

The background of the cover is a solid red color. Overlaid on this is a complex technical drawing in black lines. It features several circles of different sizes, some of which are divided into four quadrants by a crosshair. These circles are interconnected by a network of straight lines, some of which are longer and more prominent than others. In the lower right quadrant, there is a star-like symbol formed by several lines radiating from a central point. The overall impression is that of a technical or engineering drawing, likely related to the book's subject of dimensioning and tolerancing.
