## **Economics In America Opposing Viewpoints Opposing Viewpoints Series:**

Opposing Viewpoints Series: Economics in America, 1970 Economics in America David L. Bender, Gary E. McCuen, 1976 Alternative points of view on morality and values the role of government big business and free enterprise tax reform the national debt social security and multinational corporations Economics in America Terry O'Neill, 1986 A collection of articles that covers many points of view about American economics and its value system Reading Programs for Young Adults Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs **Native North Americans in Literature for Youth** Alice Crosetto, Rajinder Garcha, 2013-09-12 Native North Americans have rich and diverse cultures and traditions However many misconceptions prejudices and stereotypes exist due to the lack of understanding and ignorance of these cultures It is important that children and adolescents learn about and appreciate the invaluable contributions that North American Native groups have made to American society Equally important is the availability of resources that accurately and objectively portray the historical events that occurred when European settlers displaced thousands of Native North Americans from their ancestral homelands In Native North Americans in Literature for Youth Alice Crosetto and Rajinder Garcha identify hundreds of appropriate and quality resources including books Internet sites and media titles for K 12 students and educators Entries are subdivided into chapters covering geographic regions history religions social life customs and traditions nations oral tradition biographies and fiction Additionally there are chapters for general reference resources curricular resources for educators media and Internet sites Annotations provide complete bibliographical descriptions of the entries and each entry is identified with the grade level for which it is best suited Reviews awards series and URLs for supplemental online resources are also included Anyone especially students teachers librarians and parents interested in locating useful and accurate resources regarding Native North Americans will find this reference book a helpful and essential tool Today's Economic Issues Nancy S. Lind, Erik T. Rankin, Gardenia Harris, 2016-08-15 What are the real differences between the Democrats and the Republicans on major economic issues that influence the character and vitality of the American economy This volume answers this question in a thorough nonpartisan

and evenhanded fashion Both the Democratic and Republican parties proclaim that they have the best interests of the nation and its people at heart Both are also adamant that they have the best proposals and positions on economic policies including taxation spending priorities wages business regulation and other influences on economic growth and household finances This volume carefully examines the two parties respective policies providing a detailed yet readable and understandable look at how the parties agree disagree and find compromise on the broad range of problems and issues facing American society in the 21st century Each entry includes an infographic that offers bulleted at a glance summaries of the two parties positions on each issue today an Issue Overview providing basic definitions and background for understanding the debate on each issue and a main entry that explains prevailing party sentiments the diversity of opinion within each party and the shifts in party position on that issue over time Selected entries also feature informative sidebars that supply additional content such as primary documents that showcase the viewpoints of key political figures and institutions or biographical profiles of individuals who have helped shape their party s policies on the issue in question
