Groups That Work:

Groups That Work Paul H. Ephross, Thomas V. Vassil, 2005-02-09 Social workers planners health professionals and human service administrators spend much of their time in meetings working in and with groups What meaning does participation in these groups have for members Some of the events that are most important for members of the various professions and those whom they serve take place within these groups Health and human services depend upon their working groups for their development and allocation of resources their standards of quality and the evaluation of their success or failure In short these groups are relied upon to come up with creative solutions to complex problems Despite the amount of time spent in meetings committees and so on very little has been written about the skills necessary for effective participation and leadership within working groups With that in mind Ephross and Vassil combine innovative group theory and practice in this how to guide for professionals who take a variety of roles within the group They draw on examples from social agencies a hospital a low income community and the boardroom providing practical principles for day to day group life based on a democratic model This revised edition also explores the changes that have taken place in the structure and operation of working groups in recent years and the heightened expectations for groups within large organizations **Learning in**

Groups David Jaques, 2000 The book rather than a formal lectures or presentations allows students to have greater scope to negotiate meaning and express themselves and their own ideas It also helps them to establish far more effective relationships not only with their tutors and trainers but with each other It can also play a central role in developing key professional skills such as listening presenting ideas persuasion *Encyclopedia of Social Work with Groups* Alex Gitterman, Robert

Salmon, 2009-06-02 What do you have to know today to be an effective group worker and what are the different group work approaches With 110 articles and entries this book provides a comprehensive overview of social work with groups from its initial development to its astounding range of diverse practice today with many populations in different places The articles have been written by social workers trained in the group approach from the United States Canada England Australia Spain and Japan and all involved are well known group workers acknowledged as experts in the area The book covers all aspects of social work with groups including its history values major models approaches and methods education research journals phases of development working with specific populations and ages plus many more Each article includes references which can be a major resource for future exploration in the particular subject area Both editors have many years of productive work in group work practice and other areas and are board members of The Association for the Advancement of Social Work with Groups The *Encyclopedia of Social Work with Groups* will be of interest to students practitioners social work faculty novice and experienced group workers *Making Groups Work* Joan Benjamin, 2020-07-23 Most of us work in them most of us live in them Some are complex some are simple Some meet only once while others last for decades Whatever form they take groups are central to our lives *Making Groups Work* offers a comprehensive introduction to the key issues in group work It

outlines the role of groups and the history of group work discusses group politics and shows how groups can help promote social change Detailed case studies are used to make the crucial link between theory and practice The authors also offer strategies for making groups work effectively Making Groups Work is essential reading for social workers health workers counsellors community workers youth workers trainers and anyone else interested in working with groups It is also a good introductory text for students and a handy reference for professionals

Handbook of Social Work with Groups, Second Edition Charles D. Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-06-27 Revised edition of Handbook of social work with groups 2006

Theories of Social Work with Groups Robert W. Roberts, Helen Northen, 1976 Available for the first time in English this is the definitive account of the practice of sexual slavery the Japanese military perpetrated during World War II by the researcher principally responsible for exposing the Japanese government's responsibility for these atrocities The large scale imprisonment and rape of thousands of women who were euphemistically called comfort women by the Japanese military first seized public attention in 1991 when three Korean women filed suit in a Toyko District Court stating that they had been forced into sexual servitude and demanding compensation Since then the comfort stations and their significance have been the subject of ongoing debate and intense activism in Japan much if it inspired by Yoshimi's investigations How large a role did the military and by extension the government play in setting up and administering these camps What type of compensation if any are the victimized women due These issues figure prominently in the current Japanese focus on public memory and arguments about the teaching and writing of history and are central to efforts to transform Japanese ways of remembering the war Yoshimi Yoshiaki provides a wealth of documentation and testimony to prove the existence of some 2 000 centers where as many as 200 000 Korean Filipina Taiwanese Indonesian Burmese Dutch Australian and some Japanese women were restrained for months and forced to engage in sexual activity with Japanese military personnel Many of the women were teenagers some as young as fourteen To date the Japanese government has neither admitted responsibility for creating the comfort station system nor given compensation directly to former comfort women This English edition updates the Japanese edition originally published in 1995 and includes introductions by both the author and the translator placing the story in context for American readers

Handbook of Social Work with Groups Charles D. Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-02-13 This comprehensive handbook presents major theories of social work practice with groups and explores contemporary issues in designing and evaluating interventions Students and practitioners gain an in depth view of the many ways that groups are used to help people address personal problems cope with disabilities strengthen families and communities resolve conflict achieve social change and more Offering authoritative coverage of theoretical practical and methodological concerns coupled with a clear focus on empowerment and diversity this is an outstanding text for group work and direct practice courses

A Mutual-Aid Model for Social Work with Groups Dominique Moyse Steinberg, 2014-02-24 Group work is a popular and widely used social work method Focusing

particularly on the central role of mutual aid in effective group work this text presents the theoretical base outlines core principles and introduces the skills for translating those theories and principles into practice A Mutual Aid Model for Social Work with Groups will help readers to catalyze the strengths of group members such that they become better problem solvers in all areas of life from the playroom to the boardroom Increased coverage of evaluation and evidence based practice speaks to the field s growing concern with monitoring process and assessing progress The book also includes worker based obstacles to mutual aid their impact and their antidotes pre group planning including new discussion on curriculum groups group building by prioritizing certain goals and norms in the new group the significance of time and place on mutual aid and the role of the group worker maintaining mutual aid during so called individual problem solving an expanded discussion of anti oppression and anti oppressive practice unlocking a group s potential to make difference and conflict useful special considerations in working with time limited open ended and very large groups Case examples are used throughout to help bridge the gap between theory and practice and exercises for class or field help learners to immediately apply conceptual material to their practice All resources required to carry out the exercises are contained in over 20 appendices at the end of the book Key points at the end of each chapter recap the major concepts presented and a roster of recommended reading for each chapter points the reader to further resources on each topic Designed to support ethical and successful practice this textbook is an essential addition to the library of any social work student or human service practitioner working with groups

Social Work Practice With Individuals, Families, and Groups Shelagh Jane Larkin, Jaylene Krieg

Schaefer, 2025-01-06 Social Work Practice with Individuals Families and Groups An Integrated Approach serves as a foundational text that supports students through effective practice with multiple levels of client systems from the classroom to the profession Authors Shelagh Jane Larkin and Jaylene Krieg Schaefer have integrated the practicum experience throughout the core chapters emphasizing its role as the first area of social work practice Developed with both BSW and foundational MSW programs in mind this text offers an accessible exploration of social work practice with individuals families and groups through diverse case studies and practical examples aligned with the 2022 EPAS core competencies

Strength and Diversity in Social Work with Groups Carol S. Cohen, Michael H. Phillips, Meredith Hanson, 2009

How can groups effectively meet the needs of humans in areas as diverse as aid responsibility action healing learning and acceptance This edited volume aims to address these issues and provide ways to extend the current reach and quality of social work with groups Based on a selection of papers from the 24th Annual International Symposium of the Association for the Advancement of Social Work with Groups AASWG the chosen chapters embody the strength and diversity of the Symposium encouraging and encourage readers to Think Group Chapters address the future challenges faced in social work with groups including issues in teaching group work holistic thinking about groups team building staff development programs and university agency collaborations to strength group work practice There are chapters focusing on how mutual

aid groups support trauma recovery including one with firemen addressing the aftermath of the 9 11 disaster as well as chapters that examine group work's place in community development challenging social isolation mask making as a medium for growth and special issues in addressing concerns of children and youth This book will be of interest to researchers professionals and students in social work and human service fields

Making Cell Groups Work Navigation Guide Joel Comiskey, Scott Boren, Ralph Neighbour, Randall Neighbour, Bill Beckham, 2023-05-27 This is an expanded 624 page reference tool for the 8 stage transition process found in How Do We Get There From Here formerly titled Making Cell Groups Work This sizable compilation is filled with hundreds of articles by pastors and experts including helpful articles such as how to transition your church's calendar and budget to allow for a growing holistic small group cell group ministry how to choose team members to implement the transition tips on how to prototype groups and much much more One of the most valuable tools found in this resource is a revealing readiness assessment tool which will help you determine weaknesses if any in four key areas of church health all of which are required for a successful transition

Theory & Practice in Clinical Social Work Jerrold R. Brandell, 2010-02-16 Today's clinical social workers face a spectrum of social issues and problems of a scope and severity hardly imagined just a few years ago and an ever widening domain of responsibility to overcome them Theory and Practice in Clinical Social Work is the authoritative handbook for social work clinicians and graduate social work students that keeps pace with rapid social changes and presents carefully devised methods models and techniques for responding to the needs of an increasingly diverse clientele Following an overview of the principal frameworks for clinical practice including systems theory behavioral and cognitive theories psychoanalytic theory and neurobiological theory the book goes on to present the major social crises problems and new populations the social work clinician confronts each day Theory and Practice in Clinical Social Work includes 29 original chapters many with carefully crafted and detailed clinical illustrations by leading social work scholars and master clinicians who represent the widest variety of clinical orientations and specializations Collectively these leading authors have treated nearly every conceivable clinical population in virtually every practice context using a full array of treatment approaches and modalities Included in this volume are chapters on practice with adults and children clinical social work with adolescents family therapy and children's treatment groups other chapters focus on social work with communities affected by disasters and terrorism clinical case management cross cultural clinical practice psychopharmacology practice with older adults and mourning and loss The extraordinary breadth of coverage will make this book an essential source of information for students in advanced practice courses and practicing social workers alike

Group Work Sondra Brandler, Camille P. Roman, 1999 Complete with more games and exercises for group sessions this book also contains excerpts and discussions of case studies that will serve as a valuable reference and may be applied to your own experiences Group Work will help you provide improved services to clients as it discusses effective suggestions and strategies such as gaining an understanding of self or the process by which you identify

internal responses to external stimuli created by the group unlocking the underlying meanings themes and needs of a group by examining transference and countertransference issues establishing guidelines structures and goals and purposes for groups and defining your role in achieving these standards and helping you identify and work through feelings of boredom helplessness sadness and anger which are potential barriers to the work of the group **BOOK JACKET Social Group**

Work Mr. Rohit Manglik, 2023-10-23 In this book we will study about the theory and practice of working with small groups It covers group dynamics leadership stages of group development and techniques for promoting social change within a group context *Group Work and Aging* Roberta K Graziano, Robert Salmon, 2013-09-13 Get a wealth of information about the theory and practice of social work with older adults their families and their caregivers Although there is a considerable amount of writing on both group work and social work with the elderly there is surprisingly little about applying this practice method to this specific age group *Group Work and Aging Issues in Practice Research and Education* fills this gap by presenting penetrating articles about a mutual aid approach to working with diverse groups of older adults with varied needs Respected experts and gifted researchers provide case studies practice examples and explanation of theory to illustrate this practice method with aging adults their families and their caregivers *Group Work and Aging Issues in Practice Research and Education* discusses in depth information on group work with gay and lesbian elders caregivers elders with Alzheimer s disease service providers special populations such as Vietnamese and Latino a elders and provides information on the use of expressive therapies like art drama and dance Each well referenced chapter presents high quality up to date social group work practice strategies to prepare practitioners for the needs of the growing population of elderly in the near future *Group Work and Aging Issues in Practice Research and Education* discusses the adaptation of group work practice approaches when working with older group members the use of a Record of Service as an analytical tool in group work with aging lesbians a chronicle of a student s field placement at a drop in center for homeless senior citizens the sociocultural reality of the Asian immigrant elderly residential substance abuse treatment for older adults mutual aid groups for older persons with mental illness the relationship between caregiver support groups and the marker framework of family caregiving telephone caregiver support groups group work interventions with elderly parents of adults with severe mental illness a program for the development and implementation of an intergenerational singing group support groups as an effective therapy at end of life the use of a mutual aid group with home attendants and much more *Group Work and Aging Issues in Practice Research and Education* reveals the latest examples of good group work practice with aging adults and their support systems perfect for practitioners educators and anyone interested in and or work with older adults **Social Action in Group Work** Abe Vinik, Morris Levin, 2012-10-12 One of the most effective ways of dealing with social problems is getting rid of the cause of the problem not just finding a remedy for the result *Social Action in Group Work* provides a useful overview of the history philosophy theory and practice of social group work and action in the promotion of societal change It shows practitioners

how to use their skills effectively to achieve social change This helpful book incorporates ideas developed in social movements identifies their contributions to social group work practice and illustrates effective practice in case experience with specific examples It provides a much needed understanding of the need for and process of social action along with new ideas for theory building teaching and practice in group work Numerous case examples from a variety of different settings become models that will be extremely useful for social work students educators professionals and those who work directly with groups This invigorating book is divided into three sections each with a unique focus and tied together by overlapping concepts theories and models The first section Ideas of Social Action examines the history of social action in group work and proposes an integrated global framework for social work organization education and practice Advocacy and Empowerment the middle section is replete with case examples The third section Principles and Practice explores the application of social group work in a variety of situations including inter ethnic conflict and a group of homeless men and women Together the sections make a strong stand for a more sensitive empowerment oriented practice and for more advocacy by the worker and group Everyone involved or interested in the process of social change through social action with groups will find Social Action in Group Work a wealth of practical information

Tools for Teaching Barbara Gross Davis, 2009-07-17 This is the long awaited update on the bestselling book that offers a practical accessible reference manual for faculty in any discipline This new edition contains up to date information on technology as well as expanding on the ideas and strategies presented in the first edition It includes more than sixty one chapters designed to improve the teaching of beginning mid career or senior faculty members The topics cover both traditional tasks of teaching as well as broader concerns such as diversity and inclusion in the classroom and technology in educational settings

Social Justice in Group Work Anneliese Singh, Carmen Salazar, 2013-10-18 This book spotlights the unique contribution of the Journal for Specialists in Group Work to the social justice literature and of group work to a social justice agenda Although the term social justice may be relatively new in the counseling and psychology literature the underlying values attention to inequities advocacy and empowerment strategies for members of marginalized and oppressed populations are not new in group work Group leaders have been attending to these concerns all along and group work itself is an ideal venue for the realization of social justice concerns However until now there has been a limited amount of scholarship on group work with a stated focus on social justice This groundbreaking book emphasizes action through a practical approach featuring research and case studies of social justice group work in community and school settings Chapters highlight how group workers infuse social justice consciousness into their work address social justice issues and implement social justice practice Authors review the history practice and future opportunities for social justice advocacy within group modalities They also address guidelines for the training and supervision of practitioners engaging in social justice group work This book was published as a special issue of the Journal for Specialists in Group Work

Groups Work Peter Clarke, 2004-08 Stimulate children to work collaboratively with Maths

Plus Groups Work and have fun too Groups Work Year 5 Teacher Book provides 15 problem solving group activities

Social Work with Groups N. Sullivan, L. Mitchell, D. Goodman, N.C. Lang, E.S. Mesbur, 2013-10-11 Help change the world by bringing ideas of social justice into your group work practice Social workers who use hip hop music to reach out to troubled adolescents Practitioners who compare First Nations talking circles with social work practice with groups A retired professor who transforms the way her fellow senior living center residents participate in their world Fathers of children with spina bifida who help one another through an online discussion group These and other examples you ll discover in *Social Work with Groups Social Justice Through Personal Community and Societal Change* will help you to assist groups to gain a sense of empowerment and create change in their own lives and communities In *Social Work with Groups Social Justice Through Personal Community and Societal Change* you ll also find definitions of social justice within the context of social work a proposal to help focus on social justice in teaching guidelines for group facilitators making decisions about self disclosure studies of innovative group work discussion of the challenges to achieving social justice in group work valuable ways to ground social group work in rich cultural traditions This new book rides the crest of the growing wave of justice in social work with groups Culled from the proceedings of the 22nd International Symposium of the Association for the Advancement of Social Work with Groups it gives you the innovations and current thinking of professionals who while coming from different cultural and professional backgrounds are focused on helping all people enjoy the same rights and opportunities If you want to use group work to challenge social inequality *Social Work with Groups* will be a welcome addition to your library Social action that gets results has to start somewhere let it begin with you

Enjoying the Song of Term: An Mental Symphony within **Groups That Work**

In a global consumed by monitors and the ceaseless chatter of instantaneous connection, the melodic elegance and psychological symphony created by the prepared term frequently diminish into the background, eclipsed by the constant noise and interruptions that permeate our lives. Nevertheless, set within the pages of **Groups That Work** an enchanting literary prize filled with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this charming masterpiece conducts visitors on a psychological trip, well unraveling the concealed melodies and profound impact resonating within each cautiously crafted phrase. Within the depths of this poignant evaluation, we will investigate the book is main harmonies, analyze its enthralling publishing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Groups That Work Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Groups That Work PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need.

Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Groups That Work PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Groups That Work free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Groups That Work Books
