Economic Fundamentalism The New Zealand Experiment A World Model:

Economic Fundamentalism Jane Kelsey, 1995-12-15 In 1984 the New Zealand Labour government became the first developed Western economy to make a systematic attempt at structural adjustment This book examines the process through which this experiment took place and what it has meant for the country's economic political and cultural life

The New Zealand Experiment Jane Kelsey, 2015-12-21 Jane Kelsey's was a questioning and challenging voice when she wrote this passionate critique of New Zealand's economic policies in the 1980s and 90s The social and economic consequences of a decade of market based reforms are laid bare in this statistically rich and rhetorically powerful work Drawing on a wide array of sources Kelsey's analysis delves into every aspect of the structural reforms that were to have such vast consequences for New Zealand society Her analysis of those policies and their consequences gains a fresh and sobering perspective in the light of the recent global financial crisis

Teachers' Work in a Globalizing Economy Alistair Dow, Robert Hattam, Alan Reid, Geoffrey Shacklock, John Smyth, 2005-08-02 Extended critical case studies provide a tangible working expression of the labour process of teaching showing how teachers are simultaneously experiencing significant changes to their work as well as responding in ways that actively shape these processes For teachers and researchers this book shows what processes are at work in the global economy which impact on and sometimes control the role of the teacher It also reveals how teachers accommodate resist or redefine their working circumstances and explores methods researchers might employ in order to increase our understanding and knowledge of the effect of globalization on teaching

Community Psychology and the Socio-economics of Mental Distress Carl Walker, Katherine Johnson, Liz Cunningham, 2017-09-16 Providing unique global perspectives on community psychology this is exciting and important reading for students and researchers alike written by leading experts in the field Drawing on a wealth of experience and examples it offers an essential guide to the political global context of this fast developing area of psychology

Global Governance and the Quest for Justice - Volume I Douglas Lewis, 2006-02-28 This book one in the four volume set Global Governance and the Quest for Justice focuses on the international and regional organisations that represent the key players in the evolving global order The papers in this collection seek to map the real world of global governance exploring who governs and how what the leading international and regional organisations claim to do and what they actually do as well as assessing the gap between the ideal of constitutionalised global governance and the actuality of governance under globalisation The contributors discuss what it would mean for global governance to aspire to Rule of Law standards of transparency accountability and participation together with categorical respect for human rights In this collection the perspective of modern public lawyers is systematically applied to the governance deficit associated with globalisation and to its institutional correction in pursuit of a legitimate regime of global governance

The Experience of Middle Australia Michael Pusey, 2003-06-23 This book puts middle Australia under the microscope examining how quality of life is faring in the face of change and uncertainty 400

Australians from around the country shared their experiences of work family and community for this book creating a striking picture of Australian society into a new millennium This lived experience is set against hard data so that we can truly understand the impact good and bad of economic restructuring on the broad Australian middle class Meticulously researched it mounts a moral and intellectual counter argument to economic reform A sequel to the best selling *Economic Rationalism in Canberra* Michael Pusey's book will be equally important *China, the West and the Myth of New Public Management* Paolo Urio, 2012-07-26 In the West innovations in new public management NPM have been regarded as part of the neoliberal project whilst in China these reforms have emerged from a very different economic and social landscape Despite these differences however similar measures to those introduced in the West have been adopted by the Chinese state which has largely abandoned the planned economy and adopted market mechanisms in the pursuit of improved economic efficiency and growth Evaluating the results of these reforms in both China and the West between 1978 and 2011 this book shows that despite substantial improvements in economic efficiency in both cases under consideration there have been considerable negative impacts on the distribution of wealth access to public services levels of poverty public health and the incidence of crime Further this book explores the different results of NPM in China and the West and the conclusions Paolo Urio draws have timely significance as he suggests that China has been able to change its policies more rapidly and thus more effectively respond to the challenges posed by the current economic crisis Drawing on both Western and Chinese sources this innovative book compares the consequences of their public management reforms taking into account the impact on both the economy and society As such this book will be of great interest to students and scholars working in the fields of Chinese studies Asian studies business economics strategic public management and comparative studies in capitalism and socialism

The Cultures of Globalization Fredric Jameson, Masao Miyoshi, 1998 A pervasive force that evades easy analysis globalization has come to represent the export and import of culture the speed and intensity of which has increased to unprecedented levels in recent years The Cultures of Globalization presents an international panel of intellectuals who consider the process of globalization as it concerns the transformation of the economic into the cultural and vice versa the rise of consumer culture around the world the production and cancellation of forms of subjectivity and the challenges it presents to national identity local culture and traditional forms of everyday life Discussing overlapping themes of transnational consequence the contributors to this volume describe how the global character of technology communication networks consumer culture intellectual discourse the arts and mass entertainment have all been affected by recent worldwide trends Appropriate to such diversity of material the authors approach their topics from a variety of theoretical perspectives including those of linguistics sociology economics anthropology and the law Essays examine such topics as free trade capitalism the North and South Eurocentrism language migration art and cinema social fragmentation sovereignty and nationhood higher education environmental justice wealth and poverty transnational corporations and global culture Bridging the spheres of economic

political and cultural inquiry The Cultures of Globalization offers crucial insights into many of the most significant changes occurring in today's world Contributors Noam Chomsky Ioan Davies Manthia Diawara Enrique Dussel David Harvey Sherif Hetata Fredric Jameson Geeta Kapur Liu Kang Joan Martinez Alier Masao Miyoshi Walter D Mignolo Alberto Moreiras Paik Nak chung Leslie Sklair Subramani Barbara Trent **Unsettling the Colonial Places and Spaces of Early Childhood Education** Veronica Pacini-Ketchabaw, Affrica Taylor, 2015-03-24 Unsettling the Colonial Places and Spaces of Early Childhood Education uncovers and interrogates some of the inherent colonialist tensions that are rarely acknowledged and often unwittingly rehearsed within contemporary early childhood education Through building upon the prior postcolonial interventions of prominent early childhood scholars Unsettling the Colonial Places and Spaces of Early Childhood Education reveals how early childhood education is implicated in the colonialist project of predominantly immigrant post colonial settler societies By politicizing the silences around these specifically settler colonialist tensions it seeks to further unsettle the innocence presumptions of early childhood education and to offer some decolonizing strategies for early childhood practitioners and scholars Grounding their inquiries in early childhood education the authors variously engage with postcolonial theory place theory feminist philosophy the ecological humanities and indigenous onto epistemologies

Monotheism and Fundamentalism Rik Peels, 2024-05-09 This Element explores the relation between monotheism and fundamentalism It does so from both an empirical perspective and a more theoretical one that combines theological and philosophical insights The empirical part addresses how as a matter of fact particularly quantitatively monotheism and fundamentalism relate to one another The more theoretical part studies the relation between the two by considering the doctrine of God and the issue of exclusion theories of revelation and ethics Finally the book considers whether monotheism has particular resources that can be employed in mitigating the consequences of or even altogether preventing fundamentalism This title is also available as Open Access on Cambridge Core *Agricultural Governance* Vaughan

Higgins, Geoffrey Lawrence, 2007-05-07 Drawing upon the expertise of some of the most prominent names in rural sociology geography and anthropology this book shows how globalization has opened up a new regulatory politics **Suited Themselves** Sharon Beder, 2012 In this brilliantly researched expos communications Rottweiler Sharon Beder blasts open the backrooms and boardrooms to reveal how the international corporate elite dictate global politics for their own benefit Beder shows how they created business associations and think tanks in the 1970s to drive public policy forced the worldwide privatization and deregulation of public services in the 1980s and 1990s enabling a massive transfer of ownership and control over essential services and still not satisfied have worked relentlessly since the late 1990s to rewrite the very rules of the global economy to funnel wealth and power into their pockets Want a globalized and homogenized world of conflict poverty and massive environmental degradation run by a corporate oligarchy that wipes its feet on democracy Or a democratic world where poverty is history companies work for people and clean water is a right not a privilege you pay for

Beder's message is clear it's your world and it's time to fight for it **Understanding Management Critically** Suzette Dyer, Maria Humphries, Dale Fitzgibbons, Fiona Hurd, 2014-02-17 In these times of global economic crisis social unrest towards the powers that be and a yearning for alternative systems and organization it is now more relevant than ever for you to take a critical stance to your management studies in order to analyse understand and question the world around you and the capitalist stronghold in which you live and work This new thought provoking text uses critical theory and revolutionary ideas to help you challenge the status quo and prevailing ideologies in management It covers key issues thinkers and topics in an accessible style to provide a broad and clear understanding of vital theory which is applied to the real world through international case studies and reflective questions and think points for you to carry into practice A companion website provides additional learning materials for personal study and class activities This text is essential reading for any undergraduate or postgraduate student studying critical management or any management course with a critical slant
