2. Never use a long word where a short one will do (see Short words).
3. If it is possible to cut out a word, always cut it out (see Unnecessary words).
4. Never use the Passive where you can use the active.
5. Never use a foreign phrase, a scientific word or a Jargon word if you can think of an everyday English equivalent.
6. Break any of these rules sooner than say anything outright barbarous (see Iconoclasm).
