results For many years marketing has been implemented in school settings with a fragmented piecemeal approach only to have disappointing and sometimes expensive results This book will introduce educators to sound marketing principles and action steps Full of descriptive concrete examples the information is easy to adapt to any educational setting as a workhorse to capture and retain community support The years ahead forecast challenging demographics savvy consumers and high expectation stakeholders Susan and David Carroll detail how to interpret demographic trends assess your image in the community groom your staff as ambassadors select and use marketing communications tools correctly pass your budgets and other strategic marketing steps for immediate use and success This book is essential to educators who want their schools to be aligned with the community they serve How Smart Schools Get and Keep Community Support Susan Rovezzi Carroll, David J. Carroll, 1994-01-01

**Educational Marketing** John H. Holcomb, 1993 The American public school system is the biggest business in the world Too frequently the schools are still thought of as the little red schoolhouse and are marketed to their many and varied clients as such This book provides a method by which students of teaching and learning school board members superintendents of schools school principals state and federal lawmakers educational agencies at all levels might use some of the private sector ideas to effectively and efficiently market their products to the right consumers Holcomb discusses education as a product as well as a service It can be measured evaluated weighed verbalized packaged and marketed Used here marketing is simply the exchange of money goods or services for other money goods or services With his extensive experience in educational services the author offers much to help the public school system

**School, Family, and Community Partnerships** Joyce L. Epstein, Mavis G. Sanders, Steven B. Sheldon, Beth S. Simon, Karen Clark Salinas, Natalie Rodriguez Jansorn, Frances L. Van Voorhis, Cecelia S. Martin, Brenda G. Thomas, Marsha D. Greenfeld, Darcy J. Hutchins, Kenyatta J. Williams, 2018-07-19 Strengthen family and community engagement to promote equity and increase student success When schools families and communities collaborate and share responsibility for students education more students succeed in school Based on 30 years of research and fieldwork this fourth edition of a bestseller provides tools and guidelines to use to develop more effective and equitable programs of family and community engagement Written by a team of well known experts this foundational text demonstrates a proven approach to implement and sustain inclusive goal oriented programs Readers will find Many examples and vignettes Rubrics and checklists for implementation of plans CD ROM complete with slides and notes for workshop presentations

*Building School-Community Partnerships* Mavis G. Sanders, 2015-03-17 This current era of high stakes testing accountability and shrinking educational budgets demands that schools seek bold and innovative ways to build strong learning environments for all students Community involvement is a powerful tool in generating resources that are essential for educational excellence Building School Community Partnerships Collaboration for Student Success emphasizes the importance of community involvement for effective school functioning student support and well being and community health and development This sharp insightful

book serves as an excellent resource for educators seeking to establish school community partnerships to achieve goals for their schools and the students families and communities they serve Schools can collaborate with a wide variety of community partners to obtain the resources they need to achieve important goals for students learning Some of these partners may include Businesses and corporations Universities and other institutions of higher learning National and local volunteer organizations Social service agencies and health partners Faith based organizations and institutions Work successfully with community partners to improve school programs and curricula strengthen families and expand your students learning experiences

Smart Schools David Perkins,2008-06-30 Perkins reveals the common misguided strategies students use and offers teachers and parents advice on how they can help their children Although there has been a great deal of impassioned debate over the sad state of American education today surprisingly little attention has been paid to how children actually learn to think But as David Perkins demonstrates we cannot solve our problems in this area simply by redistributing power or by asking children to regurgitate facts on a multiple choice exam Rather we must ask what kinds of knowledge students typically acquire in school In Smart Schools Perkins draws on over twenty years of research to reveal the common misguided strategies students use in trying to understand a topic and then shows teachers and parents what strategies they can use with children to increase real understanding

**The Power of Place** Tom Vander Ark,Emily Liebttag,Nate McClennen,2020-03-09 Place it s where we re from it s where we re going It asks for our attention and care If we pay attention place has much to teach us With this belief as a foundation The Power of Place offers a comprehensive and compelling case for making communities the locus of learning for students of all ages and backgrounds Dispelling the notion that place based education is an approach limited to those who can afford it the authors describe how schools in diverse contexts urban and rural public and private have adopted place based programs as a way to better engage students and attain three important goals of education student agency equity and community This book identifies six defining principles of place based education Namely it 1 Embeds learning everywhere and views the community as a classroom 2 Is centered on individual learners 3 Is inquiry based to help students develop an understanding of their place in the world 4 Incorporates local and global thinking and investigations 5 Requires design thinking to find solutions to authentic problems 6 Is interdisciplinary For each principle the authors share stories of students whose lives were transformed by their experiences in place based programs elaborate on what the principle means demonstrate what it looks like in practice by presenting case studies from schools throughout the United States and offer action steps for implementation Aimed at educators from preK through high school The Power of Place is a definitive guide to developing programs that will lead to successful outcomes for students more fulfilling careers for teachers and lasting benefits for communities

**Better Together** Tom Vander Ark,Lydia Dobyns,2018-07-11 Bring students teachers and administrators together to facilitate higher school achievement Better Together presents a tour through one of the modern era s most important educational innovations and provides smart

strategy for working optimally within the school network sphere There are more than 50 high quality scaled charter networks in the U S most share a learning model professional supports and increasingly platform tools Although these charter schools get most of the attention there are over a dozen other networks that connect district schools and provide design principles curriculum materials technology tools and professional learning opportunities to streamline school improvement and help build great new schools from scratch This book details some of the many success stories and includes expert analysis of learning models strategies and innovations that are making quality scalable and helping schools produce more positive student outcomes Illustrative examples from the New Tech Network Summit Public Schools Big Picture and other big name networks provide both guidance and inspiration while expert discussion clarifies essential details and processes for implementation Teachers and administrators will find much food for thought both inside and outside of a school network system Examine proven learning models for scaled school networks Explore the latest innovations for more effective collaborations Read success stories from school networks across the country Learn smart strategies for optimizing the educational network experience Digital platforms have transformed the way we connect with friends family colleagues and businesses That revolution has finally come to education opening doors to collaboration resource expansion and school success Better Together explores beyond disruption to show how the U S K 12 system is truly evolving

**Improving Schools Through Community Engagement** Kathy Gardner Chadwick, 2003-10-16 Engage your community and help students achieve their full potential Americans see public schools as a critical community resource and rank education as a priority second only to the economy How can educators harness this public interest in education to bring parents families and communities to action for our schools Improving Schools Through Community Engagement addresses these questions and more in this invaluable source of methods and strategies for educators to initiate action Involvement of family and community members has a significant impact on student achievement This handy resource provides a framework that education leaders can use in designing and implementing initiatives to more effectively engage the public by Framing a clear focus for community engagement Identifying and including representatives from each diverse constituency group Developing an understanding of the varied perspectives of these groups Presenting strategies to encourage constituent involvement and action A more engaged community results in improved teaching and learning The energy of parents teachers and communities working together starts small and spreads over time The possibilities for action are limitless

*The Good School* Peg Tyre, 2011-08-16 A book offering smart and sophisticated ways for parents to get informed about their children s education and constructively engage teachers administrators and school boards in order to get the education their children deserve

*Everybody's House - The Schoolhouse* Carolyn Warner, Marilyn Curry, 1997-02-05 The authors of this book provide specific strategies that school leaders can employ both with families and other community members to build support for their school Numerous case studies of successful family involvement programmes currently in use are included
