Educational Philosophy Edward J. Power,2021-12-12 The first step in education s long road to respectability lay in the ability of its proponents to demonstrate that it was worthy of collaborating with traditional disciplines in the syllabus of higher learning The universities where the infant discipline of education was promoted benefited from scholars who engaged in teaching and research with enthusiasm and preached the gospel of scientific education These schools Teachers College Columbia University the University of Chicago and Stanford University gained a reputation as oases of pedagogical

knowledge Soon public and private colleges alike introduced professional academic programs for the preparation of teachers Foremost among the subjects for these programs was education philosophy with its long history and the impeccable credentials of its ancient and modern expositors Although the principal focus of this study is the history of educational philosophy in colleges and universities it also recognizes educational philosophy s antecedents Chapters cover ancient roots Christian educational theory educational theory and the modern world philosophy and education in early America development of philosophies of education disciplinary maturity for educational philosophy and prospects There is a bibliography and an index

The Educational Ideal James Phinney Munroe,1909 **Disciplines of Education** Ivor Morrish,2019-08-13 First published in 1967 this book suggests that educational problems should not and indeed cannot be solved in isolation but that we need to bring all our disciplines and resources to bear upon them It explores in turn philosophical psychological and sociological approaches to educational

theory and examines great thinkers such as Plato R **Ministry Education That Transforms** Robert W. Ferris, John R. Lillis, Ralph E. Enlow, Jr., 2018-05-06 God clearly intends that lives of Christians and the life of the church should differ from those of the unredeemed The Christian and the church should be salt and light Preparing spiritual leaders who have the grace credibility and wisdom to effect such change demands more than transmission of knowledge Equipping for transformative ministry requires a divinely empowered and educationally intentional experience that leads to transformation in the lives of students Ministry Education that Transforms brings together theological insight and educational research in support of practical methods that align with transformative ends The authors experience with Global Associates for Transformational Education GATE workshops and the impact they have had with this approach to education formation testifies that this is not a mere call for change but a tried and tested methodology crucial to theological education
