

“TRAVIS-PICKING”

Another key ingredient of the rockabilly guitar sound is “Travis-picking” - fingerpicking moveable chords up and down the neck in the style popularized by country picker Merle Travis. Travis jazzed up the basic blues fingerpicking style. He added jazz chords and played an electric guitar with a very steady alternating bass/thumb pattern.

Some rockabilly players use a thumbpick and fingerpicks, as Travis did; others hold a flatpick between the thumb and index finger and pick treble strings with the middle finger. This allows them to switch instantly from fingerpicking to single-string or Chuck Berry-style flatpicking. Whether you like a thumbpick or flatpick, try these Travis-style licks:

Rockabilly bands almost always include a bass player, so it’s not surprising that the rockabilly guitarist often plays a sketchier Travis style that leaves out some of the bass notes. In “Blue Jean Bop,” “Tear It Up” and the Nelson version of “Boppin’ The Blues,” the syncopated fingerpicking rhythm is intact, but often there are less than four thumb/bass notes per measure:

Genuine Rockabilly Guitar Hits With Notes And Tablature
