Economic Analysis Of Government And Related Theories:

Monetary and Fiscal Policy: Politics Torsten Persson, Guido Enrico Tabellini, 1994 This is the first of two volumes on a theory of macroeconomic policy that analyzes which policies are credible or politically feasible Instead of looking at policy as an end product the contributors approach policy as an ongoing process of revised goals changes in tactics and political pressures They consider what kinds of incentives within different institutional settings drive policy making and the behaviour of policy makers The approach explains why certain monetary and fiscal policies are implemented and provides insights into situations that occur repeatedly in macroeconomic policy such as the bias toward government deficits partisan competition and central bank independence

Public Finance in Theory & Practice S K Singh, 2008 Useful for Graduate and P G Students of Economics and Candidates Appearing for Competitive Examinations It examines every major problem of the economy of public sector first in the context of the developed countries of the western world and then their relevance is looked into from the angle of the developing countries

Fuzziness, Democracy, Control and Collective Decision-choice System: A Theory on Political Economy of Rent-Seeking and Profit-Harvesting Kofi Kissi Dompere, 2014-03-15 This volume presents an analysis of the problems and solutions of the market mockery of the democratic collective decision choice system with imperfect information structure composed of defective and deceptive structures using methods of fuzzy rationality The book is devoted to the political economy of rent seeking rent protection and rent harvesting to enhance profits under democratic collective decision choice systems The toolbox used in the monograph consists of methods of fuzzy decision approximate reasoning negotiation games and fuzzy mathematics The monograph further discusses the rent seeking phenomenon in the Schumpeterian and Marxian political economies where the rent seeking activities transform the qualitative character of the general capitalism into oligarchic socialism and making the democratic collective decision choice system as an ideology rather than social calculus for resolving conflicts in preferences in the collective decision choice space without violence
