Group Counseling With Juvenile Delinquents The Limit And Lead Approach:

Group Counseling with Juvenile Delinquents Matthew L. Ferrara, 1991-10-10 A successful group treatment for juvenile delinquents which combines traditional and contemporary influences is described in this volume Ferrara discusses the characteristics of delinquents relevant to understanding the value of group approaches gives practical advice for conducting group sessions and provides a workbook for use directly with group members Scenarios for role play and a test for evaluating the group s effectiveness for individual members are also included

Construction, Operations, and Staff Training for Juvenile Confinement Facilities David Roush, 2000 *Construction, Operations, and Staff Training for Juvenile Confinement Facilities* David Walter Roush, 2000 *Desktop Guide to Good Juvenile Detention Practice* David Walter Roush, 1996

Juvenile Justice Francine Sherman, Francine Jacobs, 2011-09-15 The lessons in this book remind us that we can and that we must do better for the sake of our children their futures and the sake of our nation This volume is a call to action and I encourage everyone who reads it to take steps to ensure that all America s children are given an equal chance to succeed We must all work together to replace the cradle to prison pipeline with a pipeline to responsible productive adulthood From the Foreword by Marian Wright Edelman JD President and founder Children s Defense Fund Washington DC

Juvenile Justice Advancing Research Policy and Practice appears at a critical time when promising juvenile justice reforms are underway in so many jurisdictions across the United States Sherman and Jacobs and their impressive array of expert authors fill a significant gap in the literature making the current body of juvenile justice research and experience accessible to policy makers researchers and funders and doing so through a practical and positive lens Patrick McCarthy President and Chief Executive Officer Annie E Casey Foundation Baltimore MD Most people have narrow views of what it means to be a delinquent youth In *Juvenile Justice Advancing Research Policy and Practice* Sherman and Jacobs have diligently collected essays from the top experts in the juvenile justice field who tell an empirically based and powerful narrative of who is really in the delinquency system As this book makes clear until we ask and answer the right questions we will remain unable to help the youth most in need Alexander Busansky President The National Council on Crime and Delinquency Oakland CA A comprehensive reference presenting a rehabilitative youth and community centered vision of juvenile justice *Juvenile Justice Advancing Research Policy and Practice* brings together experts in juvenile justice child development and public health to explore the intersections between juvenile justice and needed development of programs and policies that look out for the health and well being of the youth who enter this system This timely book provides a usable framework for imagining juvenile justice systems that emphasize the welfare of juveniles achieved primarily through connections within their communities A must read for professionals working in juvenile courts and within juvenile justice agencies *Juvenile Justice Advancing Research Policy and Practice* reflects both the considerable advances and the challenges currently evident in the juvenile justice system with an emphasis on the development and implementation of policies that can succeed in building a new

generation of educated young people able to embrace their potential and build successful futures

Youth in Prison M. A. Bortner, Linda Williams, 2012-11-12 Based on two years of intensive research in a juvenile prison this study tells the story of youths in a model program created after a class action lawsuit for inhumane and illegal practices It captures their lives inside and outside of prison from drugs gangs and criminal behaviour to the realities of families schools and neighbourhoods Drawing on experience that encompasses 20 years of juvenile justice research and policy analysis the authors scrutinize the prison s attempts to combine accountability and treatment for youths with protection for the public situating these within the larger social and political context

Offending Behaviour Emma J Palmer, 2013-05-24 This book provides a comprehensive and up to date review of the relationship between psychology moral reasoning theory and offending behaviour It sets out the theory and research which has been carried out in the field and examines the ways in which this knowledge has been used in practice to inform treatment programmes for offenders This book pays particular attention to Kohlberg s theory of moral reasoning providing a link between this theory and developmental psychology along with a review of more recent critiques of this theory and an analysis of the difficulties of accurately assessing moral reasoning The book goes on to assess moral reasoning as an explanation of offending behaviour looking at how moral reasoning interacts with child rearing and family factors social factors and social cognition Offending is therefore presented as a complex phenomenon caused by an interaction of variables that are internal and external to the individual The book concludes with a consideration of how knowledge and research in the area of moral reasoning and offending has been used in practice to inform treatment programmes for offenders looking at a variety of different settings prison residential settings and in the community

Handbook of Offender Assessment and Treatment Clive R. Hollin, 2001 Provides an up to date review of current knowledge and best practice in the rehabilitation and treatment of offenders in community prison and secure hospital settings Sections cover the rationale and objectives of treatment risk assessment the whole range of approaches to treatment including behavioural cognitive family work reasoning rehabilitation and anger management and the assessment and treatment of various categories of offenders and problems with detailed chapters that include child abuse violence mentally disordered offenders and sex offenders Also includes a section dealing with different types of treatment settings maximum security hospitals residential settings and in the community
