## **Growing Your Single Adult Ministry 60 Leaders Tell You How:**

**Growing Your Single Adult Ministry**, 1993      *Reaching People Under 40 while Keeping People over 60* Edward H Hammett, 2007-02-01 Many established churches are facing a number of challenges in today's increasingly secular culture. Such a shift in many communities creates a challenge of church growth and church health when it seems that satisfying the needs of one group creates barriers to reaching another group. So many are asking, How do you keep people over sixty years of age who often hold church culture values while at the same time reach people under forty who often hold postmodern values? If a church is interested in growing, this situation becomes a major challenge. *Reaching People under 40 while Keeping People over 60* looks at the church as it seeks to function in a new world. It looks at the differences in the generations and at postmodernism not just a generational difference but a global change. Most importantly, *Reaching People under 40 while Keeping People over 60* looks at what a church can do in this new age to help the church survive and thrive. Foreword by Bill Easum. A TCP Leadership Series title.      **Forthcoming Books** Rose Arny, 2002-02      **Single Adult Ministry** Jerry Jones, 1991      **Sunday School That Really Works, Responds, and Excels** Steve R. This is an updated version of Hammett's 2007 book *Reaching People Under 40 while Keeping People Over 60* that expands the reach another decade and emphasizes diversity with insight from new contributors Paul L. Anderson and Cornell Thomas. A TCP Books title.      **The Seven Deadly Sins of Small Group Ministry** Bill Donahue, Russ G. Robinson, 2009-08-30 Assessment and solution for seven common obstacles to building small groups. It's one thing to start a small group ministry. It's another to keep the groups in your church healthy and headed in the same direction. Whatever your church's approach may be, whether it is a church with groups or of groups sooner or later as a leader, you'll need to do some troubleshooting. That's when the expert to the point guidance in this book will prove its worth. The beauty of this book lies in its unique diagnostic process. It allows you to assess, diagnose, and correct seven common deadly sins that can drain the life from your church's small group ministry. In *The Seven Deadly Sins of Small Group Ministry*, what would take you years to learn through trial and error is distilled into some of the most useful information you can find. Drawing on the knowledge they've gleaned from working inside Willow Creek Community Church, from consulting with hundreds of churches, and from conducting conferences and seminars worldwide, small group experts Bill Donahue and Russ Robinson furnish you with proven, real-life solutions to the toughest problems in your small group ministry. This is not theory; it is hands-on material you can read and apply today.      **Developing a Divorce Recovery Ministry** Bill Flanagan, 1991      **Issachar File**, 1999
