Group Workers At Work Theory And Practice In The Eighties:

Group Workers at Work Paul H. Glasser, Nazneen Sada Mayadas, 1986 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com

Task Groups in the Social Services Marian Fatout, Steven R. Rose, 1995-02-17 Focusing on the role of the social worker the authors consider such aspects as the recruitment and composition of groups participation as a team member and dealing with problem behaviors within the group Selected problem solving approaches including brainstorming societal judgement analysis and the Delphi technique are evaluated in terms of both process and outcome From implementation through achievement the merits and methods of application for a variety of task groups are assayed

Theory and Practice in Social Group Work Kenneth L. Chau, Marie Weil, Danna Southerland, 2019-06-04 Here is an important look at creative ways to successfully blend theoretical knowledge with skillful intervention in social group work Theory and Practice in Social Group Work represents leading works in conceptual development that creatively connect practice with theory and also reflect the current diversity of interventions in group work practice The book calls for more carefully articulated connections between knowledge and action and maps a strategy for strengthening social work curriculum and expanding group work practice Some of the areas discussed include group work in medical and health settings group work with people undergoing life cycle transitions and group work interventions with vulnerable populations A wide range of possibilities for applying theories in group work situations are presented in this thought provoking volume Some specific examples discussed include group work interventions with persons affected by the AIDS crisis and persons at high risk of contracting HIV a group model for the management of chronic pain group intervention services for the homeless mentally ill delivered through a mobile outreach team a bingo group in an SRO hotel group work with adults molested as children and a model of practice for work with minority populations and communities

Handbook of Social Work with Groups Charles D. Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-02-13 This comprehensive handbook presents major theories of social work practice with groups and explores contemporary issues in designing and evaluating interventions Students and practitioners gain an in depth view of the many ways that groups are used to help people address personal problems cope with disabilities strengthen families and communities resolve conflict achieve social change and more Offering authoritative coverage of theoretical practical and methodological concerns coupled with a clear focus on empowerment and diversity this is an outstanding text for group work and direct practice courses

Handbook of Social Work with Groups, Second Edition Charles D. Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-06-27 Revised edition of Handbook of social work with groups 2006

Social Action in Group Work Abe Vinik, Morris Levin, 2012-10-12 One of the most effective ways of dealing with social problems is getting rid of the cause of the problem not just finding a remedy for the result Social Action in Group Work provides a useful overview of the history philosophy theory and practice of social group work and action in the promotion of societal change It shows practitioners how to use their skills effectively to

achieve social change This helpful book incorporates ideas developed in social movements identifies their contributions to social group work practice and illustrates effective practice in case experience with specific examples It provides a much needed understanding of the need for and process of social action along with new ideas for theory building teaching and practice in group work Numerous case examples from a variety of different settings become models that will be extremely useful for social work students educators professionals and those who work directly with groups This invigorating book is divided into three sections each with a unique focus and tied together by overlapping concepts theories and models The first section Ideas of Social Action examines the history of social action in group work and proposes an integrated global framework for social work organization education and practice Advocacy and Empowerment the middle section is replete with case examples The third section Principles and Practice explores the application of social group work in a variety of situations including inter ethnic conflict and a group of homeless men and women Together the sections make a strong stand for a more sensitive empowerment oriented practice and for more advocacy by the worker and group Everyone involved or interested in the process of social change through social action with groups will find Social Action in Group Work a wealth of practical information

Groups That Work Paul H. Ephross, Thomas V. Vassil, 2005-02-09 Social workers planners health professionals and human service administrators spend much of their time in meetings working in and with groups What meaning does participation in these groups have for members Some of the events that are most important for members of the various professions and those whom they serve take place within these groups Health and human services depend upon their working groups for their development and allocation of resources their standards of quality and the evaluation of their success or failure In short these groups are relied upon to come up with creative solutions to complex problems Despite the amount of time spent in meetings committees and so on very little has been written about the skills necessary for effective participation and leadership within working groups With that in mind Ephross and Vassil combine innovative group theory and practice in this how to guide for professionals who take a variety of roles within the group They draw on examples from social agencies a hospital a low income community and the boardroom providing practical principles for day to day group life based on a democratic model This revised edition also explores the changes that have taken place in the structure and operation of working groups in recent years and the heightened expectations for groups within large organizations

Social Work, Constructivist Research Mary K. Rodwell, 1998 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company

Capturing the Power of Diversity Marvin D Feit, John S Wodarski, John H Ramey, Aaron R Mann, 2012-11-12 This stimulating book explores the many ways in which social group workers approach diversity Capturing the Power of Diversity represents a range of interests and approaches to the challenges faced by group workers throughout the world It illustrates the complexity creativity and excitement of the diversity concept and it explores how practitioners manage and adjust to diversity and use its power constructively The contributing authors discuss macro approaches to

inequality in social political and economic spheres and address concerns about the fit of group work into the social work curriculum and practitioners techniques In this guidebook readers can discover how to emphasize social group work to enhance the education of social work students and to help professionals deal more effectively with cultural diversity Capturing the Power of Diversity covers practice theory building teaching research and various age and ethnic groups Chapters explore topics related to the value and importance of using social group work practice at the macro level educational and practice dimensions of diversity the necessity of dealing with inequality the macro system and its economic and political consequences teaching and practice issues emerging from the effects of race and class on practiceAn enlightening reference and guide Capturing the Power of Diversity is a much needed source of information for social work practitioners and students who are interested in how diversity impacts social group work and are curious as to how to make group work more effective Encyclopedia of Social Work ,1965

Theory and Practice of Social Group Work in Indian Society Pallassana R. Balgopal,Suresh Pathare,Meena M. Balgopal,2024-10-26 This book describes relevant theories such as task centered and strength perspective interventions for the practice of social group work within contemporary India These two theories are complemented by additional theories including Gestalt Therapy Spirituality and Raja Yoga These theories fill the gap in the literature to indigenize social group work interventions The book is divided into four parts History of Social Group Work and Introduction in India The Indian Family Structural Properties of Group Work Using Case Studies in Social Group Work Education In addition there are two separate chapters on leadership leadership in social work groups and leader interventions relevant to Indian society At the end of each chapter a summary and applicable practice principles are presented It explicitly presents the value of short and task oriented group work It mobilizes the group members strengths to work through problems that Indian children parents working adults and the elderly experience The group process is presented with a focus on the present day Indian cultural context which is relevant for a range of practitioners in the helping professions This important book is a valuable resource for students and scholars of social work community practitioners voluntary organizations and social activists

Group Work and Aging Roberta K Graziano,Robert Salmon,2013-09-13 Get a wealth of information about the theory and practice of social work with older adults their families and their caregivers Although there is a considerable amount of writing on both group work and social work with the elderly there is surprisingly little about applying this practice method to this specific age group Group Work and Aging Issues in Practice Research and Education fills this gap by presenting penetrating articles about a mutual aid approach to working with diverse groups of older adults with varied needs Respected experts and gifted researchers provide case studies practice examples and explanation of theory to illustrate this practice method with aging adults their families and their caregivers Group Work and Aging Issues in Practice Research and Education discusses in depth information on group work with gay and lesbian elders caregivers elders with Alzheimer s disease service providers special populations such as Vietnamese and Latino a elders and

provides information on the use of expressive therapies like art drama and dance Each well referenced chapter presents high quality up to date social group work practice strategies to prepare practitioners for the needs of the growing population of elderly in the near future Group Work and Aging Issues in Practice Research and Education discusses the adaptation of group work practice approaches when working with older group members the use of a Record of Service as an analytical tool in group work with aging lesbians a chronicle of a student s field placement at a drop in center for homeless senior citizens the sociocultural reality of the Asian immigrant elderly residential substance abuse treatment for older adults mutual aid groups for older persons with mental illness the relationship between caregiver support groups and the marker framework of family caregiving telephone caregiver support groups group work interventions with elderly parents of adults with severe mental illness a program for the development and implementation of an intergenerational singing group support groups as an effective therapy at end of life the use of a mutual aid group with home attendants and much more Group Work and Aging Issues in Practice Research and Education reveals the latest examples of good group work practice with aging adults and their support systems perfect for practitioners educators and anyone interested in and or work with older adults An Introduction to Group Work Practice Ronald W. Toseland,1995 The third edition includes a sharper focus on generalist practice and on typologies which illustrate group work practice both treatment groups and task groups at the micro meso and macro level Additions include a new chapter on leadership and diversity and new material on confidentiality telephone and computer groups dealing with conflict and working with reluctant and involuntary group members Annotation copyrighted by Book News Inc Portland OR **Individual Change Through Small Groups, 2nd Ed.** Martin Sundel,1985-02 Individual Change Through Small Groups brilliantly details The University of Michigan s empirically based problem oriented approach to group work practice This revised and expanded second edition of a modern classic provides practitioners and students with a systematic description of the various methods used to prevent and change dysfunctional and psychopathological behavior Martin Sundel Professor of Social work at The University of Texas at Arlington joins original editors Paul Glasser Rosemary Sarri and Robert Vinter to present the findings of a wide range of social scientists and help professionals to apply cognitive and behavioral techniques to effect significant change **Modern Social Work Theory, Fourth Edition** Malcolm Payne,2014-07-01 This masterly text is a classic in its field and will be a reliable companion throughout the course of your studies and your career as a social work practitioner In this substantially reworked and updated fourth edition of his best selling text Malcolm Payne presents clear and concise evaluations of the pros and cons of major theories that inform social work practice and comparisons between them Modern Social Work Theory is now more accessible and comprehensive than ever offering the most complete coverage of social work theory from classic perspectives to the very latest ideas including a new chapter dedicated to strengths narrative and solutions approaches a host of brand new case examples showing how theories can be applied to everyday practice new analysis of the ethical dimensions of

different social work theories and what common values they share Pause and Reflect questions to encourage you to draw on your own experience and develop your thinking and updated Example text sections which summarize the most current thinking and help bridge the gap between introductions to each theory and more specialist writing **Using Theory in Youth and Community Work Practice** Ilona Buchroth, Chris Parkin, 2010-02-11 This book explores a wide range of theoretical perspectives that guide the practice of community and youth work and related occupational fields It provides a range of practical activities to encourage readers to explore their own theoretical position while critically engaging with the contemporary theoretical context that is shaping the development of community and youth work practice Students will find this book an invaluable tool in developing their understanding of theory and it will help them to holistically and systematically apply their understanding of theory to their relevant practice situation Analysing Community Work: Theory and Practice Keith Popple, 2015-04-16 Community work is a unique and important activity that has the potential to help individuals groups and communities achieve change This brand new update of an established and acclaimed text explores and analyses different theoretical approaches to community work Written in a highly accessible style this book is grounded in practice issues and tackles political and theoretical issues head on New to the second edition Analysis of the work of New Labour Consideration of Coalition government policies for example the Big Society project and the impact of budget cuts A new international dimension throughout the text and an important new chapter on international community work New definitions of community explored to take into account a diverse population Increased emphasis on community work values skills and challenges Updated pedagogy including end of chapter summaries and reflective questions References the latest writings in the field Written by an established international expert this book will be valuable for students on qualifying programmes practitioners policy makers and commentators and those engaged in community work in all capacities **Analysing Community Work** provided a key text tackling issues of theory and practice in accessible ways for some two decades This second edition builds upon the strengths of the first updating the book to take account of the major changes that have been taking place since then both in Britain and internationally Popple s critical consideration of the impacts of globalization neo liberalism changing technologies increasing inequalities and increasing concerns with environmental issues will be particularly welcomed This edition will be essential reading for those who read and appreciated the first as well as for a new generation of readers Marjorie Mayo Emeritus Professor of community development Goldsmiths University of London UK Popple s book was one of the key overviews of British community work when it first appeared in 1995 In the last few years the need for a revised and updated version has been increasingly obvious and Popple has now obliged The last twenty years have seen substantial changes in the political economic and organisational context within which community work operates and Popple has fully reflected this whilst remaining clear about its basic tenets and goals This is a highly welcome addition to contemporary community work literature Gary Craig Professor of Community Development and Social Justice Durham University UK

Learning Group Leadership Jeffrey A. Kottler, Matt Englar-Carlson, 2009-02-19 The writing is both highly personable and also very specific about techniques and attitudes students may take on as they experiment with membership leadership I think my students will like it and will use it to engage even more fully with the experiential group It most certainly fills a niche that needed filling Adam L Hill Sonoma State University Now Accompanied by a DVD Focusing on how to conduct and lead groups in a variety of therapeutic settings Learning Group Leadership An Experiential Approach Second Edition covers theory process leadership techniques ethics special populations and challenges as they relate to group work The Second Edition introduces important conceptual and practical information and then uses exercises field study assignments and personal application questions to help students apply concepts to their work and lives The Second Edition now includes student voices throughout each chapter to provide descriptions of actual experiences Key Features Takes an experiential approach helping readers understand how the concepts they learn in class can be applied to their own work in conducting groups Offers a conversational practical and realistic writing style Includes relevant examples drawn from the authors more than 25 years of teaching and leading experience Is accompanied by a new DVD bound in the back of the book which contains scripted sessions corresponding with every chapter The password protected instructor's site is available with test questions at <http://www.sagepub.com/kottler2einstr/main.htm> Learning Group Leadership An Experiential Approach Second Edition is ideal for use in introductory courses in Group Therapy or Group Work in the disciplines of counseling human services psychology and social work

Modern Social Work Theory, Fourth Edition Malcolm Payne, 2014-06 This masterly text is a classic in its field and will be a reliable companion throughout the course of your studies and your career as a social work practitioner In this substantially reworked and updated fourth edition of his best selling text Malcolm Payne presents clear and concise evaluations of the pros and cons of major theories that inform social work practice and comparisons between them Modern Social Work Theory is now more accessible and comprehensive than ever offering the most complete coverage of social work theory from classic perspectives to the very latest ideas including a new chapter dedicated to strengths narrative and solutions approaches a host of brand new case examples showing how theories can be applied to everyday practice new analysis of the ethical dimensions of different social work theories and what common values they share Pause and Reflect questions to encourage you to draw on your own experience and develop your thinking and updated Example text sections which summarize the most current thinking and help bridge the gap between introductions to each theory and more specialist writing

Social Work Constructivist Research Mary Katherine O'Connor, 2015-12-22 This is the first textbook to offer a clear concise articulation of the dimensions of constructivism relevant to social work practice and research Professor Rodwell recognizes the need to systematize a process of knowledge building and presents specific techniques to accomplish that while maintaining an interpretative stance with the focus on meaning Social work students will see that their basic way of engaging clients in an assessment and problem solving process is very much in keeping with

constructivist research practice In addition to delineating the philosophical assumptions of constructivism this very practical text is geared to classroom use with chapters on research design rigor data collection data analysis research oversight and presentation of results Social Work Constructivist Research is divided into four sections that together should give the reader the intellectual and practical background necessary to understand and undertake rigorous constructivist inquiry The structure of this textbook is intended to provide the reader with sufficient information to competently confront all the design implementation and reporting elements of a constructivist inquiry process At the completion of all sections readers will know how the assumptions of constructivism differ from mainstream research primarily characterized by positivism or post positivism Readers will know how rigor expectations for research methods derived from different assumptions also differ They will know how to determine the feasibility of undertaking a constructivist inquiry when and where it is possible manage an emergent design and establish the trustworthiness and authenticity dimensions of a rigorous research effort For those interested in constructivist research and its relevancy to social work this book will prove to be a necessary resource
