Get Rich, Stay Rich, Pass It On Catherine S. McBreen,George H. Walper Jr.,2007-12-13 How the everyday investor can ramp up to multigenerational perpetual wealth There s a new standard of wealth today and many people don t realize they re part of the club More than thirty three million American households are now mass affluent with a net worth

between 100 000 and 1 million not including the house they live in They know they re doing well but few realize that they have the potential to achieve much more Get Rich Stay Rich Pass It On is based on groundbreaking research into America s richest families Each year McBreen and Walper s firm surveys more than five thousand millionaire and megamillionaire households and conducts many in person interviews online research and historical analysis The authors know better than anyone who the megarich are where they work how they invest and how they plan their estates The lessons they draw from their research will surprise you It turns out that there are many ways to get rich but only two definitive ways to ensure perpetual wealth This is a powerful book for small business owners professionals and ambitious people of all ages *Let Mutual Fund Work For You* Jayant Parida,2022-01-18 About Book Mutual Fund investments are subject to market risk This is a quite generic term But how much risk it really takes and what is the reward with respect to the risk it takes It will vary from fund to fund and scheme to scheme We have thousands of mutual fund schemes available And every month the fund houses come with an NFO with some objectives So the million dollar question is which one would be ideal for our requirement or do these objectives match with investors To understand this we have to understand how the schemes are formed and the various technicalities of the mutual fund industry This book covers the various aspects of mutual fund investment like How the mutual fund works What are the different types of funds available How the returns and risks are calculated and how can we manage a balance between both Objectives and thoughts behind this type of investment and how can we invest accordingly How to build a mutual fund investment portfolio How not be biased for investment And finally tax implications of mutual fund investments This is not an investment advice guide rather a knowledge enabler About the Author The author is an engineer by profession and writer by passion Having worked in various technology industries over years and out of curiosity he had gained a lot of knowledge in various fields like technology and finance His areas of interest are technology finance history and literature Nowadays with the availability of so many resources for entertainment we have forgotten the old ways of entertainment which we used to do around 20 to 30 years ago like reading books and gaining a lot of knowledge from them He started various blogs to reiterate the art of story telling for various subjects The best way to learn about finance or anything else is by reading a good book because the internet constantly bombards you with a lot of resources which makes the consumer out of focus Apart from his work he loves to teach various topics over internet platforms through blogs and video courses He has written this book because of his love to share knowledge with the world and embed the knowledge within each individual and take control of their financial journey **The Secrets of Getting Rich** David J.
