Hathaway, 2003 Judging by the more than 2 million web pages dealing with past lives and past life regression PLR people aren't only seeing dead people they're interested in finding out whether or not they were some of those dead people in a previous life Going way beyond a belief in reincarnation and karma regressionists want to know who they were and what their lives were like and reputable psychiatrists are using hypnosis to reveal the past life issues that are keeping their patients from living better lives today In *CIG to Past Life Regression* a board certified past life regression therapist reveals the ins and outs of PLR Is past life regression for real Are children really closer to their past lives than adults Can I be hypnotized and can I trust the hypnotist and what he/she tells me What will a session be like Is one session enough And what about self hypnosis How can knowledge of past lives make my life better today *The Complete Idiot's Guide to Discovering Your Past Lives, 2nd Edition* Michael Hathaway, 2011-05-03 Unlock the mystery of your past lives and discover your future potential By discovering your past lives you can unlock the secret influence they have on your present one enabling you to enjoy greater balance success and happiness This edition has been revised and updated to address the questions people are asking now It includes new case histories a new chapter Healing the Past exploring past lives in which a traumatic event has impeded a person's growth in their current life as well as new information on Twin Flames two souls who begin their journey as one energy and then travel through lifetimes independently **To Be** Arleen Warnock, 2025-05-21 *To Be* is a guide for those seeking their true purpose in life Arleen Warnock's life experiences have helped her to broaden her outlook toward many of her aspirations Her views and achievements are based on the lessons she has learned from books that are recommended within this writing Their wisdom and insights are valuable in our journey to enlightenment and in learning *To Be* About the Author Arleen Warnock was born and raised in Brooklyn NY She had two parents who were devoted to their three girls and to each other Arleen has always found great enjoyment in caring for younger children and thought of pursuing a career in teaching But first came marriage and children Her plans changed when her father had a stroke She and her sisters shared the role of caretaker for his many needs This is when she became interested in working with special needs children She earned her bachelor's and master's degrees from the Manhattan College of Human Services before working for the Helen Keller Services for the Blind for many years and then for the NYC Early Intervention Program Arleen raised four children who are her pride and joy She is now retired but keeps busy volunteering in her community and teaching Sunday School class for special needs children Her spirit is at peace as she continues to learn to be **The Secret Life of Kids** James W. Peterson, 2000-10-29 It all began

when James Peterson was a camp counselor and two children watching him meditate described the colors they saw around his form we saw colors coming out of his stomach And the outside was purple then it was blue then it was yellow then reddish and light yellow in the middle Studies indicate that almost seven percent of young children have such psychic experiences For the most part they don't tell anybody about them for fear of being ridiculed But the author believes it would be psychologically healthy for them to relate such occurrences to adults if they feel the need In this book Peterson has put together a charming collection of case histories about such psychic episodes He believes they should be accepted as factual that frequently they emanate from the wisdom of innocence present in youngsters The question of the secret life of kids is examined by Peterson from the point of view of philosophy occultism and child psychology He suggests why and how such experiences manifest and their potential value to the child's growth pattern

Egyptian Numerology Sara Bachmeier, 2018-02-22 Egyptian Numerology works with a persons highest qualities and potential Most people are satisfied with the traditional numerology which uses the frequencies of numbers to dissect the good and bad aspects of their character I refer to this as the mind reading technique because for some reason people like to

be told what they already know about themselves and what can be revealed by just looking into the mirror and being completely honest with oneself The paradigm for numbers has shifted over the past few decades and it is vital that we acknowledge this change and accept the knowledge available to us during these radical times of change Egyptian Numerology takes your reflection and enhances the view by using your number frequencies and taking it into the fifth dimension to show you what is possible to achieve in this lifetime The fifth dimension has been described as the plane of love and of living totally from the heart It will give you the opportunity to discover areas of your life that have the greatest potential and what they are meant to look like in an elevated frequency rating It is compatible to giving you a new prescription for lenses in order to see yourself clearly If you are already using your highest frequencies than this type of charting can be used as a geographical confirmation that you are on the right track or it can be used as a reference point to what is possible to achieve in a perspective not always revealing It will give you a description of what your life looks like when you are living through your heart chakra
