This study is laid out into thirty-two sessions that can be completed in one school year. It can be tailored to a junior/senior high school class setting, a two semester college level setting, or to a less formal teen or adult Bible study group setting. Learning is reinforced by students reading the Word, then hearing the Word, and then writing about the Word. Each session covers main events and/or people relevant to the Bible's main message. The main message is that God's plan to save a fallen world was accomplished through the redemptive act of his son Jesus, who died on the cross and rose from the grave. For all who believe in Jesus, he will grant eternal life. By the time you complete all thirty-two sessions, you will have spent time in every one of the sixty-six books in the Bible. In the teacher's copy, detailed information is provided to help the teacher design his or her course that will be most relevant to the class setting. Further, the teacher's copy contains all of the answers to the questions in every session. *Bible in a Nutshell Study Guide* Sarah V Tinsley, 2008-07-28 Is your church group looking for a Bible study guide?
