**Material Dreams** Kevin Starr, 1990 Kevin Starr is the foremost chronicler of the California dream In Material Dreams he turns to one of the most vibrant decades in the Golden State s history the 1920 s when some two million Americans migrated to California the vast majority settling in or around Los Angeles      **The California Handbook** Ted Trzyna, Julie

Didion, 1998-10      Updating the Literary West , 1997 Western writers says Thomas J Lyon in his epilogue to Updating the Literary West have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth The editors of the Literary History of the American West TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West s literary heritage Out of this hope comes Updating the Literary West a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of LHAW western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence and the range of subjects has changed and widened Updating the Literary West looks at topics ranging from western classics to cowboys and Cadillacs and considers children s literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of LHAW This volume again affirms the West s literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries Selected list of contributors James Maguire Fred Erisman Susan J Rosowski Gerald Haslam Tom Pilkington A Carl Bredahl Richard Slotkin John G Cawelti Robert F Gish Ann Ronald Mick McAllister

Cities in the Wilderness Bruce Babbitt, 2007-08-03 In this brilliant gracefully written and important new book former Secretary of the Interior and Governor of Arizona Bruce Babbitt brings fresh thought and fresh air to questions of how we can build a future we want to live in We ve all experienced America s changing natural landscape as the integrity of our forests seacoasts and river valleys succumbs to strip malls new roads and subdivisions Too often we assume that when land is developed it is forever lost to the natural world or hope that a patchwork of local conservation strategies can somehow hold up against further large scale development In Cities in the Wilderness Bruce Babbitt makes the case for why we need a national vision of land use We may have a space program he points out but here at home we don t have an open space policy that can balance the needs for human settlement and community with those for preservation of the natural world upon which life depends Yet such a balance the author demonstrates is as remarkably achievable as it is necessary This is no call for

developing a new federal bureaucracy Babbitt shows instead how much can be and has been done by making thoughtful and beneficial use of laws and institutions already in place A hallmark of the book is the author's ability to match imaginative vision with practical understanding Babbitt draws on his extensive experience to take us behind the scenes negotiating the Florida Everglades restoration project the largest ever authorized by Congress In California we discover how the Endangered Species Act still one of the most effective laws governing land use has been employed to restore regional habitat In the Midwest we see how new World Trade Organization regulations might be used to help restore Iowa's farmlands and rivers As a key architect of many environmental success stories Babbitt reveals how broad restoration projects have thrived through federal state partnership and how their principles can be extended to other parts of the country Whether writing of land use as reflected in the Gettysburg battlefield the movie Chinatown or in presidential political strategy Babbitt gives us fresh insight In this inspiring and informative book Babbitt sets his lens to panoramic and offers a vision of land use as grand as the country's natural heritage

**A Passion for Books** D. Salwak, 1999-04-23 Leading writers and critics including Margaret Drabble Alan Sillitoe and Ferdinand Mount share their passion for books and the joys of reading in an inspiring collection of essays and writings A Passion for Books is both a celebration of the value and importance of reading and a spirited defence against the many gloomy voices in our so called electronic age who say the book will soon be obsolete This book itself a joy to read is written for anyone who cares at all about the past and future of books and reading

**The Collected Letters of Robinson Jeffers, with Selected Letters of Una Jeffers** James Karman, 2011-10-12 The 1930s marked a turning point for the world Scientific and technological revolutions economic and social upheavals and the outbreak of war changed the course of history The 1930s also marked a turning point for Robinson Jeffers both in his career as a poet and in his private life The letters collected in this second volume of annotated correspondence document Jeffers rising fame as a poet his controversial response to the turmoil of his time his struggles as a writer the growth and maturation of his twin sons and the network of friends and acquaintances that surrounded him The letters also provide an intimate portrait of Jeffers relationship to his wife Una including a full account of the 1938 crisis at Mabel Dodge Luhan's home in Taos New Mexico that nearly destroyed their marriage

**Living at the Edge : a Biography of D.H. Lawrence and Frieda Von Richthofen** Michael Squires, Lynn K. Talbot, Lynn Kiefer Talbot, 2002 Dashinglly told and meticulously researched this double biography of D H Lawrence and his wife Frieda von Richthofen is the first to draw fully on Frieda's unpublished letters and on interviews with people who knew her well It explores their collision with an industrial world they hated and chronicles the stormy

relationship between husband and wife The strong sexual vitality that inspired Lawrence's art brought both joy and anguish to his marriage Here the Lawrences emerge as proud but not conceited in their unconventional lives staunch in the face of fierce opposition from a conformist society *Living at the Edge* follows the separate lives of Lawrence and Frieda up to their first meeting in 1912 Tracing their new life together it depicts their grateful escape from the English Midlands their discovery of exotic places where they made temporary homes Italy Cornwall Australia New Mexico and Mexico Lawrence's courageous battle against illness and after his death in 1930 Frieda's success in recreating the simple life on ranches near Taos New Mexico where she died in 1956 At the center of their story is Lawrence's literary career Biographers Squires and Talbot see Lawrence's major novels *The Rainbow* *Women in Love* *Lady Chatterley's Lover* as a fresh way to understand his turbulent and conflicted life They reveal the extreme care with which he rewrote his personal experience to satisfy his deepest needs and they introduce the many influential people who entered the Lawrences' lives and work The rich materials from Frieda's letters reveal a different Lawrence more difficult as a man but more interesting as an artist they also reveal a different Frieda more vibrant as a woman more substantial as a companion This superb biography gives both Lawrence and Frieda striking new dimensions *State of Mind* William T. Pilkington, 1998 A collection of essays that discuss the evolution of Texas literature from the state's settlement through the twentieth century **UCLA** Marina Dundjerski, 2011 **UCLA The First Century** is an extensively illustrated hardcover book which follows a chronological historical narrative with in depth sections on campus traditions and the history of Bruin athletics Since the UCLA History Project was launched in 2004 UCLA have been chronicling a full account of their alma mater from humble beginnings to their current standing as one of the world's most prestigious public research universities The research and editorial team for this publication delved into the untold number of historical documents and photographs preserved in UCLA's archives and beyond interviewed numerous members of the UCLA community and searched for materials and anecdotes that were on the verge of becoming permanently lost or forgotten 100 years of UCLA on your coffee table Los Angeles Times I wanted to create an authentic historical account of our university Every day I am inspired by the story of UCLA and I see its history as a collective living legacy that we all share Marina Dundjerski 94 Author The book is indeed beautiful Thank you so much for all the work that went into it Rhea Turteltaub Vice Chancellor UCLA External Affairs **Guide to the Study of United States Imprints** George Thomas Tanselle, 1971 *Information Bulletin*, 1986 **Encyclopedia of Frontier Biography: G-O** Dan L. Thrapp, 1991-08-01 Includes biographical information on 4 500 individuals associated with the frontier *Redemptive Dreams* Jason S. Sexton, 2023-11-10 An essential piece in California Studies *Redemptive Dreams* Engaging Kevin Starr's California offers the first critical engagement with the vision of California's most ambitious interpreter While Starr's multifaceted and polymathic vision of California offered a unique gaze synthesizing central features big themes and incredible problems with the propitious golden dream his eight volume California Dream series along with several other books and thousands of published

articles and essays often puzzled historians and other scholars. Historians in the contemporary school of critical historiography often found Starr's narrative approach seeking to tell the internal drama of the California story to be less attuned to the most important work happening in the field. Such a perspective fails to acknowledge key developments in historical subfields like Black and African American Studies, Chicana/o x Studies, Asian Studies, Native Studies, and others that draw from the narrative in their critical work and how this relates to Starr's contribution. But it also neglects Starr as a theological interpreter. Along with being a major figure in California institutional life with literary output spanning genres from journalism to critical cultural and political commentary to history and memoir, Starr's unique contribution to California Studies as a distinctly Catholic historian has yet to be adequately understood. Through his lived experience as a devout Catholic to the particular theological features of this faith tradition that animated his views, this critical sociological perspective sheds new light on his project. With contributions from sociology, history, and theology akin to investigations appearing in *Theology and California*, *Theological Refractions on California's Culture* (Routledge), *Redemptive Dreams* offers interdisciplinary perspectives that highlight key features inherent in interdisciplinary theological reflection on place and illuminates these diverse disciplinary discourses as they appear in Starr's articulation of the California Dream. Such a vision remains important for reckoning with California's place in the world.
