Growing Up Jewish Or Why Is This Different From All Others:

Growing Up Jewish, Or, Why is this Book Different from All Other Books? Jack Moline, 1987 This is the book for readers who have suffered through those peculiar rites of passage including Hebrew school youth group and the obligatory summer Matzo Balls for Breakfast and Other Memories of Growing Up Jewish Alan in Israel Black and white illustrations King, 2007-11-01 Alan King the beloved comic actor producer author philanthropist and storyteller extraordinaire has compiled a wonderfully readable book about growing up Jewish with totally original contributions by famous people Combining warmhearted humor with a prideful nostalgia these essays discuss life in the Jewish family and neighborhood being a Jew in a non Jewish world Jewish holidays and discovering the essence of being Jewish Shush! Growing Up Jewish under Stalin Emil Draitser, 2008-09-04 Many years after making his way to America from Odessa in Soviet Ukraine Emil Draitser made a startling discovery every time he uttered the word Jewish even in casual conversation he lowered his voice This behavior was a natural by product he realized of growing up in the anti Semitic post Holocaust Soviet Union when Shush was the most frequent word he heard Don t use your Jewish name in public Don t speak a word of Yiddish And don t cry over your murdered relatives This compelling memoir conveys the reader back to Draitser's childhood and provides a unique account of midtwentieth century life in Russia as the young Draitser struggles to reconcile the harsh values of Soviet society with the values of his working class Jewish family Lively evocative and rich with humor this unforgettable story ends with the death of Stalin and through life stories of the author's ancestors presents a sweeping panorama of two centuries of Jewish When a Jew Celebrates Harry Gersh, 1971 Describes the special days celebrated by a Jew and the Jewish history in Russia **The Corporation** Norman Shabel, 2007 **Grow Up in Christ** David C Cook,2018-05-04 These lessons help community kids understand how they can grow up in Christ by searching for and finding God's goodness discovering ways to show Christ s love and telling about their hope in Jesus A 52 Week Bible Journey Just for Kids Route 52 is a Bible based journey that will take kids through the Bible every year from age 8 to 12 Every lesson features Scripturally sound themes Culturally relevant hands on activities Age appropriate Bible learning challenges Reproducible life application activity pages Route 52 Bible lessons will help kids learn the Bible and how to apply it to their lives at their own level of spiritual development These reproducible Bible lessons are appropriate for Bible school children's church youth group kids club and midweek Bible study The Equality of Flesh Brent Dawson, 2024-06-15 The Equality of Flesh traces a new genealogy of equality programs before its formalization under liberalism While modern ideas of equality are defined through an inner human nature Brent Dawson argues that the sixteenth and seventeenth centuries conceptualized equality as an ambivalent and profoundly bodily condition Everyone was made from the same lowly matter and as a result shared the same set of vulnerabilities needs and passions Responding to the political upheavals of colonialism and the intellectual turmoil of new natural philosophies leading figures of the English Renaissance including Edmund Spenser and William Shakespeare anxiously imagined that bodily

commonality might undermine differences of religion race and class As the period progressed later authors developed the revolutionary possibilities of bodily equality even as new ideas of fixed racial inequality emerged Some like the utopian radical Gerrard Winstanley and the republican poet John Milton challenged political absolutism through the idea of humans as base embodied creatures Others like the heterodox philosopher Margaret Cavendish the French theologian Isaac La Peyr re and the libertine Cyrano de Bergerac offered limited yet important interrogations of racial paradigms This moment Dawson shows would pass as bodily equality was marginalized in the liberal theories of John Locke and Thomas Hobbes In its place during the Enlightenment pseudoscientific racism would come to anchor inequality in the body Contending with the lasting implications of material equality for modernity The Equality of Flesh shows how increasingly vehement notions of racial difference eclipsed a nascent sense of human commonality rooted in the basic stuff of life The Religious Other Martin Accad, Jonathan Andrews, 2020-12-31 We live at a time when religious diversity has become a fact of life in our globalized societies Yet Christian engagement with Muslims remains complex complicated by fear misunderstanding and a history fraught with political and cultural tensions These essays drawn from the 2018 and 2019 Middle East Consultations hosted by the Arab Baptist Theological Seminary's Institute of Middle East Studies engage the need for a carefully developed theological understanding of Islam its origins and its sacred text Weaving together the work of christian scholars of Islam the Bible theology and missiology along with the insights of ministry practitioners this book combines scholarly exploration with pertinent ministry practice offering a rich framework for the church to continue its conversation about its engagement with Muslim communities and its proclamation of Christ worldwide **The Jesus Dynasty** James D. Tabor, 2007-04-24 Based on close analysis of early Christian documents and recent archeological discoveries by the author and other experts The Jesus Dynasty offers a bold new interpretation of the life of Jesus and the origins of Christianity of illustrations Christian Religion
