The Descent of Love Bert Bender, 2015-11-16 Upon its publication in 1871 Charles Darwin's The Descent of Man and Selection in Relation to Sex sent shock waves through the scientific community and the public at large In an original and persuasive study Bert Bender demonstrates that it is this treatise on sexual selection rather than any of Darwin's earlier works on evolution that provoked the most immediate and vigorous response from American fiction writers These authors embraced and incorporated Darwin's theories insights and language creating an increasingly dark and violent view of sexual love in American realist literature In The Descent of Love Bender carefully rereads the works of William Dean Howells Henry James Elizabeth Stuart Phelps Sarah Orne Jewett Kate Chopin Harold Frederic Charles W Chesnutt Edith Wharton and Ernest Hemingway teasing from them a startling but utterly convincing preoccupation with questions of sexual selection Competing for readership as novelists who best grasped the real nature of human love these writers also participated in a heated social debate over racial and sexual differences and the nature of sex itself Influenced more by The Descent of Man than by the Origin of Species Bender's novelists built upon Darwin's anthropological and zoological materials to anatomize their character's courtship behavior returning consistently to concerns with physical beauty natural dominance and the power to select a mate Bringing the resources of the history of science and intellectual history to this the first full length study of the impact of Darwin's theories in American literature Bender revises accepted views of social Darwinism American literary realism and modernism in American literature forever changing our perceptions of courtship and sexual interaction Swanna in Love: A Novel Jennifer in American fiction from 1871 to 1926 and beyond Current Literature ,1911 Belle, 2024-01-30 Best selling author Belle High Maintenance Going Down unleashes her first new novel in over ten years It s the summer of 1982 and fourteen year old Swanna Swain is the only one left at camp The place is a ghost town by the time her mother Val finally shows up six hours late stoned and radiant in a Ford pickup driven by Borislav her new young Russian lover Assuming she is headed home to her air conditioned Upper West Side apartment Swanna and her lovable younger brother Madding are instead dragged to Vermont to an artist colony where kids are not welcome and they are forced to sleep in the back of the truck while Val is cozy inside the house with the Russian Then Swanna meets Dennis a handsome married father of two at a bowling alley and knowing a thing or two about seduction from Judy Blume her best friend at camp and her own parents many affairs she sets out to convince Dennis to help her But love seldom obeys rules and even a tough smart city girl like Swanna might not be able to handle falling in love Best selling novelist Jennifer Belle returns with a kind of inverse Lolita that explores adolescent desire from the girl s point of view In turns hilarious and wildly shocking Swanna in Love will Mobile Homes Su-Ching Huang, 2020-11-25 The writers discussed in keep your feathers ruffled and the pages gliding by the book include Chiang Yee Hualing Nieh David Wong Louie Fae Myenne Ng John Okada and Toshio Mori Their publication dates span from the 1940s up to 2000 **Current Opinion** Edward Jewitt Wheeler, Frank Crane, 1914 The Independent .1919 The Complete Novels of Joseph Conrad - All 20 Works in One Premium Edition Joseph Conrad, 2024-01-09 In The
