Economic Development of the North Atlantic Community Dudley D. Dillard,1967 **Economic development of the North Atlantic Community** Dudley Dillard,1988 **Economic Development of the North Atlantic Community** Dudley D. Dillard,1967 *Agricultural Economics Research* ,1968 **Entrepreneurship Research in Europe** Alain Fayolle,Paula Kyrö,J. M. Ulijn,2005-01-01 In this vital new book leading international scholars highlight the unique characteristics and rich variety of European research in entrepreneurship They pursue several different perspectives and focus on the key issues and most significant developments in the field **The Journal of Agricultural Economics Research** ,1987 **Handbook of Entrepreneurship and Sustainable Development Research** Paula Kyrö,2015-01-30 Allying and expanding the diverse fields of entrepreneurship and sustainable development research is a modern day imperative This Handbook paints an illuminating picture of the historic and current understanding of the bond between entrepreneurship and *Reader's Guide to American History* Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history Economic Development E. Wayne Nafziger,2006 In this fourth edition of his textbook E Wayne Nafziger analyzes the economic development of Asia Africa Latin America and East Central Europe This comprehensive and clearly written text explains the growth in real income per person and income disparities within and between developing countries The author explains the reasons for the fast growth of Pacific Rim countries Brazil Poland and recently India and the increasing economic misery and degradation of large parts of sub Saharan Africa The book also examines China and other post socialist economies as low and middle income countries without however overshadowing the primary emphasis on the third world The text is replete with real world examples The exposition emphasizes the themes of poverty inequality unemployment the environment and deficiencies of people in less developed countries The guide to the readings through bibliography and websites with links to development resources makes the book useful for students writing research papers **The Political Economic Foundation of Democratic Capitalism** Alan Ertl,2007-05 This book traces both authoritatively and analytically the development of the ideas relating to the modern conceptualized understanding of the notions of Democracy and Capitalism **The Developing Countries and the World Economic Order** Lars Anell,Birgitta Nygren,2013-11-07 The Developing Countries and the World Economic Order provides a lucid introduction to the debate

about the developing countries and the quest for a New International Economic Order The primary objective is to indicate some of the fundamental requirements that must be satisfied by an equitable world order Since the present economic situation and demands of developing countries cannot be understood thoroughly without prior knowledge of how the present world order has evolved Part I begins with a detailed historical survey An account of economic development up to the Second World War and of the colonial heritage of the developing countries is followed by a description of the way in which the postwar world order came into being Part II analyses more recent developments including the central demands of developing countries and the background to these demands and outlines a new perspective on the NIEO programme with suggestions are offered on how the developing countries could secure for themselves a larger share of the world's resources A major theme of the book is that important changes in the world order take place irrespective of the recommendations adopted at international conferences Information, Social Relations and the Economics of High Technology Michael

Perelman, 1991-06-18 A discussion of various types of capitalism and the evolution of the firm The book examines the concept of the firm in the context of class conflict and considers markets as an impediment to economic process Finally the book examines the use of computer software as a public good **Encyclopedia of World Trade: From Ancient Times to the**
