In Community of Inquiry with Ann Margaret Sharp Maughn Gregory, Megan

Laverty, 2017-08-09 In close collaboration with the late Matthew Lipman Ann Margaret Sharp pioneered the theory and practice of the community of philosophical inquiry CPI as a way of practicing Philosophy for Children and prepared thousands of philosophers and teachers throughout the world in this practice In Community of Inquiry with Ann Margaret Sharp represents a long awaited and much needed anthology of Sharp s insightful and influential scholarship bringing her enduring legacy to new generations of academics postgraduate students and researchers in the fields of education philosophy philosophy of education Philosophy for Children and philosophy of childhood Sharp developed a unique perspective on the interdependence of education philosophy personhood and community that remains influential in many parts of the world This perspective was shaped not only by Sharp s work in philosophy and education but also by her avid studies in literature feminism aesthetic theory and ecumenical spirituality Containing valuable contributions from senior figures in the fields in which Sharp produced her most focused scholarship the chapters in this book present a critical overview of how Sharp s ideas relate to education philosophy of education and the Philosophy for Children movement as a whole The historical and philosophical nature of this collection means that it will be a vital resource for philosophers and educators It should also be of great interest to teacher educators and those involved in the study of pragmatism and feminism as well as the history of education across the globe particularly in the United States of America

Leaders in Philosophy of Education Leonard J. Waks, 2014-11-26 In the late 1950s plans were initiated to bring a higher level of professionalism to the training of educational professionals New projects included introducing contemporary scholarship from the humanities and

social sciences into colleges of education to revitalize the education knowledge base In North America and the United Kingdom analytical philosophers were recruited to inaugurate a new philosophy of education Analytical philosophy of education soon spread throughout the English speaking world By the 1980s this analytical impulse had largely subsided Philosophers trained in analytical philosophy and their students turned to more ambitious normative pursuits related to problems of social justice and democracy Meanwhile feminist philosophers opened up new issues regarding the education of women and the nature of teaching and knowing and a new wave of pragmatist philosophers turned to issues of educational policy By the 1990s Anglo American philosophers of education welcomed a dialogue with counterparts in Western Europe and the field responded to established trends in European philosophy ranging from critical theory and phenomenology to post structuralism New leaders emerged in philosophy of education representing all of these various strands This volume documents the emergence of contemporary philosophy of education as seen by those spearheading these trends

Handbook of Affective Sciences Richard J Davidson, Klaus R Sherer, H. Hill Goldsmith, 2009-05-21 One hundred stereotype maps glazed with the most exquisite human prejudice especially collected for you by Yanko Tsvetkov author of the viral Mapping Stereotypes project Satire and cartography rarely come in a single package but in the Atlas of Prejudice they successfully blend in a work of art that is both funny and thought provoking The book is based on Mapping Stereotypes Yanko Tsvetkov s critically acclaimed project that became a viral Internet sensation in 2009 A reliable weapon against bigots of all kinds it serves as an inexhaustible source of much needed argumentation and occasionally as a nice slab of paper that can be used to smack them across the face whenever reasoning becomes utterly impossible The Complete Collection version of the Atlas contains all maps from the previously published two volumes and adds twenty five new ones wrapping the best selling series in a single extended edition **Being and Becoming a Speaker of Japanese** Andrea

Simon-Maeda, 2011-03-15 This autoethnographic account of the author s Japanese as a second language learning trajectory is an important and unique addition to diary studies in SLA and applied linguistics qualitative research circles In depth ethnographic details and introspective commentary are skilfully interwoven throughout Simon Maeda s narrative of her experiences as an American expatriate who arrived in Japan in 1975 the starting point of her being and becoming a speaker of Japanese The book joins the recent surge in postmodernist interdisciplinary approaches to examining language acquisition and readers are presented with a highly convincing case for using autoethnography to better understand sociolinguistic complexities that are unamenable to quantification of isolated variables The comprehensive literature review and wide ranging references provide a valuable source of information for researchers educators and graduate students concerned with current issues in SLA applied linguistics bi multilingualism and Japanese as a second language *Tolkien: Cult Or Culture?* John Sprott Ryan, 1969
