History of Islamic Economic Thought Abdul Azim Islahi,2014-12-31 This unique book highlights the contributions made by Muslim scholars to economic thought throughout history a topic that has received relatively little attention in mainstream economics Abdul Azim Islahi discusses various ways in which Muslim ideas

Medieval Islamic Economic Thought S.M. Ghazanfar, 2004-06-02 This book is a collection of papers on the origins of economic thought discovered in the writings of some prominent Islamic scholars during the five centuries prior to the Latin Scholastics who include St Thomas Aquinas This period of time was labelled by Joseph Schumpeter as representing the great gap in economic history Unfortunately this gap is well embedded in most relevant literature However during this period the Islamic civilization was one of the most fertile grounds for intellectual developments in various disciplines including economics and this book attempts to fill that blind spot in the history of economic thought *A Tale of Three Thirsty Cities* Jaime-Chaim Shulman, 2017-11-01 In *A Tale of Three Thirsty Cities* The Innovative Water Supply Systems of Toledo London and Paris in the Second Half of the Sixteenth Century Chaim Shulman presents an analysis of three projects of urban water supply systems carried out between 1560s 1610s The technical and economic differences between these projects resulted from external conditions not directly related to the water supply problem Although the same basic technology was apparently available at the time in all cases the geographical engineering entrepreneurial and cultural nature of each region differed The inhabitants wellbeing improvement achieved varied accordingly Much broader insights are drawn on the policies of the three monarchies regarding the initiative of and support for grand scale public works in general *Proceedings of International Conference of Islamic Studies (ICONIS 2025)* Agung Dwi Bahtiar El Rizaq, Abd Hannan, Masyithah Mardhatillah, Moh. Syafik, Abdul Wafi, 2025-09-20 This is an open access book *Proceedings of ICONIS International Conference of Islamic Studies* is documentation of the international conference held and published by IAIN Madura in the form of conference proceedings held from 2017 until now It is held annually every year and now is the 9th event It contains both conceptual based and field based research articles on Islamic studies and is published once a year The proceedings offer space for researchers academicians professionals practitioners and students to contribute and share ideas and insights through either empirical or theoretical papers mainly on the annually chosen themes *A Concise History of the Middle East* Ibrahim Al-Marashi, Arthur Goldschmidt Jr., 2018-09-03 *A Concise History of the Middle East* provides a comprehensive introduction to the history of this turbulent region Spanning from pre Islam to the present day it explores the evolution of Islamic institutions and culture the influence of the West modernization efforts in the Middle East the struggle of various peoples for political independence the Arab Israel conflict the reassertion of Islamic values and power the issues surrounding the Palestinian Question and the Middle East post 9 11 and post Arab uprisings The twelfth edition has been fully revised to reflect the most recent events in and concerns of the region including the presence of ISIS and other non state actors the civil wars in Syria and Yemen and the refugee crisis New parts and part timelines will help students grasp and contextualize the long and complicated history of the region With updated biographical sketches and glossary and a new concluding chapter this book remains the quintessential text for students of Middle East history *Islam Vs. West* Abubakr Asadulla, 2009 Islam s 1 400 year history has made an important contribution to world civilization In its nascent state it

miraculously brought the mighty Christian Byzantine and Zoroastrian Persian empires to their knees In the span of a generation the Islamic world became one of the largest empires in history Despite the stereotype of Islam being spread with the sword it was mainly adopted and practiced peacefully Islam recognizes the fundamental importance of the individual s right to religious self determination Islam s aversion to compulsion and its affirmation of the individual s right to choose are clearly stated in the Quran Nevertheless a transformation has occurred in the Muslim world that has led to a decline in Islamic civilization This book summarizes the major historical factors that have contributed to this decline leading to the 9 11 terrorist attacks and proposes a three step process of conflict resolution between Islam and the West Internal problems especially doctrinal struggles were primarily responsible for Islam s downfall In addition disorder and intolerance followed from the devastating conquests by Christian Crusaders and Mongol hordes and more recently from the imperialism and colonization of the eighteenth and nineteenth centuries
