physical body should be bigger that is taller but not wider while her expansive spiritual body should be smaller Self destructive behaviors emerge from too much attention on the external rather than the internal workings of the soul Frankel flirts with eating disorders and unhealthy relationships with powerful males in an attempt to compensate for her feelings of not measuring up In the process her real self slips farther away The path out of her dilemma lies in the shadow of the tallest mountain on Earth It is through a spiritual pilgrimage to Nepal that Frankel discovers her own strength and spirit and that we are all dwarfed by Everest and beyond measure If you have ever measured your height or weight and felt good or bad about yourself as a result you need this book says Marilyn Wann author of FAT SO Because You Don t Have to Apologize for Your Size In its pages Ellen Frankel makes an important contribution to human liberation by telling the most fabulous story that can be told the story of a person coming fully into her own This book is thought provoking heart rending and a genuine solace for people of all sizes *Supernatural Security Force The Complete Series* Heather Hildenbrand, New Orleans is a city of magic and mayhem a fact that the Supernatural Security Force goes to great lengths to keep under wraps But that s not the only thing the corrupt Nephilim are hiding The only thing I know for sure when I get the horrible news is that my father s death wasn t an accident I ll do whatever it takes to prove it including joining the demon hunting agency he gave his life to serve I m on my first solo mission for the agency when it all goes to sh t My savior An angel of death more powerful than anything I ve ever seen Tall dark and too handsome for his own good He won t give me his name and I refuse to let him see how intrigued I really am But I promise to keep him a secret from those who would do him harm Something tells me breaking a promise to someone like him would be the kiss of death And I ll do anything to keep him coming back This bundle includes all 5 books in this hilarious romantic page turning urban fantasy series from Heather Hildenbrand The Forest Worker United States.
