**In Pursuit of the Christ-Shaped Life** Micah D. Carpenter, 2021-08-16 Perhaps we don't always think of our life as having a shape But the life of Jesus certainly had a shape and we are called to imitate him Paul's letter to the Philippians presents us with this call in many ways encouragements and exhortations toward faithfulness personal examples and a rich theology of the cross This book is a mediation on the call of Philippians to embrace God's gift of a Christ shaped life Such a life is both an unshakable promise of God which defines our destiny and a personal responsibility to be embraced each day In this book you are invited to ponder the desires of your heart and to lay them at the feet of our Lord who alone is worthy of our desire and who alone can reshape our hearts after the image of his own Here we find that the process of being formed after the image of Christ is not only a matter of supreme importance but also of overwhelming joy in which we learn the delight of singing with Christ the great song of self giving love *God's Seven Ways To Ease Suffering* ,

**Syncretism and Christian Tradition** Ross Kane, 2020-11-11 Syncretism has been a part of Christianity from its very beginnings Defined as the phenomena of religious mixture syncretism carries a range of connotations In Christian theology syncretism shifted from a compliment during the Reformation to an outright insult in the twentieth and twenty first centuries Ross Kane argues that the history of syncretism's use accentuates wider interpretive problems drawing attention to attempts by Christian theologians to protect the category of divine revelation from perceived human interference Syncretism and Christian Tradition examines how the concept of race figures into dominant religious traditions associated with imperialism and reveals how syncretism can act a vital means of the Holy Spirit's continuing revelation of Jesus

**Who Have You Been Called to Be?** Travis Guse, 2024-10-29 Who am I Why am I here What is my purpose How can I make a difference These questions have to do with the topic of vocation Vocation is more than what one does for a living in terms of one's career Vocation is a lens that helps believers see the larger story of who they are regarding their calling with God through faith in Jesus and how they are called to love and serve their neighbors through their everyday callings But how can one personally and practically apply this relevant teaching of the church to the daily lives of believers The answer is found in coaching Coaches and ministry leaders seeking to help everyday believers find purpose and meaning in their lives will find this book invaluable The research and practical tools contained within serve as a technical manual to Guse's first book Called2B This book provides a biblical and theological framework for understanding how coaching can empower believers to discover and live out their authentic calling in Christ in their daily lives to make a greater kingdom impact in their different stations of life Family Church Lifework and Society Who have you been called to be

**The Ministry of the Word, Vol. 26, No. 08** Various Authors, 2022-10-30 This issue of The Ministry of the Word contains Messages 17 through 24 given during the spring 2022 term of the full time training in Anaheim California as the continuation of the general subject Chapters Five through Eight of Romans the Kernel of the Bible The sixteen messages in this term emphasize Romans 7 and especially chapter 8 The general subject of this series of messages is derived from footnote 1 on Romans 5:14 which says that chapters 5 through 8 of Romans can be called the kernel of the Bible The footnote also points out that life and death form two contrasting lines through these chapters and that man is in the middle between the line of life which represents God and the line of death which represents Satan Life and death are the intrinsic essence of the kernel of the Bible In Romans 7 and 8 we see that Paul discovered four laws four spontaneous automatic effortless and unconscious universal principles or functions In particular there are three lives and four laws revealed in these chapters The first law the law of God is the moral and objective law The second law is the law of good in man's soul especially the mind which corresponds to the created human life and which desires to carry out the law of God The third law is the law of sin and of death which derives from the evil satanic life in our flesh this law is stronger than the law of good within and thus seizes man's desire to do good and turns it into an opportunity to sin The fourth law is the law of the Spirit of life which is higher than and overcomes the law of sin and of death this law derives from the uncreated divine life that is now in our regenerated human spirit We need to see these three lives and four laws in order to experience the indwelling Christ as the law of the Spirit of life We also need to see what the flesh is The flesh denotes the totality of the fallen old man our entire fallen being man is totally flesh because the fallen being today is under the dominion of the fallen flesh The flesh is enmity against God

the flesh is not subject to God's law the flesh is not able to subject itself to the law of God and the flesh can never please God Every aspect of our flesh whether good or evil is an enemy of God's authority Whatever is of the flesh is against God's throne it will be used by Satan the subtle one the enemy of God to hinder God's purpose The flesh is the meeting hall and the compound of sin death and Satan the flesh is a hopeless case and can never be improved However in His wisdom and sovereignty God uses our flesh as a compelling force that causes us to turn to our spirit We are either in the spirit or in the flesh there is no third place for us to be The believer is a miniature garden of Eden with God as the tree of life in his spirit Satan as the tree of knowledge in his flesh and his mind in between In Romans 8 the mind is neutral being between the regenerated mingled spirit and the fallen body the flesh Setting the mind on the spirit is the key to death or life Because both Satan and God are in us our mind has become a battlefield between God and Satan Whether we are one with Satan or one with God depends upon where we set our mind In order to fight the battle against the enemy we must know that the mind is the battlefield and that the way to protect and cover our mind is to turn it to the Lord all the time The Bible requires only one thing of us that we walk according to the mingled spirit which is to live move act behave have our being and do everything in the mingled spirit While we remain in the touch with the Lord staying in contact with Him in our spirit the law of the Spirit of life works automatically spontaneously and effortlessly within us By the working the spreading of the law of the Spirit of life within us God makes us the same as He is in life nature and expression We are conformed to the image of the firstborn Son of God by the working of the law of the Spirit of life The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

*Developing Intimacy with God* Alex B. Aronis, 2003-04-30 It is customary for pastors to urge their congregations to spend time with God in prayer They know that this is of paramount importance the one thing needful But instructions given by pastors usually have to do with prayer for others or prayer for oneself Rarely does one hear instruction on how specifically one can nurture and deepen one's relationship with Jesus This is the challenge that Alex Aronis has taken up in his book *Developing Intimacy with God* Anchored on the spiritual classic *The Spiritual Exercises* of St Ignatius Alex has made the necessary adjustments to this sixteenth century text to maximize its contribution for modern readers Thus the book serves as a personal spiritual guide It can be used for individual or group use and coaches the prayer over an eight week period through a series of interactive prayer exercises Aronis writes For disciples of Jesus nothing in this world is of greater importance than experiencing intimate communion with Christ It is our greatest privilege to know Jesus personally and to let God love us as we commune with him

**Dietrich Bonhoeffer's Christian Humanism** Jens Zimmermann, 2019-06-13 Jens Zimmermann locates Bonhoeffer within the Christian humanist tradition extending back to patristic theology He begins by explaining Bonhoeffer's own use of the term humanism and Christian humanism and considering how his criticism of liberal Protestant theology prevents him

from articulating his own theology rhetorically as a Christian humanism He then provides an in depth portrayal of Bonhoeffer s theological anthropology and establishes that Bonhoeffer s Christology and attendant anthropology closely resemble patristic teaching The volume also considers Bonhoeffer s mature anthropology focusing in particular on the Christian self It introduces the hermeneutic quality of Bonhoeffer s theology as a further important feature of his Christian humanism In contrast to secular and religious fundamentalisms Bonhoeffer offers a hermeneutic understanding of truth as participation in the Christ event that makes interpretation central to human knowing Having established the hermeneutical structure of his theology and his personalist configuration of reality Zimmermann outlines Bonhoeffer s ethics as Christformation Building on the hermeneutic theology and participatory ethics of the previous chapters he then shows how a major part of Bonhoeffer s life and theology namely his dedication to the Bible as God s word is also consistent with his Christian humanism *The Locker Room* Jeff S. Mann,2014-07-30 With few exceptions churches across America are static or in decline In an increasingly hostile postmodern culture the church should be boldly proclaiming the gospel of Jesus Christ and shining like a star Yet we are having no impact and we are increasingly considered irrelevant Faithfully using scripture as a guide Jeff S Mann reminds us of our mission calls us back to biblical basics and challenges us to step out in faith to go beyond the walls of our churches in the love of Christ to deliver a message of hope Believing there is still hope for the world Mann writes to average church members in everyday language God s plan for redemption is shown to be accomplished only through the incarnation and suffering of Christ and the fulfillment of the Great Commission To bring glory to God and impact our world Mann uses the Bible to help provide understanding as to who we are why we are here and how God tells us to operate In other words the church must become more like a locker room *Humanity in God's Image* Claudia Welz,2016-08-18 How can we in our times understand the biblical concept that human beings have been created in the image of an invisible God This is a perennial but increasingly pressing question that lies at the heart of theological anthropology *Humanity in God s Image An Interdisciplinary Exploration* clarifies the meaning of this concept traces different Jewish and Christian interpretations of being created in God s image and reconsiders the significance of the imago Dei in a post Holocaust context As normative counterfactual notions human dignity and the imago Dei challenge us to see more Claudia Welz offers an interdisciplinary exploration of theological and ethical visions of the invisible By analysing poetry and art Welz exemplifies human self understanding in the interface between the visual and the linguistic The content of the imago Dei cannot be defined apart from the image carrier an embodied creature Compared to verbal visual and mental images how does this creature as a living image refer to God like a metaphor a mimetic mirror or an elusive trace Combining hermeneutical and phenomenological perspectives with philosophy of religion and philosophy of language semiotics art history and literary studies Welz regards the imago Dei as a complex sign that is at once iconic indexical and symbolical pointing beyond itself Spiritual Formation in Local Faith Communities Neil Pembroke,Ewan Kelly,Theo Pleizier,William S. Schmidt,Jan-Albert

van den Berg, 2022-03-31 Spiritual formation in our local churches is too often poorly done or it is virtually nonexistent. We developed this innovative approach to spiritual formation in the congregation because it is desperately needed. The prompt cards are used to spark deep reflection and shape potentially life-transforming conversations with a pastor around spiritual practices, spiritual character, personal and social ethics, and emotional well-being. The model was trialed in five countries. We heard time and time again how the six-week process fired a passion to go deeper with Christ. Some reported praying regularly for the first time in decades. Others found the Scriptures coming alive after years of going through the motions. In this book, the authors present a simple but powerful method and offer in-depth theological reflection on related issues. Some of the important areas covered are early church approaches to spiritual formation, contemporary spiritual practices, spiritual character, the indissoluble link between spirituality and moral virtue, the spirituality of the pastor, and the positive psychology approach.

**Unleashing Dunamis** Dr. Lydia L. Chou, 2021-02-19 Wise singles will shine and lead many to righteousness like the stars forever and ever. Daniel 12:3 God loves each single adult, seeing them as precious, worthy, and complete in Christ. He always has their best interests in mind and holds their earthly and heavenly security within his hands. All single adults, including those never married, divorced, and widowed, will reap satisfaction in life when they unleash their dunamis as God intends, such as when they trust in God. The Lord becomes their everlasting strength. Isaiah 26:4 The blessed assurance of eternally good life is theirs to embrace. God is faithful and true. Revelation 19:11 Nowhere in life is there anything that reaches higher and achieves more than the love and wisdom of Christ. As church leaders reach their potential for God, they can transfer their knowledge and experience to singles so that they can attain the life they were made to live. It will be a privilege and an honor to provide what singles need for unleashing their dunamis. May God bless the church and all wise singles.
