**Henry Miller and Modernism** Finn Jensen, 2019-12-04 Henry Miller and Modernism The Years in Paris 1930-1939 represents a major reevaluation of Henry Miller focusing on the Paris texts from 1930 to 1939 Finn Jensen analyzes Miller in the light of European modernism in particular considering the many impulses Miller received in Paris Jensen draws on theories of urban modernity to connect Miller's narratives of a male protagonist alone in a modern metropolis with his time in Paris where he experienced a self-discovery as a writer The book highlights several sources of inspiration for Miller including Nietzsche Rimbaud Hamsun Strindberg and the American Transcendentalists Jensen considers the key movements of modernity and analyzes their importance for Miller studying Eschatology the Avant Garde Dada Surrealism Expressionism and Anarchism **Henry Miller** James M. Decker, Indrek Menniste, 2016-10-20 Scholarly responses to Henry Miller's

works have never been numerous and for many years Miller was not a fashionable writer for literary studies In fact there exist only three collections of essays concerning Henry Miller's oeuvre Since these books appeared a new generation of international Miller scholars has emerged one that is re-energizing critical readings of this important American Modernist Henry Miller New Perspectives presents new essays on carefully chosen themes within Miller and his intellectual heritage to form the most authoritative collection ever published on this author **Norman Mailer: A Double Life** J. fiction after World War II and a selected general bibliography lists additional sources of information Since World War II Jewish American novelists have made numerous significant contributions to contemporary literature Authors of earlier generations would frequently write about the troubles and successes of Jewish immigrants to America and their works would reflect the world of European Jewish culture But like other immigrant groups Jewish Americans have become increasingly assimilated into mainstream American culture Many feel the loss of their heritage and long for something to replace the lost values of the old world This reference book includes alphabetically arranged entries for more than 75 Jewish American novelists whose major works were largely written after World War II Included are entries for both well known and relatively obscure novelists many of whom are just becoming established as significant literary figures While the volume profiles major canonical figures such as Saul Bellow Norman Mailer and Bernard Malamud it also aims to be more inclusive than other works on contemporary Jewish American writers Thus there are entries for gay and lesbian novelists such as Lev Raphael and Judith Katz whose works challenge the more orthodox definitions of Jewish religious and cultural traditions Art Spiegelman whose controversial Maus established a new genre by combining elements of the comic book and the conventional novel and newcomers such as Steve Stern and Max Apple who have become more prominent within the last decade Each entry includes a brief biography a discussion of major works and themes an overview of the novelist's critical reception and a bibliography of primary and secondary sources A thoughtful introduction summarizes Jewish American fiction after World War II and a selected general bibliography lists additional sources for information

Conversations with Norman Mailer Norman Mailer, 1988 In twenty eight interviews this great American writer rises to the occasion and is at his sharpest in conversations with Lillian Ross Marshall McLuhan Malcolm Muggeridge William F Buckley Jr and George Plimpton

**Tough Guy** Richard Bradford, 2023-01-19 The first biography to examine Mailer's life as a twisted lens offering a unique insight into the history of America from the end of World War II to the election of Barack Obama Twice winner of the Pulitzer Prize firstly in 1969 for *The Armies of the Night* and again in 1980 for *The Executioner's Song* Norman Mailer's life comes as close as is possible to being the Great American Novel beyond reason inexplicable wonderfully grotesque and addictive *The Naked and the Dead* was acclaimed not so much for its intrinsic qualities but rather because it launched a brutally realistic sub genre of military fiction *Catch 22* and *MASH* would not exist without it Richard Bradford combs through Mailer's personal letters to lovers and editors which appear to be a rehearsal for his career as a shifty literary narcissist and which shape the characters of one of the most widely celebrated World War II novels Bradford strikes again with a merciless biography in which diary entries journal extracts and newspaper columns set the tone of this study of a controversial figure From friendships with contemporaries such as James Baldwin failed correspondences with Hemingway and the Kennedys to terrible but justified criticism of his work by William Faulkner and Eleanor Roosevelt this book gives a unique snappy and convincing perspective of Mailer's ferocious personality and writings

**Norman Mailer** Harold Bloom, 2003 An American

**From Bear Rock Mountain** Antoine Bear Rock Mountain,2019-06-04 In this poetic poignant memoir Dene artist and social activist Antoine Mountain paints an unforgettable picture of his journey from residential school to art school and his path to healing In 1949 Antoine Mountain was born on the land near Radelie Koe Fort Good Hope Northwest Territories At the tender age of seven he was stolen away from his home and sent to a residential school run by the Roman Catholic Church in collusion with the Government of Canada three hundred kilometres away Over the next twelve years the three residential schools Mountain was forced to attend systematically worked to erase his language and culture the very roots of his identity

**Romantic Postmodernism in American Fiction** Eberhard Alsen, 2023-12-21 Intended for teachers and students of American Literature this book is the first comprehensive analysis of romantic tendencies in postmodernist American fiction The book challenges the opinion expressed in the Columbia History of the American Novel 1991 and propagated by many influential scholars that the mainstream of postmodernist fiction is represented by the disjunctive and nihilistic work of such writers as Kathy Acker Donald Barthelme and Robert Coover Professor Alsen disagrees He contends that this kind of fiction is not read and taught much outside an isolated but powerful circle in the academic community It is the two part thesis of Professor Alsen s book that the mainstream of postmodernist fiction consists of the widely read work of the Nobel Prize laureates Saul Bellow and Toni Morrison and other similar writers and that this mainstream fiction is essentially romantic To support his argument Professor Alsen analyzes representative novels by Saul Bellow J D Salinger Norman Mailer Flannery O Connor John Updike Kurt Vonnegut Philip Roth Thomas Pynchon Toni Morrison the later John Barth Alice Walker William Kennedy and Paul Auster Professor Alsen demonstrates that the traits which distinguish the fiction of the romantic postmodernists from the fiction of their disjunctive and nihilist colleagues include a vision of life that is a form of philosophical idealism an organic view of art modes of storytelling that are reminiscent of the nineteenth century romance and such themes as the nature of sin or evil the negative effects of technology on the soul and the quest for transcendence

**Henry Miller** Robert Ferguson, 2012-04-17 Bohemian egoist and prophet of sensualism Henry Miller remains to many writers and readers a literary lion Born in Brooklyn in 1891 son of a tailor of German extraction Miller would embrace a freewheeling existence that carried him through umpteen jobs and sexual encounters providing rich source material for the novels he would write Greenwich Village and Paris in the 1920s offered rich pickings as did Miller s ten year affair with Anais Nin But he was 69 before Tropic of Cancer was legally published in the US and made him famous almost 30 years from its composition and long after his peers had devoured it in contraband French editions Robert Ferguson reveals Miller as a amalgam of vulnerability and insouciance who endured thirty years of official opprobrium but won the respect of Orwell T S Eliot and Lawrence Durrell and readers by the thousand This impressive biography is good dirty fun Observer Engaging and perceptive Economist Lively and entertaining J G Ballard

**World Within The Word** William H. Gass, 2012-09-05 In this sequel to Fiction the Figures of Life one of America s most brilliant and eclectic minds examines literature culture writers their lives and works and the nature and uses of language and the written word Included are discussions of Val ry Henry Miller Sartre Freud Faulkner suicide art and order and the transformation of language into poetry and fiction The vividness and clarity of Gass s writing the unabashed love and inimitable use of language his startling metaphors the sinuousness of his

philosophy the originality of his vision make each essay a searching revelation of its subject as well as an example of Gass's own singular artistry     *Eighteen East 74th Street* Lawrence H. Staples, 2020-11-05 I'm an 88 year old retired Jungian Analyst I wrote this book to share a lifelong struggle to free myself from the powerfully dominating influence of my mother something Jung more elegantly described as The Battle for Deliverance from the Mother It's a battle I now doubt can be won although an uneasy truce may be achievable I believe the power that my mother's values and beliefs have over me is related to a very early experience in life that seems quite small but like an atom contains unspeakably powerful energy I refer to it as that look the look of pure unconditional love that is experienced only briefly in early infancy and seems to evaporate once socialization begins Unconsciously we recognize it as a reflection of our inmost being an image so exquisite that we want to hold onto it and keep it only for ourselves We are not only unconscious of the wish to be le seul the only one but also of the price that must be paid to remain so the rejection and concealment of that part of ourselves that mother frowned upon narrowing us down to only the bright side of our two-sided moon The struggle to be free of the mother's power becomes the struggle for wholeness itself At the same time after all our work and self reflection we realize that mother paradoxically is essential to our experience of our self and with that look fuels our lifelong search for it
