Economics Of International Transfers:

The Economics of International Transfers Steven Brakman, Charles van Marrewijk, 1998-12-10 An economic analysis of the theory modelling and history of international transfers The Economics of International Payments Unions and **Clearing Houses** Byron G. Auguste, 2016-07-27 International payments unions and clearing houses have been employed by 88 countries in Europe Asia Africa Latin America and the Caribbean to liberalise regional trade and payments during the past 50 years Yet their impact on participating countries has not been well understood When the republics of the former Soviet Union were deciding on new monetary regimes many economists proposed a payments union but could not estimate its potential benefits or risks This book presents the first fully articulated theory of international payments unions and clearing houses in order to answer the questions When should a country choose to participate in a payments union What benefits and costs have actually resulted from existing and past clearing houses When should countries in a clearing house seek to form a Fundamentals of International Transfer Pricing in Law and Economics Wolfgang Schön, Kai A. Konrad, 2012-02-15 The taxation of multinational corporate groups has become a major concern in the academic and political debate on the future of international taxation In particular the arm's length standard for the determination of transfer prices is under increasing pressure Many countries and international bodies are now taking a closer look at the use of transfer prices for profit shifting and are exploring alternative mechanisms such as formulary apportionment for the allocation of taxing rights With regard to this topic this volume is the first to offer a concise analysis of transfer pricing in the international tax arena from an interdisciplinary legal and economic point of view Fundamentals such as the efficient allocation of resources within multi unit firms and distortions between different goals of transfer pricing as well as different aspects of it in tax and corporate law the traditional OECD approach and practical aspects concerning intangibles capital and risk allocation are covered by outstanding authors **International Trade and Economic Dynamics** Takashi Kamihigashi, Laixun Zhao, 2008-10-16 Renowned trade theorist Koji Shimomura passed away in February 2007 at the age of 54 He published nearly 100 articles in international academic journals The loss of this extremely productive economist has been an enormous shock to the economic profession This volume has emerged from the great desire on the part of the profession to honor his contributions to economic research Contributors include authoritative figures in trade theory such as Murray Kemp Ronald Jones Henry Wan and Wilfred Ethier world renowned macroeconomists such as Stephen Turnovski and Costas Azariadis and leading Japanese economists such as Kazuo Nishimura Makoto Yano Ryuzo Sato and Koichi Hamada This broad range of contributors reflects Koji Shimomura's many connections as well as the respect he earned in the economic profession This volume offers the reader a rare opportunity to learn the views of so many renowned economists from different schools of thought The Origins of International Economics: The German transfer problem and international capital movements Robert William Dimand, 2004 A collection of materials reprinted from various sources

McGuire, Shintaro Nakagawa, 2019-07-23 In this book the authors demonstrate how the economics of insurance risk reduction and damage control or limitation can be combined with concepts of collective choice and collective behavior to improve analysis of the escalating threats faced by alliances throughout the world The book develops a theory of risk management as integrating likelihood of loss magnitude of loss and isolation from loss into a consolidated model It extends existing concepts of individual risk management by a single person to decision theory for an entire country managed by a government bureaucracy and lodged in a universe of overlapping alliances. The authors uncover a tendency inherent in any bureaucracy for policy coordination in the realm of risk control to fail because of misunderstanding disinterest or perverse incentives Understanding such incentives is essential to any sort of progress in risk management of proliferating national and global threats Self protection aims to reduce the chances of loss This reduction may require the use or threat or promise of use of defensive military weapons or depending on context the use of offensive military weapons Japan's constitution limits Japan to use of defensive measures only even if Japan and the USA have formed a military alliance This places Japan at an economic corner solution of providing only self insurance However the Abe government intends to change the interpretation of the constitution so that Japan can provide a full range of self protection as well as self insurance With the prospect of such constitutional change this book becomes of special relevance to Japan's national security **Guide to International Transfer Pricing** Dr A. Michael Heimert, T.J. Michaelson, 2018-10-26 The pricing of goods services intangible property and financial instruments within a multi divisional organization particularly in regard to cross border transactions has emerged as one of the most contentious areas of international tax law This is due in no small measure to the rise of transfer pricing regulations as governments seek to stem the flow of their tax revenue from their jurisdictions. This thoroughly practical work provides guidance on an array of critical transfer pricing issues The guide's relevance is further enhanced by the inclusion of Dynamics. country chapters covering domestic transfer pricing issues in a variety of key national jurisdictions **Economic Growth, and International Trade** Bjarne Sloth Jensen, Kar-yiu Wong, 2010-03-11 Combines two areas in economics the theory of economic growth and the theory of international trade International Review of Agricultural Economics ,1914 International Transfer Pricing in Asia Pacific J.
