Growing Up With Bootleggers Gamblers And Pigeons:

Growing Up with Bootleggers, Gamblers, and Pigeons Patrick M. Canfield,1993-07 Signed by the author Tells the history of Shenandoah Pennsylvania and Schuylkill County from the 1890 s to modern times **Medical Caregiving and Identity in Pennsylvania's Anthracite Region, 1880-2000** Karol K. Weaver,2015-10-13 While much has been written about immigrant traditions music food culture folklore and other aspects of ethnic identity little attention has been given to the study of medical culture until now In *Medical Caregiving and Identity in Pennsylvania's Anthracite Region 1880 2000* Karol Weaver employs an impressive range of primary sources including folk songs patent medicine advertisements oral history interviews ghost stories and jokes to show how the men and women of the anthracite coal region crafted their gender and ethnic identities via the medical decisions they made Weaver examines communities relationships with both biomedically trained physicians and informally trained medical caregivers and how these relationships reflected a sense of Americanness She uses interviews and oral histories to help tell the story of neighborhood healers midwives Pennsylvania German powwowers medical self help and the eventual transition to modern day medicine Weaver is able to show not only how each of these methods of healing was shaped by its patrons and their backgrounds but also how it helped mold the identities of the new Americans who sought it out *Natural Enemies* John Knight,2013-01-11 Wild animals raid crops attack livestock and sometimes threaten people Conflicts with wildlife are widespread assume a variety of forms and elicit a range of human responses Wildlife pests are frequently demonized and resisted by local communities while routinely controlled by state authorities However to the great concern of conservationists the history of many people wildlife conflicts lies in human encroachment into wildlife territory In *Natural Enemies* the authors place the analytical focus on the human dimension of these conflicts an area often neglected by specialists in applied ecology and wildlife management and on their social and political contexts Case studies of specific conflicts are drawn from Africa Asia Europe and America and feature an assortment of wild animals including chimpanzees elephants wild pigs foxes bears wolves pigeons and ducks These anthropologists challenge the narrow utilitarian view of wildlife pestilence by revealing the cultural character of many of our natural enemies Their reports from the front line expose one fact human conflict with wildlife is often an expression of conflict between people Coalcracker Culture Harold W. Aurand,2003 The knowledge that they traded their lives for a job generated an overarching fear of losing their income **BOOK JACKET** *The Genteel John O'Hara* Pamela Carol Mac Arthur,2009 The writer John O Hara 1905 1970 came from Pottsville in Pennsylvania He put his home town and the surrounding vicinity under a microscope to produce an account of The Anthracite Region that rivals Edith Wharton s descriptions of New York and Sinclair Lewis s anatomy of Sauk Centre With the discerning eye of a local resident O Hara recreated this coal rich region and its people so well that his novelettes novellas novels plays and short stories give a true record of his Pennsylvania Protectorate in the latter part of the nineteenth century and the first half of the twentieth century In order to reveal the

ethnographical geographical and historical authenticity of the O Hara Canon this book examines his writings in the context of Pottsville and the borough of Tamaqua as well as the nearby towns and villages The author also investigates both O Hara s genteel upbringing and his gangster stratum The book explores the many dimensions of O Hara s life from the time of his birth until his escape to New York City in 1928 New sources such as unpublished letters and interviews with O Hara s family friends and enemies provide important insights into O Hara as well as into Pottsville and the surrounding region **Pigeon**

Trouble Hoon Song,2011-06-06 Pigeon Trouble chronicles a foreign born birdphobic anthropologist s venture into the occult craft of pigeon shooting in the depths of Pennsylvania s anthracite coal country Though initially drawn by a widely publicized antipigeon shoot protest by animal rights activists the author quickly finds himself traversing into a territory much stranger than clashing worldviews an uncanny world saturated with pigeon matters both figuratively and literally What transpires is a sustained meditation on self reflexivity as the author teeters at the limit of his investigation his own fear of birds The result is an intimate portrayal of the miners world of conspiracy theory anti Semitism and whiteness all inscribed one way or another by pigeon matters and seen through the anguished eyes of a birdphobe This bestiary experiment through a phobic gaze concludes with a critique on the visual trope in anthropology s self reflexive turn An ethnographer with a taste for philosophy Song writes in a distinctive descriptive and analytical style obsessed with his locale and its inhabitants constantly monitoring his own reactions and his impact on others but always teasing out larger implications to his subject *Yuengling* Mark A.

Noon,2015-09-15 Can you name America s oldest brewery If visions of outsized draft horses plod to mind you re way off Instead head for the mountains of northeastern Pennsylvania In 1829 in Pottsville German immigrant D G Yuengling set up shop to slake the thirst of immigrants flocking to the region s booming anthracite coalfields Five generations have steered the family owned brewery through fires temperance depressions Prohibition and the whims of changing tastes outlasted hundreds of local competitors and turned Yuengling from a regional name into a national institution For 175 years the hard working hands on approach of Yuengling has kept it going and growing while thousands of other brands vanished into history s recycling bin Kick back relax and crack open a cool history of Yuengling and Son Inc America s oldest brewery It begins with the brewery s founding in 1829 by German immigrant D G Yuengling who saw an opportunity in the region s growing beer loving immigrant population Subsequent chapters follow the brewery into the age of bottled beer and advertising through the dark days of Prohibition the age of consolidation when a few big names swallowed up or buried most regional brews and into the age of microbrews when consumers turned away from bland brands in search of a beer with character leading to Yuengling s resurgence on the national scene An epilogue gauges the company s current status and immediate future and a chronology lists key events in the brewery s existence Notes and copious illustrations supplement this history which also includes a list of reference works and an index *Forthcoming Books* Rose Army,1994-02 *The Journal of*
