*Economic Survey of Latin America and the Caribbean, 1985/e.87.ii.g.2*, 1988      *Economic Survey of Latin America and the Caribbean, 1988* United Nations. Economic Commission for Latin America and the Caribbean, 1990-04-01      Economic Survey of Latin America and the Caribbean 1993-1996 United Nations Economic Commission for Latin America and the Caribbean, 2006 This publication gives insight into the economic trends the international economy and the role of exchange rate policy in the region It also explores the economic developments by country Included also is a statistical annex on diskette      *Economic Survey of Latin America and the Caribbean, 1985*, 1986      Economic Survey of Latin America and the Caribbean 1985, 1985      *Debt and Crisis in Latin America* Robert Devlin, 2014-07-14 Examining the causes of the acute Latin American debt crisis that began in mid 1982 North American analysts have typically focused on deficiencies in the debtor countries economic policies and on shocks from the world economy Much less emphasis has been placed on the role of the region s principal creditors private banks in the development of the crisis Robert Devlin rounds out the story of Latin America s debt problem by demonstrating that the banks were an endogenous source of instability in the region s debt cycle as they overexpanded on the upside and overcontracted on the downside Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      **The Cambridge History of Latin America** Leslie Bethell, 1984 This is an authoritative large scale history of the whole of Latin America from the first contacts between native American peoples and Europeans in the late fifteenth and early sixteenth centuries to the present day      **Economic Survey of Latin America and the Caribbean** United Nations. Economic Commission for Latin America and the Caribbean, 2015-01-29 The Economic Survey of Latin America and the Caribbean 2014 looks at how economic growth in the region has been slowing since 2011 and the data available for the first six months of 2014 indicate that the region will not match the growth rate of 2.5% recorded in 2013 Growth has been muted over the first few months of the year owing to stagnant gross fixed capital formation and faltering private consumption Government consumption on the other hand has picked up and the net contribution of exports has been more positive than during the same period of the previous year A regional growth rate of 2.2% is forecast for 2014

Economic Survey of Latin America and the Caribbean, 1986      **The Economic History of the Caribbean Since the Napoleonic Wars** V. Bulmer-Thomas, 2012-10-29 Examines the economic history of the Caribbean and is the first analysis to span the whole region      Development and Globalization David F Ruccio, 2012-12-06 Since the mid 1980s David F Ruccio has been developing a new framework of Marxian class analysis and applying it to various issues in socialist planning Third

World development and capitalist globalization The aim of this collection is to show through a series of concrete examples how Marxian class analysis can be used to challenge existing modes of thought and to produce new insights about the problems of capitalist development and the possibilities of imagining and creating noncapitalist economies The book consists of fifteen essays plus an introductory chapter situating the author's work in a larger intellectual and political context The topics covered range from planning theory to the role of the state in the Nicaraguan Revolution from radical theories of underdevelopment to the Third World debt crisis and from a critical engagement with regulation theory to contemporary discussions of globalization and imperialism

*Imperial State and Revolution* Morris H. Morley, 1987 Drawing on personal interviews classified documents obtained through the Freedom of Information Act and other primary sources this study presents the most comprehensive analysis to date of the Kennedy and Johnson administrations efforts to isolate Cuba politically within Latin America and economically throughout the capitalist world
