**The Divine in Acts and in Ancient Historiography** Scott Shauf,2015 Scott Shauf compares the portrayal of the divine in Acts with portrayals of the divine in other ancient historiographical writings the latter including Jewish and wider Greco Roman historiographical traditions This book explores especially how the divine is represented as involved in history the nature of divine retribution the partiality or impartiality of the divine toward different sets of people and the portrayal of divine control over seemingly purely natural and human events Acts is shown to be engaging historiographical traditions of the author's own day but also contributing unique historiographical perspectives

Harris, Joshua A. Berman, Nili Samet, Noga Ayali-Darshan, 2021-09-17 Sixty six colleagues friends and former students of Edward L Greenstein present essays honoring him upon his retirement Throughout Greenstein s half century career he demonstrated expertise in a host of areas astonishing in its breadth and depth and each of the essays in these two volumes focuses on an area of particular interest to him Volume 1 includes essays on ancient Near Eastern studies Biblical Hebrew and Northwest Semitic languages and biblical law and narrative Volume 2 includes essays on biblical wisdom and poetry biblical reception and exegesis and postmodern readings of the Bible      *Caring for Our Generations* John H. Patton, Brian H. Childs, 2007-10-01 How can Christians become more loving family members How can they care for each other most effectively Designed both for families and for counselors *Caring For Our Generations* is a complete guide to family caregiving John Patton and Brian H Childs discuss common problems that arise in various types of families and show how these problems can be resolved successfully Among the issues covered The problems of singleness Preparing for marriage or remarriage Living as a couple in a one generation household Living in a nuclear family of two or more generations Dealing with divorce Living in a blended family      *Marriage in the Bible* Jennifer Bird, 2023-12-15 *Marriage in the Bible* What Do the Texts Say is an honest engagement with the relevant passages in the two primary Testaments of the Christian Bible Rather than making the Bible confirm a specific stance on marriage the author invites her readers to be honest about what these biblical stories laws commands and sayings meant in their original contexts In doing this the author engages the conflicting messages about biblical marriage from such figures as Jesus St Paul and St Augustine The first part of the book addresses four passages that many people believe defines biblical marriage as being intended for procreation only between a man and a woman anti divorce and holy or sacred While these passages quoted out of context may be read to mean these things when read in context the first two are not even talking about marriage and the latter two assert that wives should be fearfully submissive to their husbands and show Jesus affirming a non binary gender and non hetero sex among other things The reader then gets a crash course on what marriages in the Bible actually look like including additional content from Jesus and Paul that is anything but positive about marriage The final section of the book highlights several of the themes in the Bible that are still alive and well today themes that have an impact on relational and social expectations of men and women though most detrimentally for women What might be most surprising are the insights in the final chapter inviting people to take a fresh look at select moments for Jesus and Paul *Marriage in the Bible* invites its reader to take these passages and their messages seriously to consider the ways they influence beliefs and behaviors and to decide if marriage as it is presented in the Bible is helpful and healthful for people today      **Wisdom as a Model for Jesus' Ministry** Eva Günther, 2020-03-02 In this study on the influence of the Jewish wisdom tradition on the shaping of early Christology traces parallels between the

function of Wisdom in various writings of Second Temple literature and the ministry of the earthly Jesus according to Matt 23 37 39 par which portray Jesus as a representative of God like Wisdom      Cardiac Mechano-Electric Coupling and Arrhythmias Peter Kohl, Frederick Sachs, Michael R.
