Axel Last year my band Grindstone hit the stage at Rocktoberfest our big break at last But in the middle of that triumph my love life crashed into disaster I ve been in love with Hugo Threadgold for years but he was once my high school music teacher so I figured he was off limits Then in Black Rock I discovered he was aware of me too and for a moment I thought I d get it all I came clean about my feelings but my heart cracked when Hugo turned and walked away I m not giving up though I m ready to lose my straight guy image for him if only I can make him believe in us Hugo Ten years ago Axel and his best friend Ed were my most promising students I taught them everything I could about music and watched them struggle to become the musicians they are today But boys become men and last October in Nevada Axel told me he d developed romantic feelings for me I was rattled I d never let myself look at him that way Now that he s put the idea in my head I can t get him out of my mind The man he s become is someone strong and talented determined and attractive Someone I could fall for But isn t it my duty to keep things professional and walk away from the man who tempts me as no one else ever has Grindstone s Edge is a book in the multi author Road to Rocktoberfest 2024 series Each book can be read as a standalone but why not read them all and see what antics our bands get into next Hot rockstars and the men who love them what more could you ask for Kick back load up your e reader and enjoy the men of Rocktoberfest **Between the Wars** Max Overton, 2021-03-18

Schramm,2013-10-15 The purpose of this study of remedies is to offer a living imaginative picture of the metallic remedies of anthroposophic and homeopathic medicine In contrast to chemical agent based medicine anthroposophic remedies are based on a paradigm that focuses on processes and spiritual evolutionary relationships Fairy tale imaginations allow us to recognize spiritual efficacies in their lawfulness making it possible to develop the kind of understanding that matches the nature of the remedies Approaching remedies through fairy tales is not a way of recasting abstract scientific information in a more accessible and

interesting form but is the appropriate approach for these remedies The author interprets fairy tale imaginations on three different levels the planetary spheres metal processes and human soul qualities In this way they offer us a marvelous holistic picture of the action of the metals in therapy The book also demonstrate that the imaginations in fairy tales have broad significance in and of themselves Simply occupying oneself with them can be a genuine help in life Both research and experience confirm that the healing effects of practicing imagination can extend to the physiological processes of the body The Healing Power of Planetary Metals shows that working with imaginations has real significance today **The Hot and the Cold** Jacques M. Chevalier,W. Andrés Sánchez Bain,Andrés Sánchez Bain,2003-01-01 Examines indigenous worldview and myth to challenge the prevailing notion that hot cold reasoning of health and illness in Latin America is a product of the Hippocratic humoral doctrine brought by the Spaniards in the sixteenth century The Untold Story of the Rejected Stone: Part One Rose Addo,2021-03-19 This is an emotional inspirational life story by me Rose Addo which started from a little village in the Adangbe District of Ghana in West Africa which is barely known to Ghanaians There are horrible things no one should ever experience in life in this condition I was born in that village The depressions I have the guinea worm disease I had the rejections the verbal and emotional and physical abuses bullying since my childhood and much more the rape these are things I m still dealing with because it feels fresh in my heart with the scars in my soul though I m sixty three years old and it s a miracle a divine intervention that I am counted among the living Meanwhile my mom went through this too just a little bit compared to my situation but she died in her early forties And my favorite uncle Odoi who opened my eyes to the American dream also died in his late teens and it came to a point where I begged God to make me lose my memory in order for me not to remember or feel pains and then I asked him to take my life because he gave it to me since my pains are unbearable but he declined my requests and rather he keeps protecting me and he gave me the spirit of endurance and he made me fearless And also he brought angels in human form to encourage me and to provide for me And by the most high God I Rose the rejected stone am among the luckiest survivors whose untold story will be shared with the world to give them hope and to wait patiently on the Lord that if he did it for me then he will surely do it for them also at his own time *God's Radical Love in Missio Dei* Edward Kim,2024-12-30 Although missio Dei the mission of God has been a burning theme in missiology since the end of the twentieth century a key verse John 3 16 has been widely neglected in missiology until today Yet John 3 16 reveals missio Dei as the triune God s salvific activities in the world and shows us the very motivation for missio Dei God s Radical Love a love so vast transcultural and universal that no English words can translate the Hebrew Three questions are explored herein How does God s Radical Love in John 3 16 justify God s motivation for missio Dei as the work of the triune God in the Old Testament What does God really plan to achieve in missio Dei And how can missio Dei be applied by Christians in the twenty first century Based on his own experiences the author specifically explores how Messianic Jewish congregations in Israel could respond to and participate in missio Dei with the hope that thoughtful readers may apply

this study to their own contexts to engage their own congregations with a deeper understanding of God's Radical Love in missio Dei

The Keys of Power J. Abbott, 2022-02-01 This book first published in 1932 demonstrates how the control of certain isms has for long moulded the interpretation of Indian belief and ritual by Western writers particularly In every chapter there is some new coordination often iconoclastic of then accepted theory whilst the new wealth of customs carefully recorded is astonishing

Long disputed problems such as that of the Maratha devak or that of the ceremonial sowing of seedlings known to Western scholars as the gardens of Adonis have at last been settled through careful research Selections Cotton Mather,1926

Selections from Cotton Mather Cotton Mather,1926 **Written in Stone The Fourth Commandment** Michael A. Catellier,2025-01-09 With this book I feel it is important for Christians to know that the promise of eternal salvation life forever with God is a promise that began at the beginning with Adam in the garden of Eden for the benefit of all mankind It was given so that we would know who was coming and by which manner He would come Many people suggest alternatives to the history of such a promise by way of enacting false religious ideas God s promise was passed through a single bloodline from the son of Adam to the final person who would fulfill the promise It was passed orally until the Israelites were freed from Egypt and then given to them in written form because after 430 years of captivity they were unable to maintain the promise as a nation As Christians this was an opportunity for us to have not only the laws written down especially the Ten Commandments that we would know without question who the Messiah truly is The bottom line is that the laws and information of the Scriptures began from the garden and this book s intention is to show this The Ten Commandments of God And he declared unto you his Covenant which he commanded you to perform even Ten Commandments and he wrote them upon two tables of stone Deuteronomy 4 13 KJV And God spake all these words saying I am the Lord thy God which have brought thee out of the land of Egypt out of the house of bondage Thou shalt have no other gods before me Thou shalt not make unto thee any graven image or any likeness of anything that is in heaven above or that is in the earth beneath or that is in the water under the earth Thou shalt not bow down thyself to them nor serve them for I the Lord thy God am a jealous God visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me And shewing mercy unto thousands of them that love me and keep my commandments Thou shalt not take the name of the Lord thy God in vain for the Lord will not hold him guiltless that taketh his name in vain Remember the sabbath day to keep it holy Six days shalt thou labour and do all thy work But the seventh day is the sabbath of the Lord thy God in it thou shalt not do any work thou nor thy son nor thy daughter thy manservant nor thy maidservant nor thy cattle nor thy stranger that is within thy gates For in six days the Lord made heaven and earth the sea and all that in them is and rested the seventh day wherefore the Lord blessed the sabbath day and hallowed it Honour thy father and thy mother that thy days may be long upon the land which the Lord thy God giveth thee Thou shalt not kill Thou shalt not commit adultery Thou shalt not steal Thou shalt not bear false witness against thy neighbour Thou shalt not covet thy neighbour s house thou shalt not covet thy neighbour s wife nor his manservant nor his maidservant nor his ox nor his ass nor any thing that is thy neighbour s And all the people saw the thunderings and the lightnings and the noise of the trumpet and the mountain smoking and when the people saw it they removed and stood afar off And they said unto Moses Speak thou with us and we will hear but let not God speak with us lest we die Exodus 20 1 19 KJV
