Labour Economics: Theory and practice Kalandar Abdurakhmanov, 2020-05-17

Abdurakhmanov K Kh Labour Economics Theory and practice textbook K Kh Abdurakhmanov

Issues of labour economics and evolution of the economic views of Eastern thinkers the process of attracting and using labour power new forms of employment the labour market the economics of social and labour relations organization and wages incomes of workers level and quality of life of the population as well as the strategy of decent work in innovative conditions of economic development are considered in the textbook

For students of economic specialization of Central Asia studying in Europe and the United States and the widest range of readers interested in problems of Economics Republic of Uzbekistan This book Labour Economics Theory and Practice was presented at the International Conference This book Labour Economics Theory and Practice was presented at the International Conference in 2019 in Tashkent Uzbekistan with participation of Government of the Republic of Uzbekistan and Russian Federation as well as foreign countries Embassies and in particular UK Ambassador in Tashkent Uzbekistan Timothy Torlot

As it is known during 25 years of independence of the Republic of Uzbekistan scientists and researchers have not had opportunity to exchange research the latest scientific achievements and developments

Over the past 3 years new President of Uzbekistan Shavkat Mirziyoyev has fundamentally changed his approach to domestic and foreign policy of the country due to which Central Asian region has entered a new stage in development of interactions in cultural and humanitarian cooperation

There arose a necessity of interaction between scientists to deepen cultural and humanitarian cooperation

Academician Kalandar Abdurakhmanov was the first who presented new generation textbook Labor Economics Theory and Practice in Uzbek at international conference and arose a great interest of international scientific community in this scientific work as a result the textbook was firstly translated from Uzbek into Russian Kazakh Kyrgyz Tajik and English

And it is planned to publish the textbook in Chinese Japanese Malaysian and Indonesian

It shows that scientists of new generation and format are represented in the Republic of Uzbekistan

In February 2019 the leading academic economist academician of the Academy of Sciences of the Republic of Uzbekistan Kalandar Abdurakhmanov presented the fundamental work in Uzbek language Labor Economics Theory and Practice devoted to modern issues of sustainable employment formation and strengthening the role of human resources in modern conditions of innovative development of the economy

During the International Conference Plekhanov International Readings a global scientific conference held in Tashkent Uzbekistan in 2019 after acquaintance of the scientific community with this textbook an idea of rector of the Russian Economic University named after G V Plekhanova Victor Grishin to publish the Uzbek textbook Labor Economics Theory and Practice in the Russian Federation in Russian language was put forward

It should be noted that the scientific community of a number of Central Asian states also showed their interest in this publication

This is due to the fact that the new revised and updated edition of the textbook Labor Economics Theory and

practice of academician Kalandar Abdurakhmanov is a fundamental work covering the latest achievements of this science. Writing of this textbook is totally a new step in the direction of high qualified personnel training that is full with innovative changes on a global scale. The scientific community of a number of foreign countries also showed their interest in the publication as University students in developed countries study the sciences of Labor economics and Modern Labor economics which cover the most modern areas of labor economics theory. In the textbook academician Kalandar Abdurakhmanov takes into account all the latest achievements in this discipline. The author of the textbook is academician of the Academy of Sciences of the Republic of Uzbekistan. Kalandar Abdurakhmanov has extensive experience in this field. Scientific monographs, textbooks and tutorials of the academician are published in the USA, Germany, France, Norway, China, Malaysia, Indonesia, Finland, South Korea, Japan, Russia and other countries. Created on the basis of Tashkent State University of Economy and led by it, the scientific school Labor Economics is successfully engaged in scientific research on the problems of social and labor relations, studying aspects of improving personnel management, organizing remuneration, improving the mechanism of the labor market, employment issues, conducting scientific disputes, round tables, seminars and conferences on these topics with the participation of leading scientists and economists on labor issues of Uzbekistan. Priority areas have been approved as part of the activities of the scientific school: scientific research for 2020-2021 on the preparation and publication of monographs, scientific collections. Academician Kalandar Abdurakhmanov has published more than 15 articles in Scopus, one of the most respected collections of bibliographic and abstract scientific materials in the world, as well as in the Web of Science. All this, of course, explains the great interest in the new textbook with the new economic approaches of academician Kalandar Abdurakhmanov, both from scientists from the Central Asian region, the Russian Federation and from foreign countries. This scientific work embodies ideas that have recently been shared by many domestic and foreign researchers in the field of labor economics. The book is written at a high professional level. The textbook for the first time disclosed the theoretical aspects of not only Western leading economists but also examined the evolutionary stages of the economic views of Eastern thinkers such as Abu Nasr al-Farabi, Muhammad Khorezmi, Abu Rayhon Biruni, Abu Ali ibn Sina, Avicenna, Khoja Ahmed Yasawi, Mirzo Ulugbek, Alisher Navoi, Amir Temur, Babur and many other geniuses, not only of Islamic but also of world civilization.
