Growing Up on the South Side M. Mark Stolarik, 1985 *Autobiographical Reflections on Southern Religious History* John B. Boles, 2001 Invoking the strong ties they sense between the courses of their lives and their careers the sixteen historians of religion who have contributed to *Autobiographical Reflections on Southern Religious History* share their thoughts and motivations In these highly personal essays both pioneering and promising young scholars discuss their work and interests as they recall how the circumstances of their upbringing and education steered them toward religious history They tell of their own time and place and of their growing awareness of how religion ties into larger social issues gender class and most notably race Indeed one essay begins I was asked to write about why I came to study religion in the South It was then I realized that it was because my grandfather had been lynched Lutheran Jewish Catholic Methodist and Episcopal viewpoints are represented as of course are Baptist Some contributors have stood in the pulpit others at least commenced their higher education with that aim While some contributors were born and reared and now work in the Bible Belt others are outsiders physically philosophically or both Some came from intellectual traditions others were the first in their family to attend college Despite their common interest in its history southern religion is anything but an intellectual abstraction for the contributors to this book It is a potent force and here sixteen men and women offer themselves as proof of its power to shape lives

Andrews,2002-09-20 Mark Twain s boyhood home of Hannibal Missouri often brings to mind romanticized images of Twain s fictional characters Huck Finn or Tom Sawyer exploring caves and fishing from the banks of the Mississippi River In City of Dust Gregg Andrews tells another story of the Hannibal area the very real story of the exploitation and eventual destruction of Ilasco Missouri an industrial town created to serve the purposes of the Atlas Portland Cement Company In this new edition Andrews provides an introduction detailing the impact of this book since its initial publication in 1996 He writes of a new twist in the Ilasco saga one that concerns the Continental Cement Company s attempt not unlike Atlas s one hundred years earlier to manipulate the sale of a piece of land near its plant in the town He explores the uneasy relationship between preservationists and the plant s CEO and officials in St Louis the growing movement to preserve Ilasco s heritage including the building of a monument to commemorate the early residents of the town and the grassroots petition drive and letter writing campaign that stopped the Continental Cement Company s machinations **The Ethnic Enigma** Peter Kivisto,1989

Sixteen Months of Indecision Gregory Curtis Ference, 1995 As the war continued emphasis changed to focus on assisting the Slovaks only Collections of goods and money were taken and a representative was sent to Canada to help gain the release of Slovaks imprisoned as enemy aliens Citing the Canadian example Slovak American leaders urged their compatriots to become American citizens Last the war caught the Slovaks in the United States by surprise Their political program centered on gaining equal rights in Hungary through legal means but a small group advocated instead a Czecho Slovak solution Although the Czecho Slovak concept gained momentum many Slovaks feared that they would lose their ethnic identity Cooperation initially did not occur in the United States When a Parisian organization of Czechs and Slovaks expressed its willingness to recognize the individuality of the Slovak people the American Slovaks quickly supported it An icy reception however by American Czechs destroyed any common ground *Encyclopedia of North American Immigration* John Powell, 2009 Presents an illustrated A Z reference containing more than 300 entries related to immigration to North America including people places legislation and more
