Growing Disciples Through Preaching Nolan P. Howington, Alton H. McEachern, William M. Pinson, 1976      **Preparing Evangelistic Sermons** Ramesh Richard, 2015-08-11 When it comes to evangelism converting the sinner is God's part Communicating the gospel is the preacher's part But how is this done effectively Professor of expository preaching Ramesh Richard offers pastors a simple do it yourself resource for preparing and delivering evangelistic sermons Incorporating a seven step process this book guides readers through the foundation framework method and special issues of evangelistic preaching With six appendices that provide relevant information outlines and checklists **Preparing Evangelistic Sermons** is ideal for students of evangelism preachers and ministry leaders who seek a better way to proclaim Christ to others      **A Philosophy of Pastoral Preaching** David A. Christensen, 2023-05-26 I am a pastor I preach Doesn't that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the church The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people's attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place      **Preaching with a Plan** Scott M. Dukeman, 2019-02-22 Social Trinitarians have not been shy about positing community as the chief ontological category for Trinitarian discourse As beneficial as this is social Trinitarians have typically been less helpful in advocating the sort of human community for the Trinitarian analogy that most people would probably find desirable To use the example of a marriage one has often been forced to choose between a fully egalitarian view where the spouses supposedly have no differences from each other and a hierarchical view where a husband exercises a unilateral and oppressive power over his wife This book advocates a third alternative for the sort of community present in the Trinity Just as genuine teamwork is generally desirable in various human communities the divine persons have a mutual hierarchy relationship with each other Here each divine person has a unique hierarchy over the others and yet each uses this

hierarchy to serve the others in a dignified way Recognizing this mutual hierarchy of the divine persons fosters a view of the Trinity that is maximally social in keeping with the name social Trinitarianism In proceeding thus the book attempts to in a unique way show the harmony between systematic theology exegesis and practice The Sacred Art Johnny Turner,2007-06 Dr Johnny Turner s The Sacred Art Growing Faithful Disciples in the 21st Century is a fresh approach for guiding Christians to reclaim the sacred art of discipleship Turner combines scholarly research and practical insights and stresses the need for discipleship training It is critical because discipleship is a sacred art It is sacred because discipleship is part of the Great Commission Dr Turner describes how growing faithful disciples can be accomplished in the church and he invites the church to become totally involved in the process of growing disciples After reading you will discover too that discipleship is truly The Sacred Art Pastor Johnny Turner has given us a practical first things first approach to deeply important spiritual matters It is both thought provoking and inspirational Jim Cymbala Senior Pastor The Brooklyn Tabernacle *The Art and Craft of Biblical Preaching* Zondervan,2009-05-26 A Comprehensive Resource for Today s Christian Communicators This extensive encyclopedia is the most complete and practical work ever published on the art and craft of biblical preaching Its 11 major sections contain nearly 200 articles comprehensively covering topics on preaching and methodology including Sermon structure and the big idea The art of introductions transitions and conclusions Methods for sermon prep from outlining to exercising Approaches to different types of preaching topical expository evangelistic and more Best practices for sermon delivery speaking with authority and using humor Leveraging effective illustrations and stories Understanding audience and much more Entries are characterized by intensely practical and vivid writing designed to help preachers deepen their understanding and sharpen their communication skills The contributors include a virtual Who s Who of preaching from a cross section of denominations and traditions such as Dallas Willard John Ortberg Rick Warren Warren Wiersbe Alice Mathews John Piper Andy Stanley and many others Haddon Robinson and Craig Brian Larson two of today s most respected voices in preaching provide editorial oversight Includes audio CD with preaching technique examples from the book
