Geography Of Lograire Long Poem:

The Geography of Lograire Thomas Merton, 1969 Thomas Merton's final testament as a poet is his most ambitious long work and a remarkable poetic achievement

The Solitary Explorer Elena Malits, 2014-09-17 The Solitary Explorer responsibly and critically explores Thomas Merton's lifelong spiritual development as reflected in his religious and secular writings and delineates the meaning of his life and work for contemporary readers. It provides an interpretive chronology of Merton's writings and unravels the intertwining threads of self-realization and widening intellectual interests evidenced in the material he produced between his early autobiography and the controversial work of his later years. Elena Malits shows Merton as writer, as monk, as social critic, as seeker of wisdom in the East, as man of prayer, and as one continually on a journey into the unknown. Merton always held that the quest for God is a continuing one. The Solitary Explorer traces the progress of this quest in Merton's life and literary works to reveal a multifaceted spiritual guide who offers an approach to the divine at once reassuringly traditional and refreshingly contemporary

Thomas Merton and the Inclusive Imagination Ross Labrie, 2001 Thomas Merton 1915-1968 was a Roman Catholic priest, a Trappist monk, a social activist, and a poet. Author of the celebrated autobiography *The Seven Storey Mountain*, Merton has been described as the most important American religious writer of the past hundred years. One of the notable characteristics of Merton's writing, both in poetry and in prose, was his seamless intermingling of religious and Romantic elements, an intermingling that, because of his gifts as a writer and because of his enormous influence, has had the effect of making widespread a distinctive form of religious thought and expression. In *Thomas Merton and the Inclusive Imagination*, Ross Labrie reveals the breadth of Merton's intellectual reach by taking an original and systematic look at Merton's thought, which is generally regarded as eclectic and unsystematic

Thomas Merton and James Laughlin Thomas Merton, James Laughlin, 1997 Cloistered in a remote Kentucky monastery, Thomas Merton struggled as a young man to reconcile his preferred contemplative life and his public passion for writing. Here is the remarkable development of Thomas Merton, monk, poet, and social critic, as documented in nearly 30 years of correspondence with his mentor and publisher James Laughlin.
