Genre And The Language Learning Classroom:

Genre and the Language Learning Classroom Brian Paltridge, 2001 An analysis of how a curriculum based on communicative events can enhance learning in the language classroom **Genre in the Classroom** Ann M.

Johns, 2001-11-01 For the first time the major theoretical and pedagogical approaches to genre and related issues of social construction are presented in a single volume providing an overview of the state of the art for practitioners in applied linguistics ESL EFL pedagogies rhetoric and composition studies around the world Unlike volumes that present one theoretical stance this book attempts to give equal time to all theoretical and pedagogical camps Included are chapters by authors from the Sydney School the New Rhetoric and English for Specific Purposes as well as contributions from other practitioners who pose questions that cross theoretical lines *Genre in the Classroom* includes all of the major theoretical views of genre that influence pedagogical practice takes an international approach drawing from all parts of the world in which genre theory has been applied in the classroom Australia Canada Hong Kong the Middle East the United States features contributors who are all both theorists and classroom practitioners lending credibility and authenticity to the arguments combines theory and practice in every chapter showing how particular theoretical views influence classroom practice grounds pedagogical practices in their own regional and theoretical histories openly discusses problems and questions that genre theory raises and presents some of the solutions suggested and offers a concluding chapter that argues for two macro genres and with responses to this argument by noted genre theorists from three theoretical camps **Genre in World Language Education** Francis Troyan, 2020-10-29 Ideal for methods and foundational courses in world languages education this book presents a theoretically informed instructional framework for instruction and assessment of world languages In line with ACTFL and CEFR standards this volume brings together scholarship on contextualized task based performance assessment and instruction with a genre theory and pedagogy to walk through the steps of designing and implementing effective genre based instruction Chapters feature step by step lesson designs models of performance assessment and a wealth of practical and research based examples on how to make languages explicit to students through a focus on genre Including sections on Arabic French Spanish Italian and other major world languages this book demonstrates how to effectively teach and assess world languages in the classroom **Learning and Teaching Genre** Aviva

Freedman, Peter Medway, 1994 This collection examines academic genres types of writing produced by students in secondary school and college from the perspective of genre as social action Such a perspective expands the understanding of what students do when they learn new school genres of what teachers and institutions do to enhance and constrain such learning and of what all this signifies for conceptions of writing pedagogy The book begins with an overview of the reconception of genre study The essays that follow have an interest in genre particularly those that appear in educational settings as instances of either student reading or writing Common motifs recur throughout questions are raised concerning learning and

teaching new genres the ideological power of genres read and written and the power of the teacher curriculum planner or student to invent new genres or to resist and subvert those that exist Throughout the contributors give detailed accounts of successful classroom practices Learning and Teaching Genre brings recent developments in research and thinking about written genres to the attention of high school and college teachers and illustrates how that work can effectively inform classroom practice
