EBOOK: The European Union: Economics, Policy and History SENIOR,2011-11-16 EBOOK The European Union Economics Policy and History *German Annual of Spatial Research and Policy 2009* Heiderose Kilper,2009-09-18

Preface Introduction 1 Heiderose Kilper New Disparities in Spatial Development in Europe several topics are included in both the title and theme of the German Annual of Spatial Research and Policy for the Year 2009 We are first of all concerned with the concept of spatial disparities which has its roots in national spatial planning and spatial development policy Regional development as interregional equalisation policy for example is well anchored in the German constitution through fundamental legal standards and the division of powers among the respective federal states The establishment of uniform living conditions within the federal territory and securing the uniformity of living conditions beyond the borders of any single federal state Section 72 Paragraph 2 of German Basic Law GG are expressly specified as aims of government action in the constitution of the Federal Republic of Germany With the major reform of Germany's financial system in 1969 and incorporation of the joint task Improvement 1 of the Regional Economic Structure in Section 91a of German Basic Law GG interventions on the part of the federal government and the wealthy federal states for the benefit of states and regions with less economic success were legitimised in constitutional terms as well All of this would be inconceivable without the concept of spatial disparities Handbook on Cohesion Policy in the EU Simona Piattoni,Laura Polverari,2016-08-26 This Handbook covers all major aspects of EU Cohesion policy one of the most significant areas of intervention of the European Union Over five parts It discusses this policy's history and governing principles the theoretical approaches from which it can be assessed the inter institutional and multi level dynamics that it tends to elicit its practical implementation and impact on EU member

states its interactions with other EU policies and strategies and the cognitive maps and narratives with which it can be associated An absolute must for all students of the EU

Guiding Principles for Spatial Development in Germany Wendelin Strubelt, 2009-08-09 As an annual of the five leading German institutes working in the field of the analysis of spatial development and policies this book will present discussions about the guiding principles for spatial development being a virulent new approach to the future development of Germany in spatial differentiation The papers will discuss these guiding principles theoretically and empirically

European Spatial Planning and Territorial Cooperation Stefanie Dühr, Claire Colomb, Vincent Nadin, 2010-10-18 There is a strong international dimension to spatial planning European integration strengthens interconnections development and decision making across national and regional borders EU policies in areas such as environment transport agriculture or regional policy have far reaching effects on spatial development patterns and planning procedures Planners in the EU are now routinely engaged in cooperation across national borders to share and devise effective ways of intervening in the way our cities towns and rural areas develop In short the EU has become an important framework for planning practice research and teaching Spatial planning in Europe is being Europeanized with corresponding changes for the role of planners Written for students academics practitioners and researchers of spatial planning and related disciplines this book is essential reading for everybody interested in engaging with the European dimension of spatial planning and territorial governance It explores spatial development trends and their influence on planning the nature institutions and actors of the European Union from a planning perspective the history of spatial planning at the transnational scale the planning tools perspectives visions and programmes supporting European cooperation on spatial planning the territorial impacts of the Community s sector policies the outcomes of European spatial planning in practice

Changing Europe David Dunkerley, Lesley Hodgson, Stanislaw Konopacki, Tony Spybey, Andrew Thompson, 2003-08-29 Europe has changed significantly and is now facing even more dramatic transformations with the enlargement of the European Union the introduction of the euro and its increased role as a global actor in world affairs This clear and accessible textbook provides an introduction to the key issues now shaping the new Europe and its citizens The book features a history of the idea of Europe and the development of the European nation state analysis of European identity and the challenges posed by citizenship migration human rights regionalism and nationalism examination of the enlargement process and the impact of globalisation key learning points text boxes and guides for further reading to help students
